## About Us...

For 40 years, **Boxercraft** has perfected the art of comfort. Our Flannel Lounge Pant is where it all began — and it's only gotten better.

Made from 100% cotton super yarn, every pair is soft, durable, and woven with rich color that stays vibrant wash after wash. With new patterns and colors to love, there's never been a better time to experience the comfort that made **Boxercraft** a classic.

When it's time to unwind, do it in authentic **Boxercraft** flannel.

## What Makes Our Flannel So Super?

It starts with **Super Yarn** — 100% cotton, engineered for comfort and performance.

**Stronger.** The tighter twist makes it extra durable and pre-shrunk to keep its fit.

**Brighter.** Richer color saturation means your favorite patterns stay bold and beautiful.

**Softer.** Tougher yarns can handle more brushing — that's how we get our famously soft flannel.
