

# CALL FOR PAPERS

# AFCS 2025

THE 3RD INTERNATIONAL CONFERENCE ON AVIATION  
FUTURE: CHALLENGES AND SOLUTIONS

## CALL FOR PAPERS

### The 3rd International Conference on Aviation Future: Challenges and Solutions

## AFCS 2025

Ho Chi Minh City, Vietnam, 10-12 December 2025

Every two years, the AFCS conference brings together young and senior researchers to share their research and exchange groundbreaking innovations and trends in aviation and tourism. This year, we are pleased to announce the framework topic:

#### **Smart and Sustainable Journeys: Transforming Aviation and Tourism through Innovation**

We invite you to participate in this premier event, where you can share your research, explore new ideas, and be inspired by innovations in the field.

The AFCS 2025 conference committee accepts abstract submissions on a wide range of topics, including (but not limited to):

- Technological Innovations in Aviation
- Sustainable Aviation
- Aviation Economics and Policy
- Aviation Operations and Management
- Airport and Urban Development
- Airline Operations and Strategies
- Air Traffic Control and Aviation Security
- Aeronautical Engineering and Aircraft Maintenance
- Construction, Engineering and Technology
- Transport, Logistics and Supply Chain
- Consumer Behavior in Travel
- Human resources in Aviation
- ...

#### **IMPORTANT DATES**

- 01 September 2025: Deadline for paper submission
- 15 October 2025: Information on paper submission acceptance
- 15 November 2025: Deadline for early bird registration
- 05 December 2025: Deadline for late registration
- 10-12 December 2025: Conference dates

## SUBMISSION GUIDELINES

Prospective authors are kindly encouraged to submit a short paper via [platform](#) by 01 September 2025. The submitted paper should not exceed five pages and should follow the conference [template](#). Please note that we do NOT accept submissions via email. Only submissions via [platform](#) are considered.

## Important note and Publication opportunity

### *Conference Proceedings*

- All submissions are peer reviewed by the AFCS 2025 Scientific Conference Committee.
- All accepted short papers will be published in Conference Proceedings, indexed in **Scopus** and published by **Springer**.

### *Relevant Journals*

- Selected accepted papers will be invited to submit full papers (10-12 pages) to relevant journals: **IJSA (International Journal of Sustainable Aviation), IJAST (International Journal of Aviation Science and Technology), and Transactions on Aerospace Research.**
- Full paper submissions are subject to peer review by the Journals.

## MORE INFORMATION
