 **UREKA**
— ELITE —
Premium Dental Chair

Ultimate Patient Comfort

Premium American Leather with Memory Foam

Overhead Delivery Unit

Advanced Disinfection: State-of-the-art disinfection system for comprehensive hygiene.

Double-Arm Assistant Console: The elevated dual-arm design keeps pipes off the floor for better hygiene while allowing assistants full access from all sides, boosting speed & comfort in four-handed dentistry.

Extra Cushions for more comfort

Premium American Leather Upholstery with Memory Foam: Made with soft memory foam and high-quality leather, the chair looks stylish, resists scratches, and is easy to clean every day

Rust free aluminum casting

Multiple color choices of leather cushion

Overhead Delivery Unit

DCI USA LED Light 3 axis rotation: International-grade illumination with balanced colour temperature for precise shade matching and photography.

5-Second Suction Delay: Ensures saliva and blood are fully evacuated before auto-shutoff-keeps lines clear and odour-free.

Overhead Delivery Unit
With Large Instrument
Tray

Top-Fill Water Bottle: Refill chair water without detaching the bottle.

Rust-Free Aluminum Casting: Superior durability and zero corrosion worries guarantee long-term reliability, even in high-moisture clinical settings.

180° Rotatable Side Cabinet: Maintain seamless access and ensure smoother workflow, reduced chairside movement and a more comfortable experience for both doctor and patient

Elegant and beautiful integrated hidden switch:
convenient to operate and easy to clean

Sleek and Elegant curved arm design: Ensures better weight distribution and adds a modern and premium aesthetic to the dental operator.

Thicker chair frame: solid steel beams & heavier seat frames

Stable Ultra large chassis: chair body is stable and won't shake
