World-class stainless steel boating chandlery
and performance boating accessories

bellmarine.com.au

Bell Marine is a leading manufacturer of premium boating products and accessories, offering exceptional expertise and personalised service since 1997.

With over 20 years' experience in the boating industry, Bell Marine are passionate providers of a sophisticated range of high-quality boating systems and equipment primed for specialised and general boating use.

All Bell Marine products are individually hand-crafted and designed to achieve results. As one of only a handful of premier stainless steel chandlery and marine accessory manufacturers, quality construction is at the core of our identity.

Bell Marine is committed to providing high-quality products with the durability to last. We develop our famous Viper Pro Series product range in-house, ensuring that each and every product is worthy of the first-class Bell Marine brand. We value craftsmanship and care, hand-making and hand-polishing all our products to a mirror finish without the use of chemical polishing.

Bell Marine's stand-out innovative and renowned submersible range of anchor winches, accredited with IP68 Waterproof Certification, prove a serious contender in the high-performance anchoring arena. Fit with a state-of-the-art 316 marine grade worm

drive stainless steel gearbox, our Viper anchor winches are the preferred choice for boaters all around the world.

Bell Marine's products truly set new standards for the marine industry. Performance and torque are at the forefront of our compact designs. With our Viper anchor winches promising fall rate speeds of up to 50m per minute, you'll experience ultimate anchoring speeds and reach your GPS mark each and every time.

Our quality of workmanship and service is unmatched by competitors. From the twin-skin shine and high gloss gel-coat finish on our Viper Deluxe Fibreglass Bait Boards, to removable and customisable features for easy installation, we provide our clients with premium care and convenience.

To equip your boat with the finest of marine gadgets, choose from Bell Marine's world-class range today.

Thank you for your time and happy boating!

30060	Customised wiring loom for 1500W winch
30073	Wireless remote control for viper winches (30m range)

All required installation is supplied

ANCHOR WINCHES AND ACCESSORIES

BOW ROLLERS

Deluxe Stainless Steel Bow Rollers

- Designed to self-launch and suitable for most anchors
- Comprises of 3 high-performance neoprene rollers
- Includes stainless steel installation bolts for added strength
- Integrated anchor stops, rope hoop and mounting holes for convenience
- Hand-made and hand polished to a mirror finish

PART NO.	DESCRIPTION	SIZE - PART (L x W x H)	MOUNT AREA
30016	Small	370 x 72 x 210mm	210 x 70mm
<i>NOTE: 4 x 8mm S/S bolts, washers and nyloc nuts supplied</i>			
30007	Large	500 x 95 x 260mm	300 x 95mm
<i>NOTE: 6 x 8mm S/S bolts, washers and nyloc nuts supplied</i>			

Deluxe Stainless Steel Single Roller Bow Roller

- Suitable for boats requiring a longer bow roller
- Reduces rope chafe
- Allows for free falling and correct alignment upon retrieval
- Constructed with 5mm plate marine grade 316 stainless steel
- Integrated rope hoop, neoprene roller, mounting holes and stainless steel installation bolts
- Hand polished to a mirror finish

PART NO.	DESCRIPTION	SIZE - PART (L x W x H)	MOUNT AREA
30006	Single Bow Roller	510 x 85 x 190mm	300 x 85
<i>NOTE: 6 x 8mm S/S bolts, washers and nyloc nuts supplied</i>			

ANCHOR SWIVELS

Deluxe Anchor Swivels

- Attach between the chain and anchor to prevent the rope and chain from twisting
- Ensures perfect transition through anchor rollers
- Reduces damage to the hull by preventing the anchor from spinning
- Constructed with 316 stainless steel joints
- Weight range: suitable up to 200kgs/440lbs

PART NO.	DESCRIPTION	SIZE - PART (L x D)
30001	Small	120 x 28mm
Suits 6-8mm chain Anchor shaft 15mm		
30019	Large	160 x 28mm
Suits 8-12mm chain Anchor shaft 19mm		

ANCHOR ROLLERS

Deluxe Stainless Steel Anchor Rollers

- Ensures smooth operation of anchor winch and prevents deck damage
- Constructed with 5mm plate marine grade 316 stainless steel
- Includes high-performance Viper Nylon Rollers
- Best fitted at the edge of the anchor well when using an electric drum winch
- Hand polished to a mirror finish

PART NO.	DESCRIPTION	SIZE - PART (L x W x H)
30009	Small	130 x 50 x 105mm
30002	Large	205 x 50 x 105mm

PRO TIP

PAIR WITH A VIPER CHAIN SOCK FOR SMOOTH SILENT WINCHING

HAWSE PIPES

Stainless Steel Hawse Pipes

- Perfect for cuddy cabs, centre consoles or bow riders with very small anchor wells
- Use in conjunction with a winch to easily connect rope and chain to the bow roller
- Constructed with marine grade 316 stainless steel
- Hand polished to a mirror finish
- Pair with a Viper Chain Sock for smooth silent winching

30023R

Cutout: 70mm
Overall height: 130mm

Opening (W x H): 90 x 55mm
Flange (W x D): 158 x 97mm
Cutout: W120 x 65mm
Overall height: 78mm

30031 - Large

Opening (W x H): 220 x 100mm
Flange (W x D): 220 x 120mm
Cutout: W190 x 85mm
Overall height: 130mm

PART NO.	DESCRIPTION	SIZE - PART (W x H x D)
30023	Small	153 x 75 x 90mm
30031	Large	220 x 130 x 120mm
30023R	Round	DIA 76mm x H 140mm x D 140mm

CIRCUIT BREAKER

Waterproof 80, 100 & 135amp Flush Mount Circuit Breakers

- Compact in size
- Combines switching and circuit breaker function all in one
- Designed to be surface mounted
- Protects high amperage circuits at any location
- All supplied with a flush mount rubber seal

PART NO.	DESCRIPTION
30018	80amp
30046	100amp
30025	135amp

ANCHOR WINCHES AND ACCESSORIES

REVERSING SOLENOIDS

Marine Grade Reversing Solenoids

- 12V to power Viper 800/1000 and 1500 winches
- Designed to suit harsh marine conditions
- Versatile and suitable for other marine applications
- Comes with 3 switch connectors and 4 power terminals

PART NO.	DESCRIPTION
30020	200amp
30024	400amp
30075	400amp - 24V

FACE PLATES COMBOS

Up/Down Led Switch, 100amp Circuit Breaker & Face Plate Combo

- Conveniently Mount the switch and circuit breaker into a hand polished 316 marine grade stainless steel face plate

PART NO.	DESCRIPTION	SIZE - PART (W x H)
30050	S/S face plate Combo	100 x 80mm
30069	Alloy face plate Combo	100 x 80mm

WIRELESS WINCH REMOTE CONTROL

- Suits all anchor winch models including Viper Pro Series range
- Small, compact handheld device for convenience
- No need to start the engine to manoeuvre the boat
- Comes complete with installation and operation instructions
- Operating range: 30m

PART NO.	DESCRIPTION
30073	Control to suit any winch

FITMENT KIT

Alloy Boat Fitment Kit

- A must-have for every aluminium boat
- Constructed from alloy to prevent electrolysis issues from S/S accessories

Includes

- 2 HD plastic winch sandwich plates
- Anchor roller insulation
- Insulation spacers for each bolt
- Aluminium switch face plate

PART NO.	DESCRIPTION
30038-A	Suits Viper S Series 1000 Micro Winch
30021-A	Suits Viper S Series 1000 Rapid Winch + Gravity
30003-A	Suits Viper Pro Series II 1500/2500 Micro Winch

HIGHLY RECOMMENDED FOR ALUMINUM BOATS

FACE PLATES

Flush Mount Face Plates

- Hand polished to a mirror finish
- Designed to be surface mounted to dash
- Comprised of the highest grade 316 marine grade stainless steel
- Fixing screws included

PART NO.	DESCRIPTION	SIZE - PART (W x H)
30051	S/S face plate for LED switch	60 x 80mm
30052	S/S combo face plate for LED switch and circuit breaker	100 x 80mm
30070	Aluminium face plate for LED switch	60 x 80mm
30071	Aluminium combo face plate for LED switch and circuit breaker	100 x 80mm

Up/Down Led Switch & Face Plate Combo

- Illuminated red LED anchor rocker switch
- Hand polished S/S face plate
- Clearly labelled for easy installation
- Designed for flush mount
- Momentary ON/OFF/ON toggle switch
- 12v 20amp
- Includes anchor symbol LED indicator

PART NO.	DESCRIPTION	SIZE - PART (W x H)
30017	Switch plus S/S face plate	60 x 80mm
30039	Switch plus alloy face plate	60 x 80mm

CHAIN SOCK

Original Australian Made Chain Sock

- Comprised of high tech polyester blend braid
- Designed to encase 6 or 8mm short link chain
- Only Australian made chain guard available
- Perfect for protecting your boat's anchor rollers, bowsprit, winch, gel-coat and gunnel
- Proven to reduce chain clang and increase your chance of a good catch!
- Recommended to purchase a sock 1-2m longer than your existing chain for the perfect fit

PART NO.	DESCRIPTION	LENGTH	COLOUR

WORKSHOP SERVICE KITS & REFILLS

Stop bumping your head and fumbling around in the dark, looking for blown fuses under your cramped dash. The Viper Pro Series LED indicator fuse will illuminate when blown, making it easily identifiable. This allows you to replace it immediately without having to remove every fuse, ensuring you can get on with your boating and fishing. Available in numerous sizes and colour coded for convenience.
