PRIMARY CARE MUSCULOSKELETAL

PHYSIOTHERAPY SERVICE

MSK Physiotherapy services by B-Well Group

B-Well Group provides Berkshire West MSK Physiotherapy Services in Berkshire West. We offer specialist MSK Physiotherapy services for patients from age 5+. Our expert team provides comprehensive care in General MSK, Women's Health MSK, and Paediatric MSK Physiotherapy across 10 convenient clinic locations in Berkshire West. We have a dedicated EMIS unit for these services. Self-referrals are accepted from age 16+ by online, telephone and email. For patients aged between 5 and 15, we require a referral from GP /Consultant/Healthcare professional. We run services from Monday to Saturday. Extended hours services are also provided on some days of the week.

Dedicated Service Website

We have a dedicated website which provides full information for patients/carers/staff. Our service website has the capacity to accept Online Self-Referrals 24/7.

bwellberkshirehealth.co.uk

Referral Triage

All accepted referrals coming to our services will be triaged by our senior physiotherapists.

Self-Referrals

Along with online self-referrals through our dedicated website, we accept self-referrals from age 16+ through the options below:

Face to Face Appointments

Face-to-face appointments are our first choice to all patients referred to our services in all our clinics. We have a good capacity to accommodate face-to-face slots of urgent and routine referrals within 4 to 6 working days from Monday to Saturday in our 67 clinics run per week.

Virtual Appointments

We also provide video and telephone consultations by using dedicated, safe consultation software.

Advanced Modalities

Along with the standard MSK Physiotherapy modalities, we also provide advanced modalities like Shock Wave Therapy for specific condition in specific clinic location.

Group Exercises

We provide evidence-based group interventions by face-to-face/online classes for spine, upper limb, lower limb conditions in Reading, Wokingham and West Berks regions.
