How you can make a difference

Sponsorship Opportunities

The following are examples of ways you could support our work – by sponsoring an experience, a role, or a department.

Any help, big or small, is gratefully received and will help us to change lives.

Sponsor a resident stay

INVESTMENT: c.£13k p/a could cover the costs of housing and supporting a man who has experienced homelessness or recently been released from prison.

RETURN: Quarterly, personalised reports sharing updates from the residential programme and impact figures.

Support our food redistribution

INVESTMENT: c.£30k p/a could cover the running costs of our warehouse which houses walk-in freezers and chillers storing surplus stock ready for redistribution.

RETURN: Regular, personalised reports outlining the work delivered and sharing case studies from volunteers or community groups receiving food.

Sponsor a role

INVESTMENT: c.£35k p/a could cover staffing costs for one of our Key Workers, Specialist Support Workers, Housing or Employment Officers, or Volunteer or CFM Coordinators – all experienced, empathetic professionals supporting our programme participants.

RETURN: Regular, personalised reports outlining the individual's work, sharing case studies and covering direct impact figures.

Sponsorship Opportunities

The following are examples of ways you could support our work – by sponsoring an experience, a role, or a department.

Any help, big or small, is gratefully received and will help us to change lives.

Support our prison workshops

INVESTMENT: c.£60–120k p/a depending on prison could contribute to or cover running and/or staffing costs for our prison-based workshops engaging, training and mentoring ex-offenders to reduce reoffending rates.

RETURN: Monthly, personalised reports outlining the team's work, sharing case studies and including directly attributed employment and recycling outcomes.

Sponsor our Specialist Support team

INVESTMENT: up to c.£130k p/a could contribute to or cover running and staffing costs for our specialist support team as they offer one-to-one support and advocacy or guidance to work with specialist services for mental health or addiction.

RETURN: Monthly, personalised reports outlining the team's work and sharing case studies plus annual social value figures of c.£900k.

Support ACE

INVESTMENT: up to c.£200k p/a could contribute to or cover running and/or staffing costs for ACE, our specialist offering supporting people with multiple and complex needs around addiction and offending.

RETURN: Monthly, personalised reports outlining the team's work and sharing case studies plus annual social value figures of more than £2m.
