

JABBERWOCK 2024

Celebrating the
POWER of Excellence

POSITIVE OUTLOOK WITH EDUCATIONAL RESILIENCE

FIKE HIGH SCHOOL | 500 HARRISON DR. - WILSON NC
SATURDAY, DECEMBER 14 - 4PM

GREETINGS FROM THE

Chapter President

As President of the Wilson Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated, it is my great pleasure to extend warm greetings and a heartfelt welcome to our 2024 Jabberwock Scholarship Pageant Experience. This event proudly supports our sorority's mission, National Strategic Plan, and Five Point Programmatic Thrust, particularly in Educational Development, Economic Development, and Physical and Mental Health. As a cherished biennial tradition, the pageant is a signature event for our chapter, and we're grateful to gather again since the pandemic.

This year's theme, Celebrating the POWER of Excellence: Positive Outlook With Educational Resilience, embodies the spirit of our participants and their aspirations as young women. The Jabberwock Scholarship Pageant raises essential funds to support young women in furthering their education and also benefits community programs and public service initiatives. We are deeply proud to offer this youth development and scholarship program to our community. Thank you for being with us on this special evening.

To the parents, we deeply appreciate your steadfast support and commitment. Your active involvement in our Youth Initiative programs and fundraising efforts has been invaluable, and we are grateful to be part of this wonderful community together.

We also extend our sincere thanks to our financial sponsors and supporters. Your contributions have made a meaningful impact on the lives of our participants, and we are truly grateful for your generosity.

A special thank you to our Jabberwock Co-Chairs, Michelle Young, Tijuana Locus, Tracy Joyner, and all committee members for your unwavering dedication and hard work in creating a meaningful experience for the participants.

The Jabberwock Scholarship Pageant culminates in an elegant evening filled with entertainment, highlighting the talents and accomplishments of our young ladies and youth from the area. For nearly 70 years, Wilson Alumnae has proudly championed sisterhood, scholarship, service, and social action. With your continued support, we can keep transforming lives and making a positive impact throughout Wilson County. On behalf of the 65-plus members of the Wilson Alumnae Chapter, we thank you for allowing us the opportunity to serve our community.

Yours In Service,
Sherrima Speight-Foxx, President

Chapter History

The time was late summer; the year was 1955. The persons were Nell Baldwin Rice, Ruth Brown, Cora Fitch and Catherine Taylor. They talked about getting other local Deltas together to form a Wilson chapter. During the next year, with Nell as leader of the group, they located Johnnie Harris, Helen Worsley, Jual P. Anderson, Ethel Allen Woodard, Thelma Parker and Alice Shivers. As the group continued to work, Willie Penn, Mattie Hines, Daisy Hobbs and Edna Lyons Becton were drawn in. This group worked hard in a manner that Ruth Brown described in this statement, which seems to have become the general motto of the chapter, "We'll burn out and die for Delta".

Finally, the forms were filled out, the questions were all answered, the fees were collected, a baby was born, the date was set, and fourteen Deltas were ready to become an official chapter. April 6, 1957, it was done. Jennie D. Taylor, Regional Director, brought the chapter charter, ceremonies, installation, and rejoicing followed. EPSILON OMICRON SIGMA, later renamed WILSON ALUMNAE CHAPTER, DELTA SIGMA THETA SORORITY, INCORPORATED, was ushered into the world.

Today, Wilson Alumnae Chapter serves the community, locally and state wide, in a wide variety of ways. They include but not limited to: scholarships, charitable support and donations, the Delta Academy and Delta GEMS, voter registration, political awareness programs, education initiatives, Black Heritage programs, health and awareness programs and various types of public service projects. We now have local, state and national representation on boards of institutions, other non-profit organizations, government, religious and non-sectarian groups. The Delta presence is felt in every facet and lifestyle of the community.

Jabberwock History

The Jabberwock is a traditional program of Delta Sigma Theta. Members of Iota Chapter presented the first Jabberwock in 1925 in Boston, Massachusetts, in an effort to find some new method of raising money for the chapter's scholarship fund. Marion Hope Conover of Iota Chapter conceived the idea of a variety show with skits, dances, and songs in competition for prizes for varying amounts. She called this new kind of show a "Jabberwock." The Jabberwock is a mythical character in a Lewis Carroll's tale.

The first Jabberwock was an immediate success, and the idea caught on with many chapters of Delta Sigma Theta. Today, the Jabberwock is considered a Delta institution, and many local communities eagerly anticipate the event. Delta has been given exclusive use of the name by the U.S. Government.

Jabberwock funds are earmarked for scholarships to be given by the sponsoring chapter to young people of promise and ability, and for public service projects.
