3. The Head of College will make a recommendation to The Brazil Family Foundation.
4. In making the award, preference will be given to a student from rural or regional Queensland who is in financial need with respect to meeting accommodation expenses.
5. The value and frequency of the bursary shall be determined by The Brazil Family. It is envisaged that the bursary would equate to \$10,000 per annum.
6. Initially the bursary shall be awarded for one academic year, and may, subject to satisfactory academic progress, be extended for further years while the scholar remains in residence. The bursary shall lapse upon the scholar ceasing to be in residence at the College.
