General terms and conditions of sale

CONDIZIONI GENERALI DI VENDITA

1. AMBITO DI VALIDITÀ

- a. Le presenti Condizioni Generali di Vendita si applicano e sono parte integrante di ogni contratto di vendita concluso tra Frag S.r.l. (in seguito, “Frag”) ed il Cliente (in seguito “il Cliente”).
- b. È espressamente esclusa l'applicazione di ogni altra diversa disposizione, anche se indicata dal Cliente in base ad un richiamo da questi fatto alle proprie condizioni contrattuali o di acquisto.
- c. Qualsiasi modifica delle presenti condizioni dovrà essere confermata per iscritto da Frag, la quale potrà indicare diverse specifiche condizioni per ogni offerta o conferma d'ordine, che prevarranno sulle presenti condizioni generali.
- d. Il Cliente dà atto di essere a conoscenza del contenuto delle presenti condizioni generali di vendita, riportate sulla conferma d'ordine e nel listino prezzi.

2. ORDINI E CONCLUSIONE DEL CONTRATTO

- a. Le offerte di Frag non sono impegnative, né vincolanti. Gli ordini verranno considerati validi solo se effettuati per iscritto e trasmessi a Frag, anche via e-mail, agli indirizzi dalla stessa comunicati.
- b. Nessun contratto sarà concluso tra Frag ed il Cliente fino a che non vi sia stata accettazione scritta dell'ordine del Cliente da parte di Frag, tramite conferma d'ordine giunta a conoscenza del Cliente.
- c. Successivamente alla conferma d'ordine, l'ordine non può essere revocato senza autorizzazione scritta di Frag oltre il termine di 3 (tre) giorni lavorativi specificato nelle condizioni.

3. CARATTERISTICHE DEI PRODOTTI – MODIFICHE

- a. Eventuali informazioni o dati sulle caratteristiche e/o specifiche dei prodotti contenute nei listini, cataloghi o documenti simili, sono indicativi e non vincolanti. Frag si riserva di apportare ai prodotti le modifiche che, senza alterarne le caratteristiche essenziali, dovessero risultare necessarie od opportune.
- b. Nel caso di prodotti extra catalogo, Frag si riserva di far approvare per iscritto al Cliente il disegno costruttivo prima di avviare la produzione. Eventuali spese e costi relativi a modifiche del prodotto, richieste dal Cliente rispetto al catalogo o al disegno costruttivo approvato, ove ritenute fattibili da Frag, saranno a carico dal Cliente medesimo.
- c. La Frag si riserva di approvare per iscritto la fattibilità del prodotto, nel caso di richiesta da parte del Cliente di utilizzo di pellami e/o tessuti forniti dal Cliente stesso.

4. PREZZI E PAGAMENTI

- a. Il prezzo di vendita è fissato nella conferma d'ordine e deve intendersi in euro, per unità di prodotto ed è sempre al netto di IVA e di eventuali spese di imballo e di trasporto. Le modalità ed i termini di pagamento sono indicate nella conferma d'ordine. In mancanza, il pagamento deve intendersi dovuto prima della spedizione. I termini di pagamento sono tassativi e Frag non accetta sconti, ribassi o arrotondamenti. I pagamenti devono effettuarsi presso la sede di Frag o presso una delle Banche dalla medesima indicate. L'eventuale accettazione di titoli di credito da parte della Frag avviene sempre salvo buon fine, senza novazione del rapporto sottostante e senza modifica del Foro competente.
- b. Il mancato rispetto dei termini di pagamento concordati determinerà l'applicazione automatica, sulla somma dovuta, degli interessi moratori nella misura prevista dal D.Lgs 231/2002, senza necessità di formale costituzione in mora. Il pagamento sarà dovuto integralmente nei termini pattuiti anche nel caso di ritardo nell'arrivo della merce, o di avarie o perdite parziali o totali verificatesi durante il trasporto, non imputabili a Frag.

5. REVISIONE DEI PREZZI

Il prezzo indicato nella conferma d'ordine, salvo diversamente indicato, rimane invariato fino alla data di consegna indicata nella conferma d'ordine. Se, per richiesta del Cliente o per motivi non imputabili a Frag, la data di consegna viene posticipata, Frag si riserva di rivedere il prezzo applicando al Cliente eventuali aumenti nel frattempo intervenuti, oltre ad eventuali spese di sosta e magazzinaggio. Nel caso in cui i termini di consegna richiesti dal Cliente dovessero eccedere i 3 (tre) mesi dalla data dell'ordine, Frag si riserva il diritto di rivedere il prezzo al momento della consegna.

6. CONSEGNA E TRASPORTO

- a. I costi di trasporto dei prodotti ordinati sono a carico del Cliente, se non diversamente pattuito.
- b. Con la consegna al Cliente, allo spedizioniere, al trasportatore o alla persona comunque incaricata di effettuare il trasporto e, comunque, al più tardi al momento in cui i prodotti escono dallo stabilimento di Frag, il rischio del loro perimento totale o parziale si trasmette al Cliente, salvo diverse pattuizioni che devono risultare per iscritto nei documenti di vendita.
- c. La data di spedizione è indicata nella conferma d'ordine di Frag. Tale data si intende sempre indicativa e non tassativa, né impegnativa. Nel caso in cui, per cause non imputabili a Frag, quest'ultima risulti, temporaneamente o permanentemente impossibilitata ad effettuare la consegna per circostanze di forza maggiore e/o caso fortuito, Frag ne darà tempestiva informazione al Cliente e sarà sollevata dagli obblighi di consegna per tutta la durata dell'impedimento e per tutto il tempo in cui si protraggono gli effetti ad esse conseguenti, nonché da ogni obbligo di risarcimento danni per ritardo o inadempimento nei confronti del Cliente.
- d. Nel caso in cui non sia rispettata da parte del Cliente, anche solo in parte, una delle condizioni stabilite per la fornitura o vendita, o nel caso in cui si verificassero variazioni di qualsiasi genere nella ragione o nella compagine sociale come pure in caso di difficoltà nei pagamenti da parte del Cliente, Frag avrà la facoltà di sospendere le consegne, anche nel caso di ordini confermati e modificare i termini di pagamento.
- e. La conferma d'ordine indica se è previsto un imballo per il prodotto, che, salvo diversa indicazione, si intende standard. Imballi speciali dovranno essere previamente richiesti dal Cliente e saranno confermati da Frag nella conferma d'ordine, con i relativi costi a carico del Cliente.

7. GARANZIA A PUNTO CONSEGNATO

- a. Frag concede una garanzia generica, valida solo fino al punto di consegna indicato sui documenti di trasporto, per i difetti di fabbricazione dei suoi prodotti, della durata di 25 (venticinque) mesi dalla data della fattura. La garanzia consiste e si limita alla riparazione o sostituzione del componente o dei singoli pezzi difettosi, che impediscano il buon funzionamento del prodotto e sempre che si tratti di difetti esistenti sin dall'origine. La sostituzione o l'invio del prodotto riparato si intende eseguita presso il luogo di consegna indicato nel documento di trasporto originale. La garanzia non copre i difetti o i danni causati durante il trasporto o dal Cliente a seguito di negligenza nell'uso o manomissione del prodotto procurata direttamente o indirettamente, ovvero causati

da riparazioni, sostituzione di singoli componenti, manutenzioni effettuate da soggetti non autorizzati da Frag, da imperizia tecnica, ovvero da qualsivoglia circostanza indipendentemente da atti o fatti di Frag.

- b. Ove sia applicabile la garanzia, la stessa è esercitabile unicamente presso la sede della Frag con modalità di trasporto previamente concordate tra le parti.
- c. Il Cliente, a pena di decadenza dalla stessa garanzia, deve denunciare a Frag i vizi o i difetti eventualmente riscontrati, entro otto (8) giorni dal ricevimento della fornitura. La garanzia decade se il Cliente non osserva le condizioni di pagamento ovvero se i guasti lamentati risultano originati da fatti del Cliente stesso, da suoi dipendenti o da terze persone.
- d. Le merci, prodotte da Frag, sono conformi alle leggi vigenti in Italia.
- e. Il Cliente dovrà accertarsi che le merci siano conformi alle leggi del Paese di destinazione delle stesse e dovrà informare Frag tempestivamente, inderogabilmente al momento dell'ordine, delle eventuali modifiche da introdursi. In tal caso Frag sarà libera di rifiutare l'ordine o di addebitare il maggior costo. Nel caso in cui il Cliente non informi tempestivamente Frag di eventuali non conformità delle merci alle leggi del Paese di destinazione, il Cliente assumerà su di sé la relativa responsabilità, manlevando, altresì, Frag da qualsiasi eventuale richiesta di risarcimento danni e/o sanzione e/o similari.
- f. Qualsiasi responsabilità che possa derivare dai prodotti per eventi successivi alla spedizione, ivi compresi eventuali danni a persone o a cose sarà ad esclusivo carico del Cliente.
- g. La garanzia è espressamente esclusa nel caso di materiali e/o tessuti forniti dal Cliente.

8. MERCE DI RITORNO

- a. Salvo casi specifici e accettati per iscritto, Frag non accetta resi di prodotti.
- b. Ogni reso deve essere preceduto da un reclamo scritto da parte del Cliente e deve essere preventivamente autorizzato per iscritto da Frag. Le spese di spedizione del reso sono a carico del Cliente e la merce si intende ‘porto franco’ fino allo stabilimento Frag.
- c. Frag si riserva l'esame della merce restituita per verificare l'applicabilità della garanzia e, in caso di accertamento di un difetto imputabile a Frag, questa provvederà a sostituire i prodotti difettosi, ovvero ad emettere nota di accredito, sempre che sia ancora operante la garanzia. In caso contrario la merce verrà restituita al Cliente con spese di trasporto e di reso a carico di quest'ultimo.

9. RECLAMI E CONTESTAZIONI

Il Cliente è tenuto ad esaminare la merce ricevuta e a comunicare nel dettaglio, per iscritto, a Frag, eventuali vizi riscontrati o riscontrabili ad un primo esame, o qualsiasi altro reclamo in relazione ai prodotti. Nel caso in cui il Cliente non effettui la comunicazione di cui sopra entro 8 (otto) giorni dal ricevimento, i prodotti saranno considerati definitivamente accettati e conformi a quanto stabilito dal contratto di vendita. Resta inteso che le eventuali contestazioni riguardanti una parte della merce consegnata o una singola spedizione di merce non avranno effetto alcuno sul resto dell'ordine, né sul pagamento di altra merce già ricevuta e non contestata tempestivamente.

10. PROPRIETÀ INTELLETTUALE DI FRAG

- a. Il Cliente riconosce espressamente che i marchi, nomi di commercio o altri segni distintivi apposti sulla merce sono di esclusiva proprietà di Frag e non possono essere alterati, modificati, rimossi o cancellati in qualsiasi modo. Il Cliente ha il limitato diritto di uso dei marchi, nomi di commercio o altri segni distintivi, così come di ogni altro diritto di privativa industriale o know-how produttivo e commerciale incorporato nella merce e che rimane di proprietà esclusiva di Frag, al solo e limitato fine di rivendere la merce al pubblico. L'acquirente che proceda alla rivendita dei prodotti Frag è tenuto a rispettare integralmente la presentazione originale dei prodotti senza possibilità di sopprimere i marchi di fabbrica, né di apporre alcuna modifica e/o alterazione e/o rimozione nemmeno nell'utilizzo dei marchi o altri segni distintivi effettuato via Internet.
- b. Ogni diverso utilizzo della proprietà intellettuale di Frag da parte del Cliente, se non espressamente concesso dalla stessa Frag per iscritto, si intenderà violazione da parte del Cliente dei predetti diritti esclusivi di Frag, anche sotto il profilo della responsabilità contrattuale e, come tale, sarà perseguito, oltre a far assumere a Frag il diritto al risarcimento del danno.

11. PROPRIETÀ INDUSTRIALE DI FRAG

- a. I documenti, disegni, cataloghi, dati ed informazioni (sia in forma cartacea, sia su supporto elettronico) che dovessero venire consegnati al Cliente, rimangono di esclusiva proprietà di Frag e costituiscono supporto per una migliore rappresentazione del prodotto e sono indicativi delle prestazioni del prodotto stesso.
- b. Il Cliente si impegna a non riprodurli, a non divulgarli a terzi e ad assumere altresì le opportune cautele nei confronti del proprio personale al fine di garantirne la tutela.

12. VENDITA CON RISERVA DI PROPRIETÀ

La vendita con pagamenti rateali e/o posticipati si intende con riserva di proprietà in capo a Frag fino all'integrale pagamento dell'importo dovuto, ex art. 1523 c.c. italiano, rimanendo a carico del Cliente tutti i rischi sin dal momento della spedizione dei prodotti oggetto della fornitura, salvo diversa pattuizione scritta risultante nella conferma d'ordine.

13. LEGGE APPLICABILE - FORO COMPETENTE

Il contratto di vendita sarà regolato ed interpretato secondo la legge della Repubblica Italiana. Per qualsiasi controversia tra le parti, relativa ai rapporti di compravendita, alla loro instaurazione, esecuzione, interpretazione o cessazione, sarà esclusivamente competente il Foro di Udine, Italia.

GENERAL TERMS AND CONDITIONS OF SALE

1. SCOPE

- a. These General Terms and Conditions of Sale shall apply to and form an integral part of all sales agreements concluded between Frag S.r.l. (hereinafter, “Frag”) and the Customer (hereinafter “Customer”).

- b. The application of any other provision is expressly excluded, even if indicated by the Customer and based on a reference in their contractual terms and conditions or purchase agreement.
- c. Any modification of these conditions, which shall be confirmed in writing by Frag, may indicate a number of specific conditions for each offer or order confirmation, and shall prevail over these general terms and conditions.
- d. The Customer acknowledges that they are aware of the contents of these general terms and conditions of sale; said terms and conditions are specified on the order confirmation and in the price list.

2. ORDERS AND CONCLUSION OF THE CONTRACT

- a. Offers provided by Frag are non-binding. Orders shall be considered valid only if made in writing and transmitted to Frag, even via e-mail, to the addresses provided by the latter.
- b. No agreement shall be concluded between Frag and the Customer until Frag has provided written acceptance of the Customer's order by means of an order confirmation which has come to the knowledge of the Customer.
- c. Once the order confirmation has been issued, the order can only be revoked with the written permission of Frag and within the term of 3 (three) working days as specified in the terms and conditions.

3. PRODUCT CHARACTERISTICS - MODIFICATIONS

- a. Any information or data relating to the characteristics and/or specifications of the products contained in price lists, catalogues and similar documents are given as an indication and are non-binding. Frag reserves the right to make changes to the products which, without altering the fundamental characteristics of the products themselves, appear to be necessary or appropriate.
- b. In the event of non-catalogued products, Frag reserves the right to obtain approval by the Customer for the construction drawing before commencing production. Any expenses and costs related to changes with respect to the catalogue or the approved construction drawing requested by the customer, when these are deemed feasible by Frag, shall be borne by the Customer.
- c. In the event the Customer requests the use of hides/skins and/or fabrics provided by themselves, Frag reserves the right to provide written approval regarding the feasibility of the product.

4. PRICES AND PAYMENTS

- a. The sales price shall be that stated in the order confirmation. The price is expressed in Euro per product unit and is indicated net of VAT and any packaging and transport costs. The methods and terms of payment are indicated in the order confirmation. In the absence of such indications, the payment shall be due prior to shipment. Payment terms are mandatory and Frag does not accept discounts, rebates or rounded figures. Payments must be made either at the Frag headquarters or at one of the Banks listed by the latter. The acceptance of credit titles by Frag is always to be deemed subject to final payment, without novation of the underlying contract and changes in the competent court.
- b. Failure to comply with the agreed payment terms shall automatically determine the application of any default interest at the statutory rate on the amount due, calculated in accordance with the provision of Italian Legislative Decree N. 231/2002, without the need for formal notice. The payment shall be due in full within the stipulated terms, even in the event of a delay in the delivery of the goods or damage or partial or total losses incurred during shipment and such are not attributable to Flag.

5. PRICE ADJUSTMENTS

The price shown in the order confirmation, unless otherwise indicated, remains unchanged until the date of delivery specified in the order confirmation. If the delivery date is postponed due to the request of the Customer or for reasons outside the control of Frag, the latter reserves the right to review the price, applying to the Customer any increases that occurred in the meantime, in addition to any parking and storage costs. In the event that the delivery terms requested by the customer should exceed 3 (three) months from the date of the order, Frag reserves the right to review the price at the time of delivery.

6. STORAGE AND TRANSPORT

- a. Unless otherwise stipulated, transport costs for the ordered goods are charged to the Customer.
- b. Unless otherwise specified in writing in the sales documents, upon delivery to the Customer, the forwarder, the carrier or whoever is responsible for transporting the goods, and in any case, at the latest, at the time the products leave the Frag production facility, the risk of their total or partial deterioration/damage is transmitted to the Customer.
- c. The delivery date is specified by Frag in the order confirmation. This date is given as an indication and is not to be considered a final deadline or binding. In the event that, for reasons not attributable to Frag, the latter is temporarily or permanently unable to make delivery due to force majeure and/or unforeseeable circumstances, Frag will promptly inform the Customer and will be released from the obligation to deliver for the entire duration of the force majeure and/or circumstances and their related consequences, as well as from any obligation to provide compensation for damages caused by the delay or non-performance.
- d. In the event the Customer does not comply, even only in part, with one of the stipulated terms and conditions of sale or delivery, or if there are variations of any kind in the company name or the Customer is having difficulties with payments, Frag shall have the right to suspend deliveries, even as regards confirmed orders, and to modify the terms of payment.
- e. The order confirmation specifies whether packaging for the product is provided which, unless otherwise indicated, refers to standard packaging. Special packaging shall be requested beforehand by the Customer and shall be confirmed by Frag in the order confirmation. The relative costs shall also be specified in the order confirmation and shall be charged to the Customer.

7. WARRANTY

- a. Frag products carry a warranty against manufacturing defects for a period of 25 (twenty-five) months from the date of the invoice, that is valid exclusively at the delivery address stated in the delivery document. The warranty provides cover and is limited to the repair or replacement of the component or the defective individual parts that prevent the correct functioning of the product, provided that such defects were present from the outset. The replacement or repaired item will be delivered exclusively at the address indicated in the original delivery document. The warranty does not cover defects or damage that have occurred during transit or when attributable to the Customer, either directly or indirectly, as a result of negligence or tampering, or due to repair work, the replacement of individual components, maintenance carried out by parties not authorised by Frag, a lack of technical competence or for any other reason, irrespective of any other act or fact related to Frag.
- b. Where the warranty is applicable, warranty services can only be provided at the Frag headquarters and the transport mode shall be agreed upon in advance by the parties.
- c. The Customer is obliged to report any faults or defects to Frag within eight (8) days of receiving the delivery; failing such notification, the relative warranty shall be forfeited. The warranty shall be rendered void if the Customer does not observe the terms of payment or if the alleged failures are found to derive from actions of the same, its employees or third parties.

- d. The goods produced by Frag comply with the applicable laws of Italy.
- e. The Customer shall verify that the goods comply with the laws of the country of destination of the supply and shall, without fail, at the time the order is placed, promptly inform Frag of any changes that need to be made. In the event that changes are to be made, Frag shall be free to decline the order or to charge for the additional cost. The Customer shall promptly inform Frag of any non-conformity of the goods according to the laws of the country of destination and shall be held exclusively responsible for any such instances, indemnifying and holding Frag harmless from any claims for damages and/or penalty and/or other losses.
- f. Any liability that may arise in relation to the products and regarding events subsequent to shipment, including any damages or injury caused to persons or property shall be the sole responsibility of the Customer.
- g. The warranty shall be expressly excluded in the event of materials and/or fabrics supplied by the Customer.

8. RETURNED GOODS

- a. Except in specific cases and agreed in writing, Frag does not accept returned products.
- b. Each returned product must be preceded by a written complaint from the Customer and all returns are subject to prior written authorisation by Frag. The Customer is responsible for transport charges related to returned products and the goods shall be delivered 'carriage paid' to the Frag plant.
- c. Frag reserves the right to examine the returned goods in order to verify warranty applicability and if a defect is identified and attributable to Frag, provided that warranty coverage is still valid, the latter shall replace the defective products or issue a credit note. If this is not the case, the goods shall be returned to the Customer with transport and return delivery costs charged to the latter.

9. RETURNS AND COMPLAINTS

The Customer shall be obliged to inspect the received goods and shall provide written detailed information to Frag regarding any faults identified at first sight, defects that need to be checked, or any other claim related to the products. If the Customer fails to provide the aforementioned notification within 8 (eight) days of receipt, the goods shall be considered as definitively accepted and deemed to comply with the terms and conditions of sale. It is understood that any disputes concerning a part of the delivered goods or a single shipment of goods shall not have any effects on the remaining part of the order or on the payment of other goods previously received and for which a claim was not promptly received.

10. INTELLECTUAL PROPERTY RIGHTS OF FRAG

- a. The Customer expressly acknowledges that the trademarks, trade names or other distinguishing marks affixed to the goods are the exclusive property of Frag and shall not be altered, modified, removed or deleted in any way. The Customer has the limited right to use, for the sole and limited purpose of reselling the goods to the public, the trademarks, trade names or other distinguishing marks and any other industrial or intellectual property rights, as well as the manufacturing and commercial knowledge incorporated in the goods, which remain the exclusive property of Frag. The purchaser that resells products produced by Frag shall comply in full with the original presentation of the products and shall have no right to eliminate, or make any changes and/or alter and/or remove the trademarks, even when utilising such trademarks or other distinguishing marks via the Internet.
- b. Any other use by the Customer of the intellectual property belonging to Frag, except as expressly authorised in writing by the latter, shall be deemed a violation of said exclusive rights of Frag, also in terms of contractual liability, and as such shall be pursued and Frag shall be entitled to claim compensation for damages.

11. INDUSTRIAL PROPERTY RIGHTS OF FRAG

- a. Documents, drawings, catalogues, technical specifications and information (whether in hard copy or in electronic form) that may be delivered to the Customer shall remain the exclusive property of Frag. Such documentation serves to better represent the product and to provide indications on the performance of the product itself.
- b. The Customer undertakes not to reproduce or to disclose such documentation to third parties and also agrees to take the appropriate precautionary measures among its own personnel to ensure its protection.

12. SALE WITH RETENTION OF TITLE

Payment by instalments and/or deferred payments are sales with retention of title in favour of Frag until the amount due has been fully repaid, pursuant to Article 1523 of the Italian Civil Code. All risks related to the products that are the object of the supply, shall be borne exclusively by the Customer from the time of shipment unless agreed otherwise in writing in the order confirmation.

13. APPLICABLE LAW AND JURISDICTION

The contract of sale shall be governed and construed in accordance with the law of the Italian Republic. The competent Law Courts of Udine, Italy shall have exclusive jurisdiction for any dispute arising between the parties on the establishment, execution, interpretation or termination of this contact.

ALLGEMEINE VERKAUFSBEDINGUNGEN

1. GELTUNGSBEREICH

- a. Diese Allgemeinen Verkaufsbedingungen gelten und sind Bestandteil eines jeden zwischen der Frag S.r.l. (nachfolgend „Frag“) und dem Kunden (nachfolgend „der Kunde“) abgeschlossenen Kaufvertrages.
- b. Die Anwendung sonstiger Bestimmungen wird ausdrücklich ausgeschlossen, auch wenn der Kunde aufgrund eines Verweises auf seine eigenen Vertrags- oder Kaufbedingungen darauf hinweist.
- c. Jede Änderung dieser Bedingungen muss von Frag schriftlich bestätigt werden, wobei von ihr für jedes Angebot oder jede Auftragsbestätigung andere spezifische Bedingungen angegeben werden können, die Vorrang vor diesen allgemeinen Bedingungen haben.

- d. Der Kunde bestätigt, dass er den Inhalt dieser allgemeinen Verkaufsbedingungen, in der Auftragsbestätigung und in der Preisliste verfügbar sind, zur Kenntnis genommen hat.
- 2. BESTELLUNGEN UND VERTRAGSABSCHLUSS.**
- a. Die Angebote von Frag sind weder verpflichtend noch bindend. Bestellungen sind nur gültig, wenn sie schriftlich erfolgen und an Frag, auch per E-Mail, an die von ihr mitgeteilten Adressen übermittelt werden.
- b. Ein Vertrag zwischen Frag und dem Kunden kommt erst dann zustande, wenn Frag die Bestellung des Kunden durch eine Auftragsbestätigung, die dem Kunden zur Kenntnis gekommen ist, schriftlich angenommen hat.
- c. Nach der Auftragsbestätigung kann der Auftrag nur mit schriftlicher Zustimmung von Frag über die in den Bedingungen genannten 3 (drei) Werktagen hinaus widerrufen werden.
- 3. PRODUKTEIGENSCHAFTEN – ÄNDERUNGEN**
- a. Etwaige in den Preislisten, Katalogen oder ähnlichen Dokumenten enthaltene Informationen oder Daten über die Eigenschaften und/oder Spezifikationen der Produkte sind indikativ und unverbindlich. Frag behält sich das Recht vor, Änderungen an den Produkten vorzunehmen, die, ohne ihre wesentlichen Eigenschaften zu verändern, notwendig oder angemessen sein könnten.
- b. Bei Sonderanfertigungen behält sich Frag das Recht vor, vor Beginn der Produktion eine schriftliche Genehmigung der Konstruktionszeichnung durch den Kunden einzuholen. Alle Ausgaben und Kosten im Zusammenhang mit Produktänderungen, die der Kunde in Bezug auf den Katalog oder die genehmigte Konstruktionszeichnung wünscht, soweit sie von Frag für machbar erachtet werden, gehen zu Lasten des Kunden.
- c. Frag behält sich das Recht vor, die Machbarkeit des Produkts schriftlich zu genehmigen, falls der Kunde die Verwendung von Leder und/oder Stoffen, die vom Kunden selbst geliefert werden, verlangt.
- 4. PREISE UND ZAHLUNGEN**
- a. Der Verkaufspreis wird in der Auftragsbestätigung festgelegt und ist in Euro pro Produkteinheit, stets zuzüglich Mehrwertsteuer und eventueller Verpackungs- und Transportkosten zu verstehen. Die Zahlungsbedingungen sind in der Auftragsbestätigung angegeben. Andernfalls ist die Zahlung vor dem Versand fällig. Die Zahlungsbedingungen sind strikt einzuhalten und Frag akzeptiert keine Skonti, Rabatte oder Abrundungen. Zahlungen sind am Sitz von Frag oder bei einer der von Frag angegebenen Banken zu leisten. Die Annahme von Schuldtiteln durch Frag steht immer unter dem Vorbehalt der Vollendung, ohne Novation des zugrunde liegenden Verhältnisses und ohne Änderung des zuständigen Gerichts.
- b. Die Nichteinhaltung der vereinbarten Zahlungsbedingungen führt zur automatischen Anwendung von Verzugszinsen auf den geschuldeten Betrag in dem im Gesetzesdekret 231/2002 vorgesehenen Umfang, ohne dass es einer förmlichen Inverzugsetzung bedarf. Die Zahlung ist auch bei verspätetem Eintreffen der Ware oder bei teilweiser oder vollständiger Beschädigung oder Verlust während des Transports, der nicht von Frag zu vertreten ist, innerhalb der vereinbarten Fristen fällig.
- 5. PREISREVISION**
- Der in der Auftragsbestätigung angegebene Preis bleibt, sofern nicht anders angegeben, bis zu dem in der Auftragsbestätigung angegebenen Liefertermin unverändert. Wird der Liefertermin auf Wunsch des Kunden oder aus Gründen, die nicht von Frag zu vertreten sind, verschoben, behält sich Frag das Recht vor, den Preis zu ändern, indem zwischenzeitlich eingetretene Erhöhungen sowie die Kosten für Aufenthalt und Lagerung dem Kunden in Rechnung gestellt werden. Für den Fall, dass die vom Kunden gewünschten Lieferfristen länger als 3 (drei) Monate ab Bestelldatum sind, behält sich Frag das Recht vor, den Preis zum Zeitpunkt der Lieferung zu ändern.
- 6. LIEFERUNG UND TRANSPORT**
- a. Die Transportkosten der bestellten Produkte gehen zu Lasten des Kunden, sofern nichts anderes vereinbart ist.
- b. Mit der Übergabe an den Kunden, den Spediteur, den Frachtführer oder die mit der Durchführung des Transports beauftragte Person, spätestens jedoch mit dem Verlassen des Werkes von Frag, geht die Gefahr des vollständigen oder teilweisen Verlustes auf den Kunden über, sofern in den Verkaufsunterlagen nichts anderes schriftlich vereinbart ist.
- c. Das Versanddatum ist in der Auftragsbestätigung von Frag angegeben. Dieses Datum ist immer indikativ und weder obligatorisch noch bindend. Für den Fall, dass Frag aus Gründen, die Frag nicht zu vertreten hat, die Lieferung infolge höherer Gewalt und/oder unvorhergesehener Ereignisse vorübergehend oder dauerhaft unmöglich ist, wird die Firma Frag den Kunden unverzüglich informieren und von ihren Lieferverpflichtungen für die gesamte Dauer der Behinderung und für die Dauer der Folgewirkungen sowie von der Verpflichtung zur Leistung von Verzugs- oder Nichteinhaltungsschäden gegenüber dem Kunden entbunden.
- d. Für den Fall, dass der Kunde eine der für die Lieferung oder den Verkauf festgelegten Bedingungen nicht oder nur teilweise einhält, oder im Falle von Änderungen irgendwelcher Art der Firmenbezeichnung oder -struktur sowie im Falle von Zahlungsschwierigkeiten des Kunden, ist Frag berechtigt, die Lieferungen auch bei bestätigten Aufträgen auszusetzen und die Zahlungsbedingungen zu ändern.
- e. In der Auftragsbestätigung ist angegeben, ob für das Produkt eine Verpackung vorgesehen ist, die, wenn nicht anders vorgesehen, Standard ist. Sonderverpackungen sind vom Kunden vorab anzufordern und werden von Frag in der Auftragsbestätigung bestätigt, wobei die entsprechenden Kosten vom Kunden zu tragen sind.
- 7. GEWÄHRLEISTUNG**
- a. Frag gewährt eine allgemeine Garantie, ausschließlich bis der Anlieferungsadresse auf die Transportdokumente angegeben, für Fabrikationsfehler seiner Produkte für einen Zeitraum von 25 (fünfundzwanzig) Monaten ab Rechnungsdatum. Die Garantie umfasst und beschränkt sich auf die Reparatur oder den Austausch der defekten Komponente oder einzelner defekter Teile, die das einwandfreie Funktionieren des Produkts verhindern und sofern es sich um von vornherein vorhandene Mängel handelt. Der Ersatz oder Versand des reparierten Produkts versteht sich bis zur Anlieferungsadresse an der originalen Transportdokumente angegeben. Die Garantie deckt nicht Mängel oder Schäden, die während des Transports oder durch den Kunden infolge von Fahrlässigkeit bei der Verwendung oder direkt oder indirekt erfolgter Manipulation des Produkts oder durch Reparaturen, den Austausch einzelner Komponenten, die Wartung durch nicht von Frag autorisierte Personen, durch technische Unerfahrenheit oder durch irgendwelche Umstände, unabhängig von Handlungen oder Sachverhalten von Frag, verursacht wurden.
- b. Soweit die Garantie anwendbar ist, kann sie nur am Firmensitz von Frag mit einer zuvor zwischen den Parteien vereinbarten Transportmodalität ausgeübt werden.
- c. Der Kunde muss Frag, bei sonstigem Verfall selbiger Garantie, alle festgestellten Fehler oder Mängel innerhalb von acht (8) Tagen nach Erhalt der Lieferung melden. Die Gewährleistung erlischt, wenn der Kunde die Zahlungsbedingungen nicht einhält oder wenn die geltend gemachten Störungen auf Handlungen des Kunden, seiner Mitarbeiter oder Dritter zurückzuführen sind.

- d. Die von Frag hergestellten Waren entsprechen den in Italien geltenden Gesetzen.
- e. Der Kunde hat dafür Sorge zu tragen, dass die Ware den Gesetzen des Bestimmungslandes entspricht, und Frag rechtzeitig, unabdingbar zum Zeitpunkt der Bestellung, über alle vorzunehmenden Änderungen zu informieren. In diesem Fall steht es Frag frei, die Bestellung abzulehnen oder die höheren Kosten in Rechnung zu stellen. Für den Fall, dass der Kunde Frag nicht unverzüglich über eine etwaige Nichtübereinstimmung der Ware mit den Gesetzen des Bestimmungslandes informiert, übernimmt der Kunde die diesbezügliche Verantwortung auf eigene Rechnung und stellt Frag ebenso von etwaigen Schadenersatz- und/oder Sanktionsansprüchen und/oder ähnlichem frei.
- f. Jegliche Haftung, die sich aus den Produkten für Ereignisse nach dem Versand ergeben könnte, einschließlich Personen- oder Sachschäden, obliegt ausschließlich dem Kunden.
- g. Die Gewährleistung wird ausdrücklich ausgeschlossen, wenn es sich um vom Kunden gelieferte Materialien und/oder Stoffe handelt.
- 8. RETOUREN**
- a. Außer in besonderen Fällen und mit schriftlicher Genehmigung akzeptiert Frag keine Rücksendungen von Produkten.
- b. Jeder Rücksendung muss eine schriftliche Reklamation des Kunden vorausgehen und sie muss von Frag vorher schriftlich genehmigt werden. Die Versandkosten der Rücksendung werden dem Kunden in Rechnung gestellt und die Ware gilt bis zum Werk von Frag als „Freihafen“.
- c. Frag behält sich das Recht vor, die zurückgesandte Ware zu kontrollieren, um die Anwendbarkeit der Garantie zu überprüfen und bei Feststellung eines Defekts, der auf Frag zurückzuführen ist, die defekten Produkte zu ersetzen oder eine Gutschrift auszustellen, sofern die Garantie noch in Kraft ist. Andernfalls wird die Ware an den Kunden mit Transport- und Rücksendekosten zu Lasten des Letzteren zurückgesandt.
- 9. REKLAMATIONEN UND BEANSTANDUNGEN**
- Der Kunde ist verpflichtet, die erhaltene Ware zu kontrollieren und Frag die bei einer ersten Untersuchung festgestellten oder feststellbaren Mängel oder sonstige Reklamationen in Bezug auf die Produkte detailliert schriftlich mitzuteilen. Falls der Kunde die oben genannte Mitteilung nicht innerhalb von 8 (acht) Tagen nach Erhalt macht, gelten die Produkte als endgültig akzeptiert und in Übereinstimmung mit den Bestimmungen des Kaufvertrages. Es wird davon ausgegangen, dass Beanstandungen, die sich auf einen Teil der gelieferten Ware oder eine einzelne Warensendung beziehen, keinen Einfluss auf den Rest der Bestellung oder auf die Bezahlung anderer bereits erhaltener und nicht fristgerecht beanstandeter Waren haben.
- 10. GEISTIGES EIGENTUM VON FRAG**
- a. Der Kunde erkennt ausdrücklich an, dass Marken, Handelsnamen oder andere Kennzeichen, die an der Ware angebracht sind, ausschließliches Eigentum von Frag sind und in keiner Weise verändert, modifiziert, entfernt oder gelöscht werden dürfen. Der Kunde hat das bedingte Recht, Warenzeichen, Handelsnamen oder andere Kennzeichen so wie jedes andere gewerbliche Schutzrecht oder Herstellungs- und Handels-Know-how, das in die Waren eingearbeitet ist und das ausschließliches Eigentum von Frag bleibt, für den alleinigen und eingeschränkten Zweck des Weiterverkaufs der Waren an die Öffentlichkeit zu verwenden. Der Käufer, der die Frag-Produkte weiterverkauft, ist verpflichtet, die ursprüngliche Präsentation der Produkte ohne die Möglichkeit, die Markenzeichen zu entfernen, in vollem Umfang zu respektieren und keine Anpassung und/oder Änderung und/oder Entfernung vorzunehmen, auch nicht bei der Verwendung der Marken oder anderer Kennzeichen, die über das Internet vorgenommen werden.
- b. Jede anderweitige Nutzung des geistigen Eigentums von Frag durch den Kunden, es sei denn, dies ist ausdrücklich schriftlich von Frag selbst gestattet, gilt als Verletzung der vorgenannten ausschließlichen Rechte von Frag durch den Kunden, auch unter dem Gesichtspunkt der vertraglichen Haftung, und wird als solche strafrechtlich verfolgt, zusätzlich zu dem Anspruch von Frag auf Schadenersatz.
- 11. GEWERBLICHES EIGENTUM VON FRAG**
- a. Die Unterlagen, Zeichnungen, Kataloge, Daten und Informationen (ob in Papier- oder elektronischer Form), die dem Kunden zur Verfügung gestellt werden sollten, bleiben das ausschließliche Eigentum von Frag und stellen eine Unterstützung für eine bessere Darstellung des Produkts dar und sind ein Indikator für die Leistung des Produkts selbst.
- b. Der Kunde verpflichtet sich, sie nicht zu vervielfältigen, nicht an Dritte weiterzugeben und auch gegenüber seinem eigenen Personal angemessene Vorkehrungen zu treffen, um deren Schutz zu gewährleisten.
- 12. VERKAUF UNTER EIGENTUMSVORBEHALT**
- Der Verkauf mit Ratenzahlungen und/oder aufgeschobenen Zahlungen ist unter Eigentumsvorbehalt von Frag bis zur vollständigen Bezahlung des geschuldeten Betrages gemäß Art. 1523 des italienischen Bürgerlichen Gesetzbuches vorgesehen, wobei weiterhin alle Risiken ab dem Zeitpunkt des Versands der Produkte, die Gegenstand der Lieferung sind, zu Lasten des Kunden gehen, sofern in der Auftragsbestätigung nichts anderes schriftlich vereinbart wurde.
- 13. ANWENDBARES RECHT - RICHTSSTAND**
- Der Kaufvertrag wird nach dem Recht der Italienischen Republik geregelt und ausgelegt. Für alle Streitigkeiten zwischen den Parteien, die sich auf die Kauf- und Verhältnisse, deren Begründung, Durchführung, Auslegung oder Beendigung beziehen, ist ausschließlich das Gericht von Udine, Italien, zuständig.

CONDITIONS GÉNÉRALES DE VENTE

- 1. VALIDITÉ**
- a. Les présentes conditions générales de vente s’appliquent et font partie intégrante de chaque contrat de vente conclu entre la société Frag S.r.l. (ci-après « Frag ») et le Client (ci-après « le Client »).
  - b. L’application de toute autre disposition est expressément exclue, même si elle est indiquée par le Client sur la base d’un renvoi de ce dernier à ses propres conditions contractuelles ou d’achat.
  - c. Toute modification des présentes conditions devra être confirmée par écrit par Frag, qui pourra indiquer des conditions spécifiques différentes pour chaque offre ou confirmation de commande, qui prévaudront sur les présentes conditions générales.
  - d. Le Client déclare connaître le contenu des présentes conditions générales de vente, disponibles sur la confirmation de commande et sur le barème de prix.
- 2. COMMANDES ET CONCLUSION DU CONTRAT**
- a. Les offres de Frag ne sont pas fermes, ni contraignantes. Les commandes ne seront considérées comme valables que si elles sont effectuées par écrit et transmises, par courriel également, à Frag, aux adresses communiquées par cette dernière.
  - b. Aucun contrat ne sera conclu entre Frag et le Client tant que Frag n’aura pas accepté par écrit la commande du Client, en transmettant à ce dernier la confirmation de commande.
  - c. Après la confirmation de commande, la commande ne peut pas être annulée sans l’autorisation écrite de Frag au-delà du délai de 3 (trois) jours ouvrables spécifié dans les conditions.
- 3. CARACTÉRISTIQUES DES PRODUITS - MODIFICATIONS**
- a. Toute information ou donnée éventuelle sur les caractéristiques et/ou les spécifications des produits figurant dans les barèmes, catalogues ou autres documents semblables est fournie à titre indicatif et n’est pas contraignante. Frag se réserve le droit d’apporter aux produits les modifications qui, sans altérer leurs caractéristiques essentielles, s’avèreraient nécessaires et opportunes.
  - b. Dans le cas de produits hors catalogue, Frag se réserve le droit de faire approuver le dessin de fabrication par écrit au Client avant de lancer la production. Toute dépense ou coût éventuel, lié à des modifications du produit, demandées par le Client par rapport au catalogue ou au dessin de fabrication approuvé et considérées comme faisables par Frag, seront à la charge du Client.
  - c. Frag se réserve d’approuver par écrit la faisabilité du produit, si le Client demande d’utiliser des peaux et/ou des tissus fournis par le Client lui-même.
- 4. PRIX ET PAIEMENTS**
- a. Le prix de vente est fixé dans la confirmation de commande, en euros, par unité de produit et il est toujours hors TVA et frais éventuels d’emballage et de transport. Les modalités et les conditions de paiement sont indiquées dans la confirmation de commande. En leur absence, le paiement est dû avant l’expédition. Les délais de paiement sont impératifs et Frag n’accepte pas de remises, rabais ou arrondissements. Les paiements doivent être effectués au siège de Frag ou auprès d’une des banques indiquées par cette dernière. L’acceptation éventuelle de titres de créance par Frag se fait toujours sauf bonne fin, sans novation du rapport sous-jacent et sans modification du tribunal compétent.
  - b. Le non-respect des délais de paiement convenus entraînera l’application automatique, sur la somme due, des intérêts de retard calculés conformément au Décret législatif 231/2002, sans qu’une mise en demeure formelle ne soit nécessaire. Le paiement sera entièrement dû dans les délais convenus même en cas de retard d’arrivée de la marchandise, ou de pannes ou pertes partielles ou totales survenues lors du transport, non imputables à Frag.
- 5. RÉVISION DES PRIX**
- Le prix indiqué dans la confirmation de commande, sauf indication contraire, reste inchangé jusqu’à la date de livraison figurant sur la confirmation de commande. Si la date de livraison est reportée à la demande du Client ou pour des motifs non imputables à Frag, Frag se réserve le droit de revoir le prix en appliquant au Client toute augmentation éventuellement survenue entre-temps, en plus des frais éventuels d’attente et d’entreposage. Si les délais de livraison demandés par le Client dépassent les 3 (trois) mois à compter de la date de commande, Frag se réserve le droit de revoir le prix au moment de la livraison.
- 6. LIVRAISON ET TRANSPORT**
- a. Les frais de transport des produits commandés sont à la charge du Client, sauf accord différent.
  - b. Avec la remise au Client, à l’expéditionnaire, au transporteur ou à toute personne chargée d’effectuer le transport et, dans tous les cas, au plus tard au moment où les produits quittent l’établissement de Frag, le risque de leur détérioration totale ou partielle est transmis au Client, sauf accords différents stipulés par écrit sur les documents de vente.
  - c. La date d’expédition est indiquée sur la confirmation de commande de Frag. Cette date est toujours fournie à titre indicatif et elle n’est pas impérative ni contraignante. Si Frag se trouve dans l’impossibilité, provisoire ou permanente, d’effectuer la livraison pour des motifs qui ne lui sont pas imputables, pour des raisons de force majeure et/ou de cas fortuit, Frag en informera rapidement le Client et sera libérée des obligations de livraison pendant toute la durée de l’empêchement et tant que les effets qui en découlent se prolongeront. Frag sera également libérée de toute obligation d’indemnisation pour retard ou manquement vis-à-vis du Client.
  - d. Si le Client ne respecte pas, même partiellement, l’une des conditions établies pour la fourniture ou la vente, ou dans le cas d’une variation quelconque de la raison ou la composition sociale du Client ainsi qu’en cas de difficultés de paiement de sa part, Frag aura le droit de suspendre les livraisons, même dans le cas de commandes confirmées, et de modifier les conditions de paiement.
  - e. La confirmation de commande indique si un emballage est prévu pour le produit, qui, sauf indication contraire, sera un emballage standard. Tout emballage spécial devra être demandé au préalable par le Client et sera confirmé par Frag dans la confirmation de commande, avec les frais correspondants à la charge du Client.
- 7. GARANTIE**
- a. Frag accorde une garantie générale, seulement jusqu’au lieu de livraison indiqué sur les documents de transport, sur les défauts de fabrication de ses produits, d’une durée de 25 (vingt-cinq) mois à compter de la date de la facture. La garantie concerne et est limitée à la réparation ou au remplacement du composant et des pièces défectueuses, qui empêchent le bon fonctionnement du produit à condition qu’il s’agisse de défauts existants dès l’origine. Le remplacement ou l’envoi du produit réparé est entendu jusqu’au lieu de livraison indiqué sur les documents de transport originaux. La garantie ne couvre pas les défauts ou les dommages causés durant le transport ou par le Client suite à une utilisation négligente ou à la manipulation, directe ou indirecte, du produit, ou

- bien par des opérations de réparation, de remplacement de composants ou d’entretien effectuées par des sujets non autorisés par Frag, par l’inexpérience technique ou par toute autre circonstance indépendante de la volonté de Frag.
  - b. Si elle est applicable, la garantie ne peut être exercée qu’au siège de Frag selon des modalités de transport convenues au préalable entre les parties.
  - c. Le Client, sous peine d’invalidité de la garantie, doit dénoncer à Frag les vices ou les défauts éventuellement découverts dans les huit (8) jours suivant la réception de la fourniture. La garantie perd sa validité si le Client ne respecte pas les conditions de paiement ou si les anomalies dénoncées ont été provoquées par le Client lui-même, ses employés ou des tiers.
  - d. Les marchandises, produites par Frag, sont conformes aux lois en vigueur en Italie.
  - e. Le Client devra s’assurer que les marchandises sont conformes aux lois du pays de destination et il devra informer Frag, rapidement et impérativement au moment de la commande, des modifications éventuellement nécessaires. Dans un tel cas, Frag sera libre de refuser la commande ou de facturer le coût supplémentaire. Si le Client n’informe pas rapidement Frag des non-conformités éventuelles des marchandises aux lois du pays de destination, le Client en assumera toute la responsabilité et dégagera également Frag de toute demande éventuelle d’indemnisation et/ou sanction et/ou autres.
  - f. Toute responsabilité liée aux produits pour des évènements postérieurs à la livraison, y compris tout dommage éventuellement causé aux personnes ou aux choses, incombera exclusivement au Client.
  - g. La garantie est expressément exclue dans le cas de matériaux et/ou tissus fournis par le Client.
- 8. RETOUR DE MARCHANDISE**
- a. Sauf cas spécifiques et acceptés par écrit, Frag n’accepte pas de retours de produits.
  - b. Tout retour doit être précédé d’une réclamation écrite du Client et il doit être autorisé au préalable par écrit par Frag. Les frais d’expédition du retour sont à la charge du Client et la marchandise doit être expédiée franco de port jusqu’à l’usine Frag.
  - c. Frag se réserve le droit d’examiner la marchandise restituée pour vérifier l’applicabilité de la garantie et, en cas de défaut imputable à Frag, cette dernière remplacera les produits défectueux ou émettra une note de crédit, à condition que la garantie soit encore valable. Dans le cas contraire, la marchandise sera restituée au Client, avec les frais de transport et de retour à sa charge.
- 9. RÉCLAMATIONS ET CONTESTATIONS**
- Le Client est tenu d’examiner la marchandise reçue et de communiquer à Frag, d’une façon détaillée et par écrit, tout vice éventuellement détecté lors d’un premier examen, ou toute autre réclamation concernant les produits. Si le Client n’effectue pas la communication visée ci-dessus dans les 8 (huit) jours suivant la réception, les produits seront considérés comme définitivement acceptés et conformes aux conditions établies dans le contrat de vente. Il reste entendu que les contestations éventuelles concernant une partie de la marchandise livrée ou une seule expédition de marchandise n’auront aucun effet sur le reste de la commande, ni sur le paiement d’autres marchandises déjà reçues et n’ayant pas fait l’objet d’une contestation rapide.
- 10. PROPRIÉTÉ INTELLECTUELLE DE FRAG**
- a. Le Client reconnaît expressément que les marques, noms commerciaux ou autres signes distinctifs apposés sur la marchandise sont la propriété exclusive de Frag et qu’ils ne peuvent en aucune façon être altérés, modifiés, retirés ou effacés. Le Client jouit du droit limité d’utiliser les marques, noms commerciaux ou autres signes distinctifs ainsi que de tout autre droit d’exclusivité industrielle ou de savoir-faire productif et commercial incorporé à la marchandise et qui reste la propriété exclusive de Frag, uniquement dans le but de revendre la marchandise au public. L’acquéreur qui revend les produits Frag est tenu de respecter intégralement la présentation originale des produits sans possibilité de supprimer les marques de fabrique ni d’effectuer aucune modification et/ou altération et/ou retrait même lors de l’utilisation des marques et autres signes distinctifs via Internet.
  - b. Toute autre utilisation de la propriété intellectuelle de Frag par le Client, sans l’autorisation expresse et écrite de Frag, sera considérée comme une violation de la part du Client de ces droits exclusifs de Frag, même en termes de responsabilité contractuelle et il sera poursuivi comme tel, en plus du droit de Frag à l’indemnisation du dommage subi.
- 11. PROPRIÉTÉ INDUSTRIELLE DE FRAG**
- a. Les documents, dessins, catalogues, données et informations (tant sur papier que sur support électronique) éventuellement remis au Client, restent la propriété exclusive de Frag. Ils constituent un support pour une meilleure représentation du produit et une indication des performances du produit en question.
  - b. Le Client s’engage à ne pas les reproduire, à ne pas les divulguer à des tiers et à prendre également toutes les précautions nécessaires vis-à-vis de son personnel afin de garantir leur protection.
- 12. VENTE AVEC RÉSERVE DE PROPRIÉTÉ**
- La vente prévoyant des paiements fractionnés et/ou différés est une vente avec réserve de propriété en faveur de Frag jusqu’au paiement intégral du montant dû, aux termes de l’art. 1523 du code civil italien, en attribuant au Client tous les risques dès l’expédition des produits faisant l’objet de la fourniture, sauf accord différent écrit figurant sur la confirmation de commande.
- 13. LOI APPLICABLE - TRIBUNAL COMPÉTENT**
- Le contrat de vente sera régi et interprété selon la loi de la République italienne. Pour tout litige entre les parties, concernant les relations commerciales, leur instauration, exécution, interprétation ou cessation, le seul tribunal compétent sera le Tribunal d’Udine, Italie.

NOTE IMPORTANTI

- Il cuoio è un materiale naturale ed ogni pelle possiede le proprie caratteristiche nonché i segni naturali tipici. Le differenze nella grana, nella trama e nel colore possono evidenziarsi secondo il tipo di pellame. Frag seleziona solo pelli di elevatissima qualità, ed è inevitabile vi sia una non perfetta omogeneità di disegno, di rughe e di segni, i quali devono essere ritenuti una caratteristica che certifica sia la bontà del pellame che il procedimento naturale di concia e di trattamento. Ricordiamo inoltre che i pellami all'anilina e in pienofiore possono avere ombreggiature diverse e sono sensibili alla luce: i colori scuri, se sistemati in pieno sole o vicino a fonti di calore possono schiarire, quelli chiari scurirsi.

I colori mostrati sui cataloghi cartacei o web sono puramente indicativi. Si declina ogni responsabilità per leggere differenze di colore anche tra i campionari di pellame e il materiale consegnato, in quanto fornitura diverse di pellame in momenti diversi possono avere differenze di colore visibili per accostamento.

- Tutte le imbottiture in espanso sono ignifughe.
- TUTTI I PRODOTTI, LE DIMENSIONI E LE FINITURE PRESENTATE NEL CATALOGO SONO SOGGETTI A MODIFICA SENZA PREAVVISO ALCUNO E DEVONO ESSERE RITENUTI COME PURAMENTE INDICATIVI.
- La misura dell'altezza seduta è considerata come misura di sostentamento e non al culmine dell'imbottitura.

ESTRATTO DELLE CONDIZIONI DI VENDITA

**COL/C.O.M.** (materiale di rivestimento fornito dal cliente) – I materiali (pelle o tessuti) di proprietà del cliente che ci pervengono per i rivestimenti dei nostri modelli, dovranno pervenirci in porto franco. In caso contrario saranno rispediti al mittente. Eventuali residui di C.O.M. / C.O.L. non verranno restituiti, a meno che non ne venga fatta richiesta contestualmente all'invio dell'ordine. Per tali materiali (o tessuti) dovrà essere indicato, se necessario, il dritto e il rovescio e l'alto e il basso. La Frag non si assume responsabilità per posizionamenti dei tessuti in modo errato, in mancanza di chiare indicazioni. I pellami forniti dovranno avere uno spessore da 0,9 a 1,2 mm per poter essere lavorati. La Frag si riserva di dare conferma sulla possibilità di utilizzo di materiale fornito dal cliente che risulti non idoneo per la lavorazione quantità ricevuta, eventuali difetti, conformità al campione inviato, solamente al momento dell'inizio della produzione e non a ricezione dello stesso. I consumi indicati in listino sono espressi in metri quadri e sono indicativi per pellami esenti da difetti e di taglia commerciale. La garanzia sui prodotti FRAG non si applica su pellami e/o tessuti forniti dal cliente.

**RECLAMI** – La merce viaggia a rischio del committente anche se venduta franco destino. Eventuali danni derivati da trasporto, imballo non integro, merci mancanti o discordanze rispetto ai documenti di trasporto, devono essere tassativamente segnalati all'atto dello scarico, segnalandolo sul documento stesso di trasporto, (copia di tale documento dovrà contestualmente essere inviato alla Frag) oppure comunicato entro e non oltre 8 giorni, dalla data di consegna. Danni alla merce causati dal trasporto, devono essere notificati con urgenza e direttamente al vettore, con copia per conoscenza alla Frag. Si raccomanda di controllare immediatamente la merce all'interno degli imballi, entro i citati 8 giorni perché non saranno accettati reclami per danni visibili oltre tale data.

**RESI** – Si accetta merce resa, solo dopo accordi con la Frag e su espressa autorizzazione per iscritto. Gli imballi devono essere integri e la merce deve essere imballata in maniera corretta e viaggiare con bolla di reso. La merce resa senza imballo o con imballo inadeguato, non sarà accettata. Se il difetto, analizzato dai tecnici Frag, sarà considerato imputabile alla Frag stessa, la merce sarà sostituita senza spese; nel caso, invece, il difetto fosse imputabile al cliente o al trasportatore, la merce sarà resa al committente con addebito di trasporto e del costo dell'eventuale riparazione. **CONFERMA D'ORDINE** – La C.O. è documento che permette al Committente di controllare la correttezza dei beni ordinati e di segnalare eventuali errori o modifiche da apportare. La C.O. è anche documento che permette all'Ufficio Commerciale di lanciare la produzione per l'approntamento della commessa. Trascorsi 3 giorni dall'invio al committente della C.O., questa viene automaticamente inviata allo stabilimento di produzione. Si suggerisce di controllare attentamente questo documento perché una volta iniziata la produzione non sarà più possibile modificare l'ordine. Non accetteremo contestazioni per errori o difformità in sede di ricevimento merci.

**PROPRIETÀ DELLA MERCE** - La proprietà della merce rimane della FRAG s.r.l. finché le relative fatture non siano state completamente pagate.

IMPORTANT NOTES

- Leather is a natural material and each hide possesses its own individual characteristics and natural marks. Differences in the grain, texture and colour may occur from one hide to another and even within the same hide. Frag selects only hides of the highest quality, nevertheless some marking is inevitable and should be accepted as part of the distinctive appearance of leather furniture. Aniline leather and full grain leather in particular may change shade and is sensitive to light: dark colours, if exposed to direct sunlight or a heat source, may become lighter, while light colours may darken.

The colours shown in the paper catalogues are purely indicative. Frag shall not be held liable for any slight differences in colour noticed, including between leather samples and the delivered material, since there may be variations in the colour of the leather between different production batches/deliveries, visible upon comparison.

- All padding foams are fire-retardant.
- ALL PRODUCTS, DIMENSIONS AND FINISHES PRESENTED IN THIS CATALOGUE ARE SUBJECT TO CHANGE WITHOUT NOTICE AND SHOULD BE REGARDED AS MERELY INDICATIVE.
- When measuring the seat height, the average height to the top of the seat padding during use is taken into consideration, and not the height of the padding when the seat is not in use.

EXCERPT FROM THE CONDITIONS OF SALE

**Customer's Own Material (C.O.M.)** – The materials (leather or fabrics) owned by the client, which Frag receives for upholstering its models, must be consigned with carriage paid by the client. Otherwise they will be sent back to the sender. Any residues of C.O.M. / C.O.L. will not be returned, unless requested upon order submission. If necessary, for these materials (or fabrics) the front and back and the top and bottom must be indicated. The upholstery material supplied must have a thickness ranging from 0.9 mm to 1.2 mm. Frag shall not be held liable for fabrics positioned incorrectly, in the absence of clear instructions. Frag reserves the right to decide whether or not to use the leather provided by clients, since it may not be suitable for the leatherworking process. The items indicated in the price list are expressed in metres squared and are indicative for leather without defects and of a commercial size. The guarantee on FRAG products is not applicable on customer's own leather and/or fabric

**COMPLAINTS** – Goods are shipped at the risk of the buyer, even if sold with carriage paid. Any damage resulting from transport, damaged packaging, missing goods or discrepancies with respect to the transport documents shall be notified strictly at the time of unloading, making a note of the same on the relevant transport document (Frag must be sent a copy of this document at the same time), or reported no later than 8 days from the date of delivery. The carrier shall be informed promptly and directly of any damage to goods resulting from transport, with copy to Frag. It is recommended to immediately check the goods inside the packages for visible damages, or at the very latest within 8 days from the date of delivery, as no complaints will be accepted after this date.

**RETURNS** – Returned goods shall be accepted only upon agreement with Frag and with its express authorisation in writing. Packages must be intact and the goods must be packaged correctly and shipped with a return slip. Goods returned without packaging or with inadequate packaging shall not be accepted.

If the defect, having been analysed by Frag technicians, is deemed attributable to Frag itself, the goods shall be replaced free of charge; if, on the other hand, the defect is attributable to the client or the carrier, the goods shall be returned to the Buyer at the Buyer's expense (shipping and repair costs apply).

**ORDER CONFIRMATION** – The order confirmation is the document that enables the Buyer to check that the goods ordered are correct and to report any errors or changes to be made. The order confirmation is also the document that enables the Sales Department to start the production process in preparing the order. Three days after the order confirmation is sent to the Buyer, it is then sent on to the production plant. Please check this document carefully because once production has begun it will no longer be possible to change the order. Complaints shall not be accepted for errors or discrepancies when the goods are received, which are caused by incorrect information on the order confirmation.

**PROPERTY OF GOODS:** Goods belong to Frag srl until relevant invoices are fully paid

WICHTIGE ANMERKUNGEN

- Leder ist ein natürliches Material mit typischen Eigenschaften. Narbenschnitt, Textur und Farbe können je nach Ledertyp und im einzelnen Leder unterschiedlich ausgeprägt sein. Frag verwendet ausschließlich qualitative hochwertiges Leder. Trotzdem ist es unvermeidbar, dass es Anzeichen gibt, die als typisches Aussehen von Ledermöbeln gelten. Vor allem glänzende Farben mit voller Narbenschnitt wie das Anilinleder und Kernleder können unterschiedliche Schattierungen aufweisen und, je nach Lichteinfluss, dunkler werden oder aufhellen.

Die in den Katalogen angegebenen Farben sind lediglich als Anhaltspunkt zu betrachten. Wir übernehmen keinerlei Haftung für leichte Farbabweichungen – auch gegenüber den zur Verfügung gestellten Leder- und Materialmustern –, da zu unterschiedlichen Zeitpunkten geliefertes Leder Farbunterschiede aufweisen kann, die bei Nebeneinanderlegen sichtbar werden.

- Alle CMHR Schaumstoffe sind feuerfest.
- ALLE IM KATALOG GEZEIGTEN PRODUKTE, WIE DIMENSIONEN UND FINISH KÖNNEN OHNE VORANKÜNDIGUNG ABGEÄNDERT WERDEN UND SIND REINE HINWEISE.
- Die Sitzhöhe wird von der durchschnittlichen Höhe der Sitzpolsterung bei Gebrauch gemessen, und nicht vom höchsten Punkt der Polsterung

AUSZUG AUS DEN ALLGEMEINEN GESCHÄFTSBEDINGUNGEN

**CUSTOMER'S OWN MATERIAL (C.O.M.)** – Die Materialien (Leder oder Stoffe) des Kunden, die uns zum Beziehen unserer Modelle zugeschickt werden, müssen uns portofrei zugeschickt werden. Andernfalls werden sie an den Absender zurückgesandt. Alle Rückstände von C.O.M. / C.O.L. wird nicht zurückgesandt, es sei denn, dies wird gleichzeitig mit dem Absenden der Bestellung angefordert. Für diese Materialien (oder Stoffe) muss, falls erforderlich, angegeben werden, welche die linke und rechte Seite und wo oben und unten ist. FRAG übernimmt keine Verantwortung, falls die Stoffe mangels genauer Anweisungen falsch angebracht wurden. Die gelieferten Lederhäute müssen eine Stärke von 0,9 bis 1,2 mm haben um verarbeitet zu werden. Angesichts der Möglichkeit, dass ein vom Kunden geliefertes Material nicht zur Verarbeitung geeignet sein könnte, behält sich FRAG das Recht vor, über die Möglichkeit zu dessen Verwendung zu entscheiden (eingetroffene Menge, eventuelle Defekte, Musterübereinstimmung) nur wann die Produktion anfängt und nicht bei dem Empfang der Ware. Der in der Preisliste benannte Verbrauch ist in Quadratmetern angegeben und gilt für Leder ohne Mängel und in handelsüblicher Größe. Die Garantie für die FRAG Produkte ist nicht anwendbar auf Kunden eigenes Material wie Leder oder Stoff.

**REKLAMATIONEN** – Die Ware wird auf Risiko des Auftraggebers versandt, auch wenn sie frachtfrei verkauft wurde. Auf Transportschäden, beschädigte Verpackung, fehlende Waren oder Unstimmigkeiten gegenüber den Frachtbriefen muss zwingend zum Zeitpunkt der Lieferung – dies ist dann auf dem Frachtbrief selbst zu vermerken (von dem FRAG gleichzeitig eine Kopie zugeschickt bekommen muss) – oder bis spätestens 8 Tage nach Auslieferung in einer entsprechenden Mitteilung hingewiesen werden. Durch den Transport verursachte Schäden an der Ware müssen dem Frachtführer unverzüglich direkt mitgeteilt werden, wobei FRAG eine Kopie des betreffenden Schreibens zur Information zuzusenden ist. Bitte kontrollieren Sie die Ware für sichtbare Beschädigungen innerhalb der Verpackung unbedingt innerhalb der vorstehend genannten 8-Tage-Frist, denn nach diesem Datum werden keine Reklamationen mehr entgegengenommen.

**RÜCKSENDUNGEN** – Rücksendungen werden nur nach Absprache mit FRAG und dessen ausdrücklicher schriftlicher Genehmigung akzeptiert. Die Verpackungen müssen unversehrt sein und die Ware muss ordnungsgemäß verpackt und mit Rückgabeschein versehen sein. Ware, die nicht oder nicht ordnungsgemäß verpackt wurde, wird nicht zurückgenommen. Sollte nach Prüfung durch die Fachkräfte von FRAG festgestellt werden, dass der Mangel auf ein Verschulden von FRAG zurückzuführen ist, wird die Ware kostenlos ersetzt. Sollte der Mangel hingegen auf den Kunden oder den Frachtführer zurückzuführen sein, wird die Ware an den Auftraggeber zurückgesandt und die Transportkosten sowie die eventuellen Reparaturkosten werden diesem in Rechnung gestellt.

**AUFTRAGSBESTÄTIGUNG** – Dieses Dokument ermöglicht es dem Auftraggeber zu kontrollieren, ob die Bestellung korrekt ist, und auf eventuelle Fehler oder vorzunehmende Änderungen hinzuweisen. Die Auftragsbestätigung ist auch das Dokument, auf dessen Grundlage der Vertrieb die Produktion anweist, mit der Ausführung des Auftrags zu beginnen. Nach Ablauf von 3 Tagen ab Versand der Auftragsbestätigung an den Auftraggeber wird diese an die Produktionsstätte weitergeleitet. Bitte kontrollieren Sie dieses Dokument sorgfältig, denn nach Produktionsbeginn kann die Bestellung nicht mehr verändert werden. Wir nehmen nach Erhalt der Waren keine Reklamationen auf Grund von falschen Angaben in der Auftragsbestätigung entgegen. **EIGENTUMSRECHT** - Die Ware gehört zu der Firma FRAG s.r.l. bis die entsprechenden Rechnungen vollständig bezahlt sind.

NOTAS IMPORTANTES

- El cuero es un material natural y cada tipo de cuero tiene propiedades únicas y marcas naturales características. Las diferencias en la fibra, en la urdimbre y en el color pueden resaltarse según el tipo de cuero e incluso en un único tipo de cuero. Frag selecciona sólo cueros de altísima calidad, y sin embargo es inevitable la presencia de marcas, que deben considerarse parte integral del aspecto característico de los muebles de cuero. En particular los colores brillantes del cuero anilina, y cuero plena fibra pueden presentar diversas sombras y, según su exposición a la luz, pueden oscurecerse o desteñirse.

Los colores que se muestran en los catálogos impresos tienen valor puramente indicativo. Se declina toda responsabilidad por ligeras variaciones de color, incluso entre los muestrarios de pieles y el material efectivamente entregado, puesto que las pieles pueden pertenecer a lotes distintos, recibidos en diferentes fechas, y es posible que presenten diferencias de color visibles al comparar distintas piezas.

- Todos los acolchados en espuma de poliuretano son ignífugos.
- TODOS LOS PRODUCTOS, LAS DIMENSIONES Y LOS ACABADOS PRESENTADOS EN EL CATÁLOGO SON PURAMENTE INDICATIVOS Y PUEDEN SUFRIR MODIFICACIONES SIN PREVIO AVISO.
- La medida de la altura del asiento no será la parte superior del relleno, sino el valor medio de sustentación.

EXTRACTO DE LAS CONDICIONES DE VENTA

**MATERIALES APORTADOS POR EL CLIENTE** – Los materiales (pieles o tejidos) que sean propiedad del cliente y que nos sean enviados para revestir nuestros modelos deberán entregarse libres de portes. En caso contrario, serán devueltos al remitente. Cualquier residuo de C.O.M. / C.O.L. no será devuelto, salvo que se solicite al envío del pedido.

Para dichos materiales (o tejidos) deberá indicarse, cuando sea necesario, cuál es el derecho y el revés, la parte superior y la parte inferior. Si no se adjuntan instrucciones claras, Frag no asume ninguna responsabilidad por la colocación errónea de los tejidos.

Los materiales aportados deberán tener un espesor de 0.9mm a 1.2mm para ser utilizados.

Frag se reserva el derecho de decidir si las pieles suministradas por el cliente son o no adecuados para el uso que se desea darles (cantidad recibida, cualquier defecto, conformidad con la muestra enviada) solo al momento del inicio de la producción y no al recibir de la misma.

Los consumos que figuran en la lista están expresados en metros cuadrados, son indicativos y se aplican a pieles sin taras y con medidas comerciales.

La garantía sobre los productos Frag no se aplica a la piel o la tela suministradas por el cliente.

Los daños en la mercancía sobrevenidos durante el transporte deberán notificarse de forma inmediata y directamente al transportista, con copia a Frag para su conocimiento.

Se recomienda verificar de inmediato la mercancía contenida en el embalaje por daños visibles, antes de que transcurran los 8 días mencionados, dado que no se aceptarán reclamaciones con posterioridad a esta fecha.

**DEVOLUCIONES** – Solo se aceptará la devolución de mercancías previa autorización expresa por escrito de Frag.

Los embalajes deben estar en perfecto estado y la mercancía deberá embalsarse correctamente y viajar con albarán de devolución. No se aceptará la devolución de mercancía carente de embalaje o con embalajes inadecuados.

**CONFIRMACIÓN DE PEDIDO** – La confirmación de pedido (C.P.) es un documento que permite al ordenante comprobar que los artículos solicitados son correctos, así como notificar posibles errores o modificaciones que puedan ser pertinentes. Asimismo, la C.P. también es el documento mediante el cual el Departamento Comercial inicia el proceso de producción del encargo. La C.P. se envía al centro de producción a los 3 días siguientes a su envío al ordenante.

Se recomienda comprobar atentamente este documento, ya que una vez iniciada la producción el pedido no puede modificarse.

A la entrega de la mercancía, no se aceptarán reclamaciones por errores o disconformidades debidos a datos incorrectos en la C.P.

REMARQUES IMPORTANTES

- La crute de cuir est un matériel naturel et possède ses caractéristiques et signes naturels typiques. Les différences dans le grain, la trame et la couleur peuvent être mises en evidence selon le type des peaux. Frag sélectionne seulement des peaux avec un niveau de qualité très élevé, il est impossible d'obtenir une homogénéité parfaite entre le dessin, les rides et les signes. Ces dernieres sont considérées des caractéristiques qui certifient la bonne qualité des peaux et le processus naturel de tannage et traitement. Nous rappelons aussi que les peaux à l'aniline et en plein fl eur peuvent présenter des ombres differentes et sont sensibles à la lumiere. En particulier: les couleurs foncés, si exposés en plein soleil ou près d'une source de chaleur peuvent se décolorer, de meme que les couleurs claires peuvent devenir plus foncés.
- Les couleurs présentées sur le catalogue papier sont purement indicatives. Nous déclinons toute responsabilité pour de légères différences de couleur, même entre les échantillons des peaux et la merchandise livrée, étant donné que la fourniture de peaux à des moments différents peut présenter des divergences de couleur visibles si ces matériaux sont comparés les uns aux autres (pour des matériaux de la même gamme).
- Tous les rembourrages en polyuréthane expansé sont ignifuges.
  - TOUS PRODUITS, DIMENSIONS ET FINITIONS PRESENTES DANS LE CATALOGUE PEUVENT ETRE SUJETS A DES MODIFICATIONS SANS NECESSITE D'AVIS, SONT A TITRE INDICATIF.
  - La mesure de la hauteur de l'assise est considérée comme étant une mesure moyenne et non pas au comble du rembourrage.

EXTRAIT DES CONDITIONS DE VENTE

**C.O.M (Customer own service / matériaux fournis par le client)** - Les matériaux (peaux ou tissus) de propriété du client qui nous sont livrés pour le revêtement de nos modèles, devront nous être livrés en DDP. Dans le cas contraire, ils seront renvoyés à l'expéditeur. Tout résidu de C.O.M. / C.O.L. ne sera pas retourné, sauf demande en même temps que l'envoi de la commande.

L'endroit et l'envers ainsi que le haut et le bas de ces matériaux (ou tissus) devront être indiqués par le cient.

La société FRAG s.r.l. décline toute responsabilité pour des positionnements erronés des tissus en l'absence d'indications claires.

Les peaux fournies doivent avoir un épaisseur à partir de 0,9 à 1,2 mm pour pouvoir être travaillés.

Au moment de lancer la production et pas dès la réception du C.O.M., la société FRAG s.r.l. se réserve le droit de confirmer ou non l'utilisation des matériaux fournis par le client, qui pourraient ne pas être adaptés à l'exécution du travail (en ce que concerne quantité reçue, éventuelles défauts, conformité à l'échantillon).

Les mesures indiquées sur la liste des prix sont exprimées en mètres carrés et sont indicatifs en ce qui concerne les peaux exemptes de défauts et de taille commerciale.

La garantie sur les produits FRAG ne s'applique pas aux cuirs et/ou tissus fournis par les clients.

**RÉCLAMATIONS** - La marchandise est expédiée sous la responsabilité de l'acquéreur, même si elle est expédiée en DDP.

D'éventuels dommages causés lors du transport, un emballage endommagé, des marchandises absentes ou des divergences par rapport aux documents de transport doivent être impérativement signalés au moment de la livraison, en indiquant les problèmes relevés dans le document de transport (une copie de ce document devra être envoyée immédiatement à la société FRAG s.r.l.) ou les communiquer sous un délai de 8 jours à compter de la date de livraison.

Les dommages causés à la marchandise pendant les operations de transport doivent être notifiés en urgence et directement au transporteur, et en copie à la société FRAG s.r.l.

Les emballages doivent être intacts et la marchandise doit être emballée de façon correcte et être expédiée avec le bon de retour. La marchandise rendue sans emballage ou avec un emballage non adéquat ne sera pas acceptée.

Si le défaut, analysé par des techniciens de la société FRAG s.r.l., est considéré comme étant imputable à la société FRAG s.r.l., la marchandise sera remplacée sans frais ; au cas où, au contraire, le défaut serait imputable au client ou au transporteur, la marchandise sera renvoyée au client et les frais pour une eventuelle remise en conformité ainsi que le transport lui seront facturés.

**CONFIRMATION DE COMMANDE** - La C.C. est un document qui permet à l'acquéreur de contrôler l'exactitude des articles commandés et de signaler d'éventuelles erreurs ou des modifications à apporter. La C.C. est également un document qui permet aux services des ventes de lancer la production pour préparer la commande. Suite à une période de 3 jours de l'envoi de la C.C., celle-ci est envoyée à l'usine de production.

Il est recommandé de contrôler attentivement ce document car une fois la production lancée, il ne sera plus possible de modifier la commande.

Aucune contestation ne sera acceptée pour des erreurs ou des différences (survenues à cause d'informations erronées présentes sur la C.C.) au moment de la réception des marchandises.

Propriété de la marchandise - La marchandise reste propriété de la société FRAG s.r.l. jusqu'à ce que les factures correspondantes ne soient pas entièrement payées.

- **l'integrità dell'imballaggio** deve essere controllata immediatamente al momento della ricezione/consegna in presenza del trasportatore.

La FRAG srl **non è, in alcun modo, responsabile** per danni derivanti a merce resa con un imballo non idoneo.

Wir bitten Sie daher, uns stets die folgenden Informationen zur Verfügung zu stellen:

- **Seriennummer** des bemängelten Artikels, bestehend aus vier Ziffern (z.B. 1536), diese ist im Bereich unterhalb der Sitzfläche aufgedruckt (siehe beiliegendes Foto),
- **Rechnungsdatum und -nummer;**
- **Datum des Wareneingangs beim Händler;**
- **Datum der Auslieferung an den Endverbraucher;**
- **Detaillierte Beschreibung** der Mängelrüge;
- **Fotos** des bemängelten Artikels gemäß beiliegendem Formular;
- **Beschreibung** des Zustands der Verpackung beim Empfang und entsprechende Fotos gemäß beiliegendem Formular.

Ohne diese Informationen und Fotos ist FRAG srl **nicht in der Lage**, die Mängelrüge zu bearbeiten.

Wir erinnern außerdem daran, dass

- mögliche Abweichungen zwischen Lieferung und Auftragsbestätigung sowie mögliche offensichtliche Mängel oder Fehler der gelieferten Produkte FRAG srl sofort, auf jeden Fall jedoch innerhalb von 8 Tagen nach Erhalt der Ware schriftlich mitzuteilen sind. Produkte, die sichtbare Mängel oder erwiesene Abweichungen aufweisen, dürfen nicht an den Endverbraucher ausgeliefert werden, da andernfalls der Garantieanspruch erlischt.

- **Die Unversehrtheit der Verpackung ist sofort bei Erhalt/Auslieferung in Anwesenheit des Transportunternehmens zu kontrollieren.**

Mögliche Beschädigungen oder Risse des Kartons sowie die Beschädigung/Erneuerung des von FRAG srl zum Verschluss der Verpackungen verwendeten Klebebandes, die bei der Auslieferung festgestellt werden, müssen dem Transportunternehmen gemeldet werden.

In diesen Fällen sollte der Zustand des Inhalts auf Vollständigkeit und mögliche Beschädigungen kontrolliert werden.

Falls an der Verpackung und/oder Ware ein Schaden festgestellt wird oder etwas fehlen sollte, bitten wir Sie, dies gegenüber dem Transportunternomen sofort schriftlich zu beanstanden, indem Sie eine detaillierte Beschreibung des aufgetretenen Problems in das Transportdokument eintragen: Eine Kopie des Dokuments verbleibt bei Ihnen und ist gleich im Anschluss per E-Mail bzw. Fax zur Kenntnisnahme an die FRAG srl weiterzuleiten. Bitte denken Sie daran, dass die Transportunternehmen über eine spezielle Versicherung verfügen, die alle während des Transports entstandenen Schäden abdeckt.

Sollte die Ware ohne die wie vorstehend beschriebene Beanstandung angenommen wurde, kann gegenüber den Transportunternehmen keine Beschwerde mehr erhoben werden, um von der Transportversicherung Gebrauch zu machen. Ebenso wenig kann die FRAG srl in irgendeiner Weise haftbar gemacht werden.

- Ware, die ohne Genehmigung der FRAG srl und/oder ohne angemessene Verpackung – möglichst Originalverpackung mit entsprechenden inneren Schutzeinlagen, sofern diese in gutem Zustand sind – zurückgesandt wird, **wird nicht entgegengenommen**. FRAG srl **haftet ist in keiner Weise** für Schäden, die durch die Rücksendung von unzureichend verpackten Waren entstanden sind.

Frag 08 Full Grain Aniline is an extremely fine leather produced from few carefully selected hides of superior quality. It is a full grain leather of European origin, aniline dyed, with no surface finish, to give a completely natural, delicate and elegant look. It is notable for its luxuriant silky feel. Surface markings, grain defects and minor blemishes of various kinds are typical of this product, emphasising its

inherent natural elegance. It is processed entirely in Italy, where total control of the production process and treatments guarantees quality and durability. An ideal material for our chairs and sofas. It is available in warm, natural shades. Its particular characteristics mean that it may be damaged by exposure to direct sunlight or heat sources, or stained by spilt liquids.

Frag 31 Michelangelo Nabuk is a velour-grain leather with a marked writing effect that creates the characteristic appearance of nubuck. A pronounced sensation of softness and warmth distinguish this leather, with its pleasurable velvety feel. Surface markings, grain defects and minor blemishes of various kinds are typical of this kind of product, emphasising its natural origins. It has a quality that comes

from selection ofthe best European hides, subsequently enhanced by tanning and processing performed entirely in Italy. A perfect material for prestige products in exclusive contexts. Its particular characteristics mean that it may be damaged by exposure to direct sunlight or heat sources, or stained by spilt liquids.

Frag 46 Leonardo is a leather of European origin with a sleek appearance produced by treatment with high quality oils, fats and waxes. Slightly two-shaded, it is soft and stimulating to the touch. Its seductive combination of design and texture give it a timeless appeal. It is a return to the origins, colour, softness and smell of natural leather, allied to the special nature of “writing” leather to create a timeless icon

that will gradually change in appearance over its lifetime. Possible imperfections and slight colour variations are characteristic of this product, confirming the authenticity and naturalness of pure aniline leather. Its particular characteristics mean that it may be damaged by exposure to direct sunlight or heat sources, or stained by spilt liquids.

24 - Sole Fabric (REV.01) CAT.C

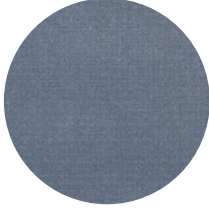

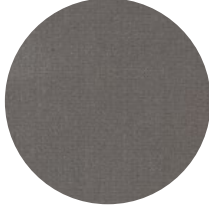

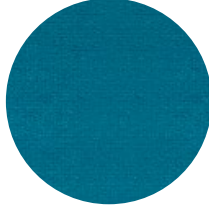

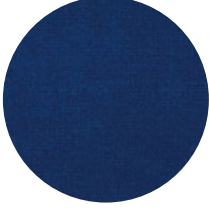

Materials

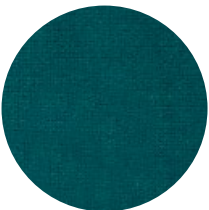

Frag 24 Sole is a product that has been piece-dyed following a special mechanical process to obtain an uneven look. Therefore, possible folds or non-uniformities of dyeing and/or aspect, must be not considered flaws but rather unique features of this article. Batch to batch chromatic variations must be considered normal and are to be evaluated with the usual tolerance of this type of fabric.

41 - Teti Fabric (REV.00) CAT.A

Frag 41 Teti is a regenerated cotton canvas, now very fashionable especially in the countries of northern Europe. It has a false plain and a salt and pepper color effect given by the particular weave which, due to the finishing, acquires a very soft and natural hand as a final effect. Made from recycled materials.

51 - Maple Fabric (REV.00) CAT. C

51-Maple is aero-finished and therefore features an extremely soft touch. Maple is made of three tone-in-tone coloured yarns. The viscose used in the composition gives it a distinctive shimmer, that deepens according to the light and the perspective of the viewer.

Maple is woven with a chenille yarn and has a soft pile that reveals the structure of the weave. Foreign fibres and small clusters of colour may appear on the fabric surface adding a slightly irregular casual expression.

Materials

52-Divina is available in sophisticated rich colours which reveal hidden depths as the perspective of the viewer changes, making a strong colour statement. In addition, thanks to its smooth, directionless and consistent surface, it complements the shape of furniture very well and is ideal for organically shaped furniture.

Divina MD's full-bodied and subtle structure is ideal for bringing an extensive range of tones to life. Its colourways, which are all crafted from a blend of different tones, appear unicoloured from a distance, but reveal different colour nuances under closer examination. Suitable for soft seatings for both contract and private use.

53 - Canvas Fabric (REV.00) CAT. PLUS

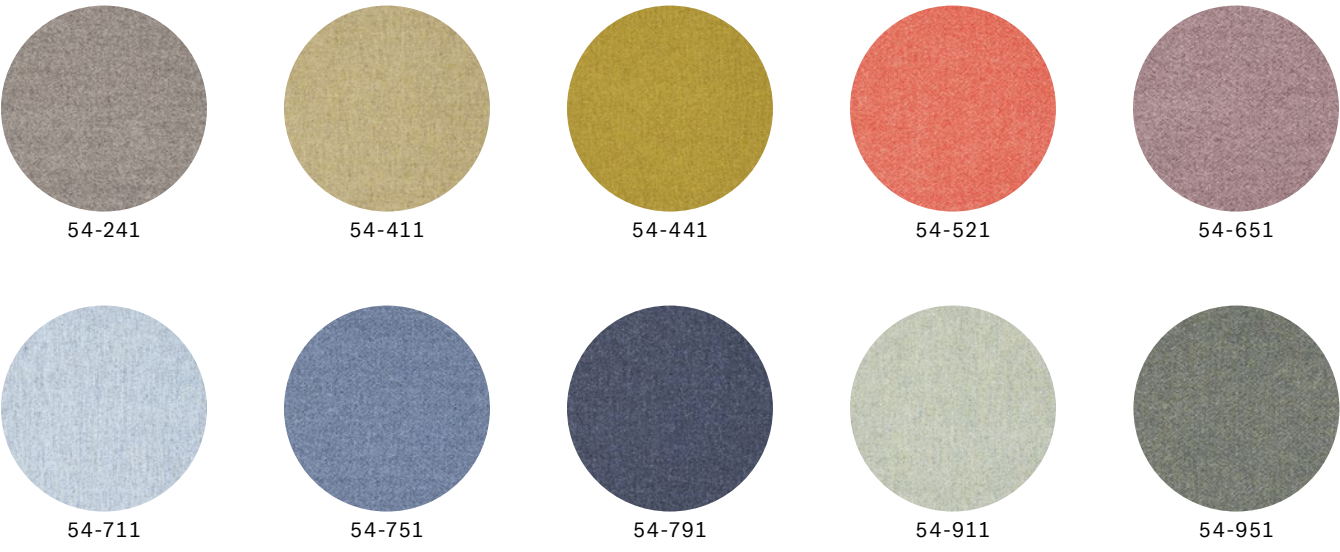

53-Canvas is a vibrant woollen upholstery fabric. Particularly well-suited for large surfaces thanks to its pronounced structure, it features a soft weave and an expanded palette inspired by the landscapes of Skagen, Denmark. The melange yarn used to craft Canvas combines three colours with six hues in every colourway. Consequently, the

fabric offers exceptional colour richness and an intriguing expression. From a distance, it has the calm surface of a unicoloured textile, but at a closer glance it shimmers with colour nuances, delicate contrasts as an elegant structure emerges.

54 - Melange Nap Fabric (REV.00) CAT. PLUS

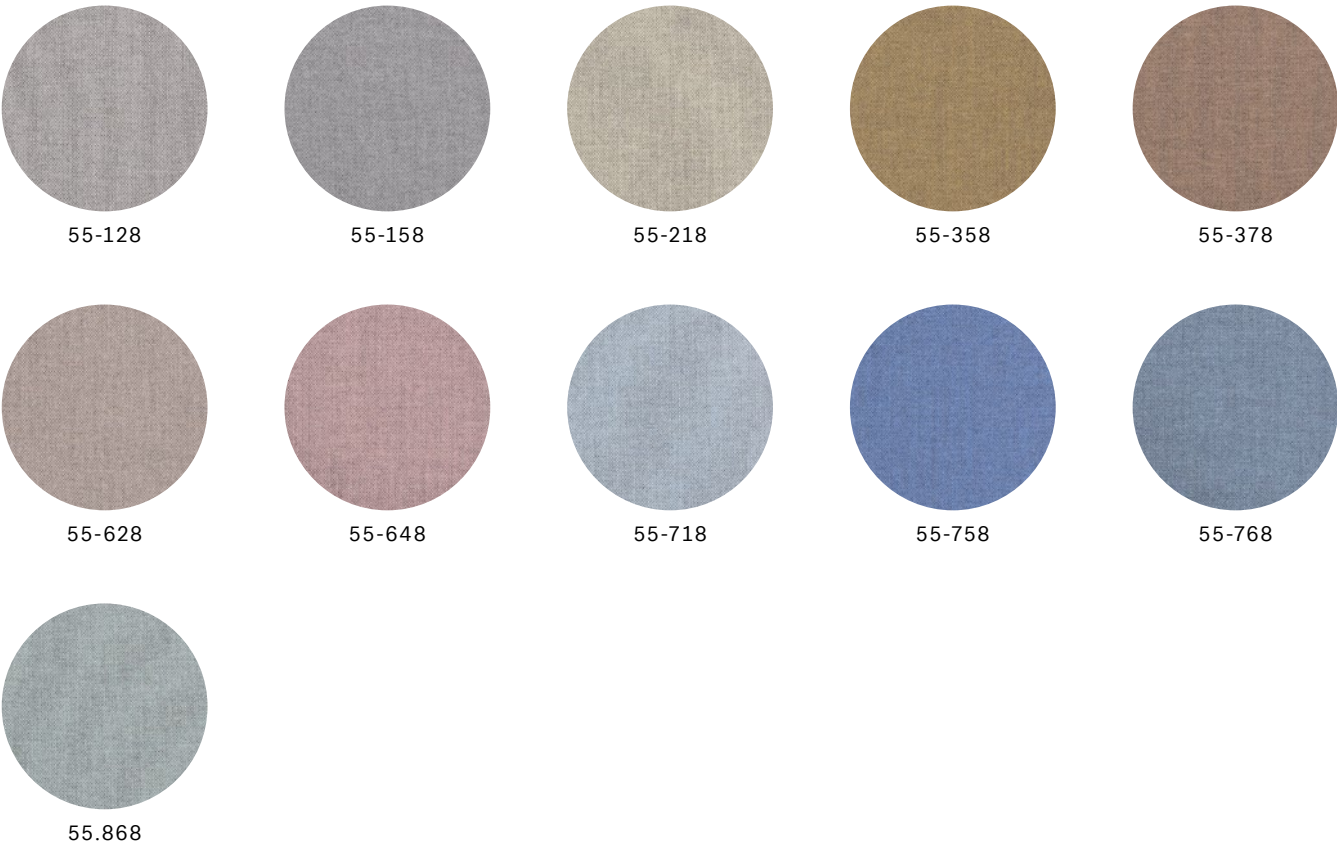

54-Melange Nap is a woollen upholstery fabric distinguished by exceptional depth of colour and surprising details. It offers a distinctively unique melange expression. Extremely soft yet durable, Melange Nap appears to be brushed. It is constructed with a unicoloured and a melange yarn, that creates a graphic pattern of tiny

dots that play across its surface. The volume of details that emerge from the surface depends on the contrast between the yarns. Some of the darker colourways almost appear unicoloured whereas others have an intriguing multi-coloured look.

56 - Hallingdal Fabric (REV.00) CAT. PLUS

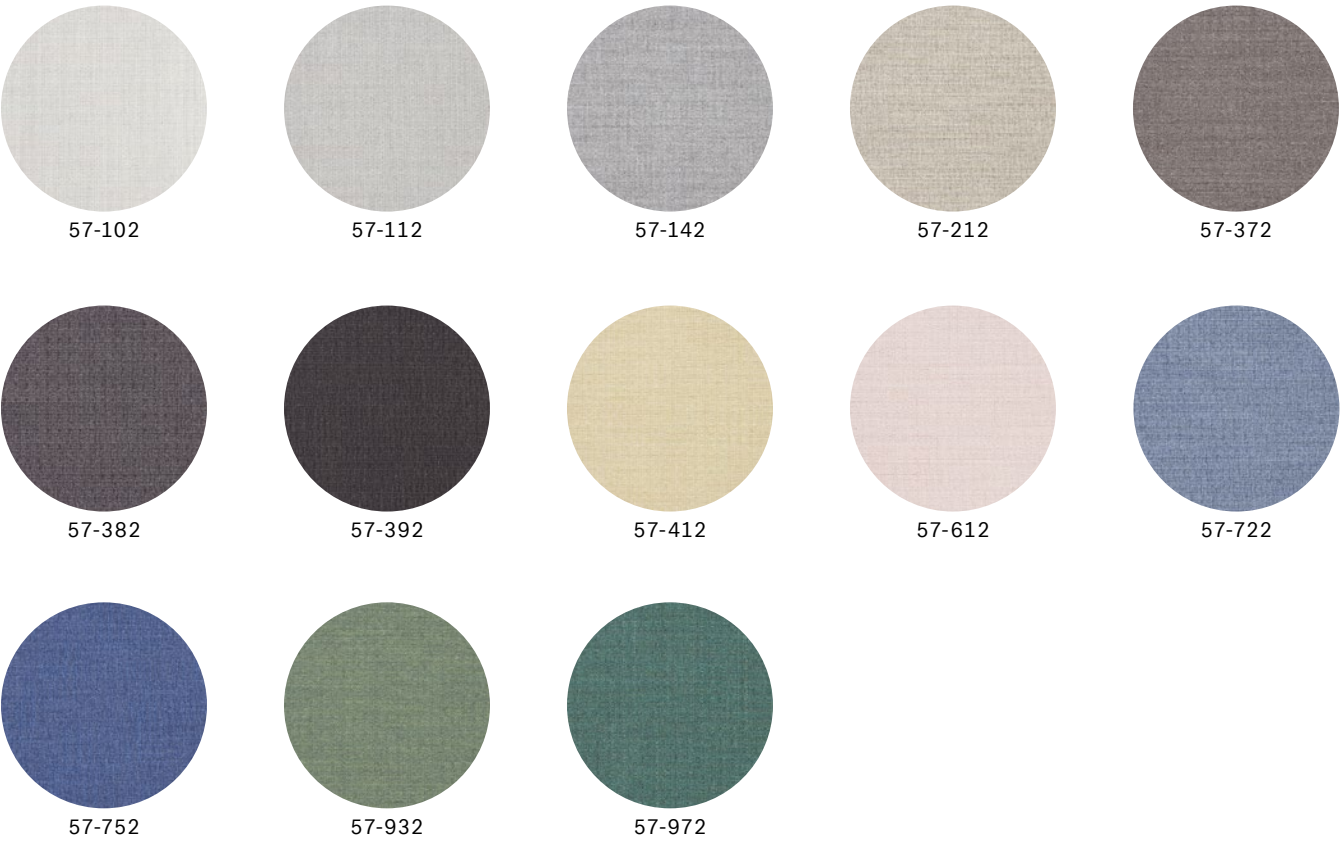

56-Hallingdal is a very durable upholstery fabric and is made of wool and viscose, which complement each other well: the wool provides excellent durability and flexibility, while the viscose adds brilliance

and depth to the colour. Both materials are dyed before they are spun, which highlights the rich texture of the fabric.

57 - Foss Fabric (REV.00) CAT. PLUS

57-Foss is an upholstery textile with a vibrant yet simple expression and it unites natural and man-made materials. Three to four different melange or unicoloured yarns — in different thicknesses — are combined in each colourway. The shiny viscose and thick linen yarns

give the surface ofFoss a subtle shimmer. Foss also has a tactile feel, in addition to its sophisticated lustre. Though it is primarily made of wool, it offers the tactile dry touch usually associated with pure linen textiles.

60-Sirio is made using a complex textile technique that allows the interweaving of threads of different sizes both in warp and in weft. This technique derives from the skillful and ancient technique of weaving carpets, in which a fine thread was used as a basic grid, and a larger

one as a color and design effect. This yarn features “flames”, which create a three-dimensional appearance on the surface of the fabric together with a construction that recalls the classic “basketweave”.

61 - Teddy Fabric (REV.00) CAT. D

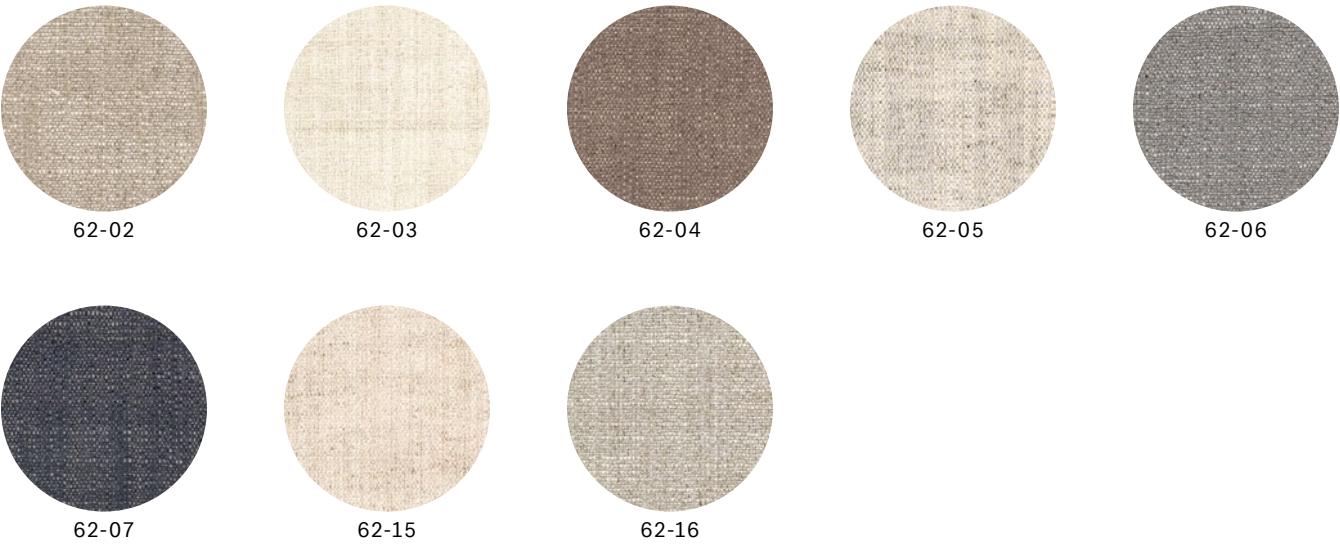

61-Teddy is made through the use of jacquard looms that allows to create the characteristic weave of this article. This type ofweave creates an irregular surface that masks the classic orthogonal weft and warp effect typical of fabrics.

The wool blend weft yarn used enhances this effect even more making it three-dimensional, “swollen”, intertwining with a fine warp composed of two yarns: one smooth in cotton and one “flaming”, in viscose and linen that help to “move” visually the fabric.
