WILSON'S FALLS TRAIL

Located just minutes from Downtown Bracebridge is Wilson's Falls, a picturesque waterfall on the Muskoka River. Follow the edge of the Muskoka River as the landscape changes from a lush green forest to the exposed rock of the Canadian Shield. The water cascades over the waterfall and the river takes an S-curve at the base of the falls. Depending on the season you visit, the falls will have different water levels, providing the opportunity to view the power of the running water or explore the driftwood that was left behind.

501 Wilson's Falls Road

BRACEBRIDGE RESOURCE MANAGEMENT CENTRE

The Bracebridge Resource Management Centre is a unique trail system to explore. With many kilometres of trails, there is something for all skill levels. During the summer, enjoy the many trails designated for hiking and mountain biking in the winter, this outdoor oasis boasts groomed cross-country ski, snowshoe and fat bike trails. Pack a picnic lunch and enjoy the woodland scenery, courtesy of the many benches found throughout the trails. For bikers, there is a mix of double and single track, making these trails perfect for all abilities.

7 5140 Highway 11 North

COLLIN CAMERON TRAIL

Honouring Bracebridge Paralympian Collin Cameron, this 540-metre long and two-metre-wide barrier-free path provides accessible and inclusive access to the waterfront in Annie Williams Memorial Park. With plenty of outdoor space to enjoy, picnic areas, a playground and beachfront, this is the perfect spot to set up a chair, relax and watch boats pass along the river.

50 Santas Village Road**

PADDLE THE BRIDGE

Explore our many beautiful lakes and rivers by canoe, kayak, SUP, or boat. Paddle the waterways, seeing Bracebridge from this serene and captivating perspective.

Beach and Paddle Launch Points

STRAWBERRY POINT TRAIL

This trail network takes a diverse route through lowlands, rock cuts, and ends with a hilltop view overlooking Lake Muskoka. Sections of this trail interlock with the Trans Canada Trail, allowing you to explore the Brent Cross Conservation Area and popular birdwatching spots along the first section of the trail.

130 Beaumont Drive

WOODCHESTER STORYBOOK TRAIL

This enchanted trail weaves through the trees in the parkland adjacent to Woodchester, the historic octagonal home. Discover eight panels of a children's storybook on this family friendly adventure. This is a short trail that is easy to navigate, bringing you to an octagonal observation deck overlooking the Muskoka River.

HERITAGE WALKING TRAIL

The Heritage Walking Trail is a great way to learn about the rich history that surrounds Bracebridge's Downtown. The trail guides visitors around Bracebridge Bay with checkpoints to learn about the view in front of you. Updated in 2025 to celebrate Bracebridge 150, the trail now features refreshed signage that brings local history to life. Any day trip to Downtown Bracebridge should include the Heritage Walking Trail. Parking can be found at Kelvin Grove Park or Bracebridge Bay Park.

TRANS CANADA TRAIL

The Trans Canada Trail follows through a variety of woods, fields, and country lanes with some hilly sections thrown in for good measure. About **27km** of this trail system passes through Bracebridge and showcases many of the area's natural attractions including Bracebridge Falls, High Falls and Wilson's Falls.
