

Taste of London

Inspired by London's eclectic Brick Lane.
BRICK LANE serves evocative British gastro pub fare.
All day breakfast, eggs benedict, fish and chips are just the beginning.

OUR STORY

It all began with a quest for the ultimate British all-day breakfast and eggs benedict in town. Our passion has always been to bring quintessential yet trendy British flavours to our dining tables.

Inspired by the eclectic vibe of London's Brick Lane, in 2011, the first BRICK LANE served its inaugural eggs benedict to our very first guest. Since then, we have come a long way and have cherished every moment spent with our patrons.

Today, our menu includes British essentials above and beyond, serving not only gastro-pub faves but wholesome lunches, afternoon tea and scrumptious steaks. In addition, our capable catering team can serve all kinds of events, from weddings to corporate conventions to private parties.

Our goal is simple: to provide delicious and affordable British cuisine to our guests in a welcoming and chill environment.
