“The challenge for everyone in long-term care is staffing<sup>1</sup>.”

<sup>1</sup> State of Senior Living in Canada. July 2021. Technomic - Custom research for Aramark Senior Living Canada.

## Areas of Expertise

### Dining

Our innovative programs deliver optimized nutrition, variety, and safe dining experiences that meet every resident's dietary needs.

### Housekeeping

Our highly trained and courteous housekeepers do more than just clean – they engage with you and your residents everyday with a smile.

### Laundry

We safely and efficiently manage all your laundry and linen service needs, including personalized laundry programs for residents.

## Our Commitments

### Resident Experience

We provide person-centric experiences that enrich lives.

### Safety & Wellbeing

We ensure a safer today and a healthier tomorrow.

### Skilled & Engaged Workforce

We strengthen your team with passionate people who are ready to serve.

### Operational Excellence

We improve outcomes through industry leading best practices.

## We put people First
