

CROSS REACH

Care you can put your faith in

Morlich House

Residential Care Home

Morlich House is home to up to 23 ladies enjoying life in older age. Based in the leafy neighbourhood of Morningside, Edinburgh, we offer a spacious, safe and supported environment in beautiful surroundings. Our wish for each resident is to make the most of every day – whether that's enjoying the birdsong in our private garden, participating in quiz nights or taking trips into the local community.

We are lucky to have so much space at Morlich House. We have several lounges including a conservatory, snoozy room and a lounge with computers for you to use at your leisure – with staff on hand to help with any technical difficulty.

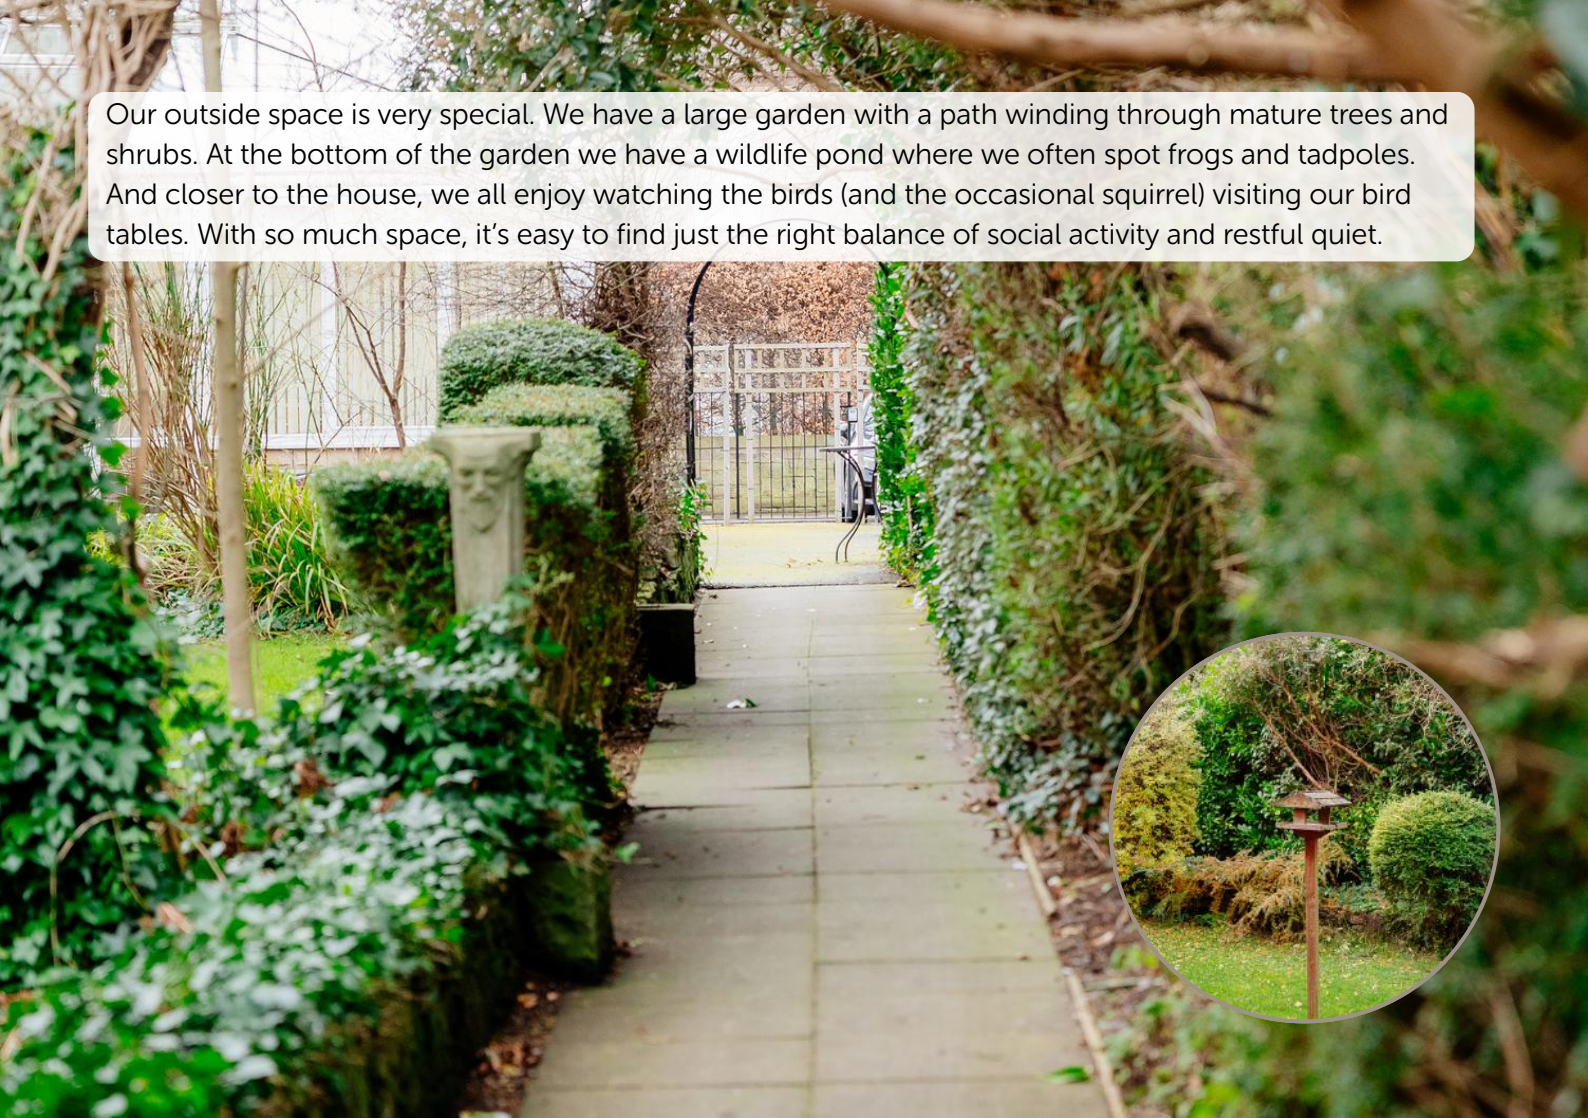

The home has a bright dining room and a cinema room for showing films on a big screen.

Each of our 23 single bedrooms has its own en-suite shower or wet room. When you come to live at Morlich House, we invite you to make your room as much like home as you can. You are welcome to bring a selection of your own furniture, pictures and ornaments.

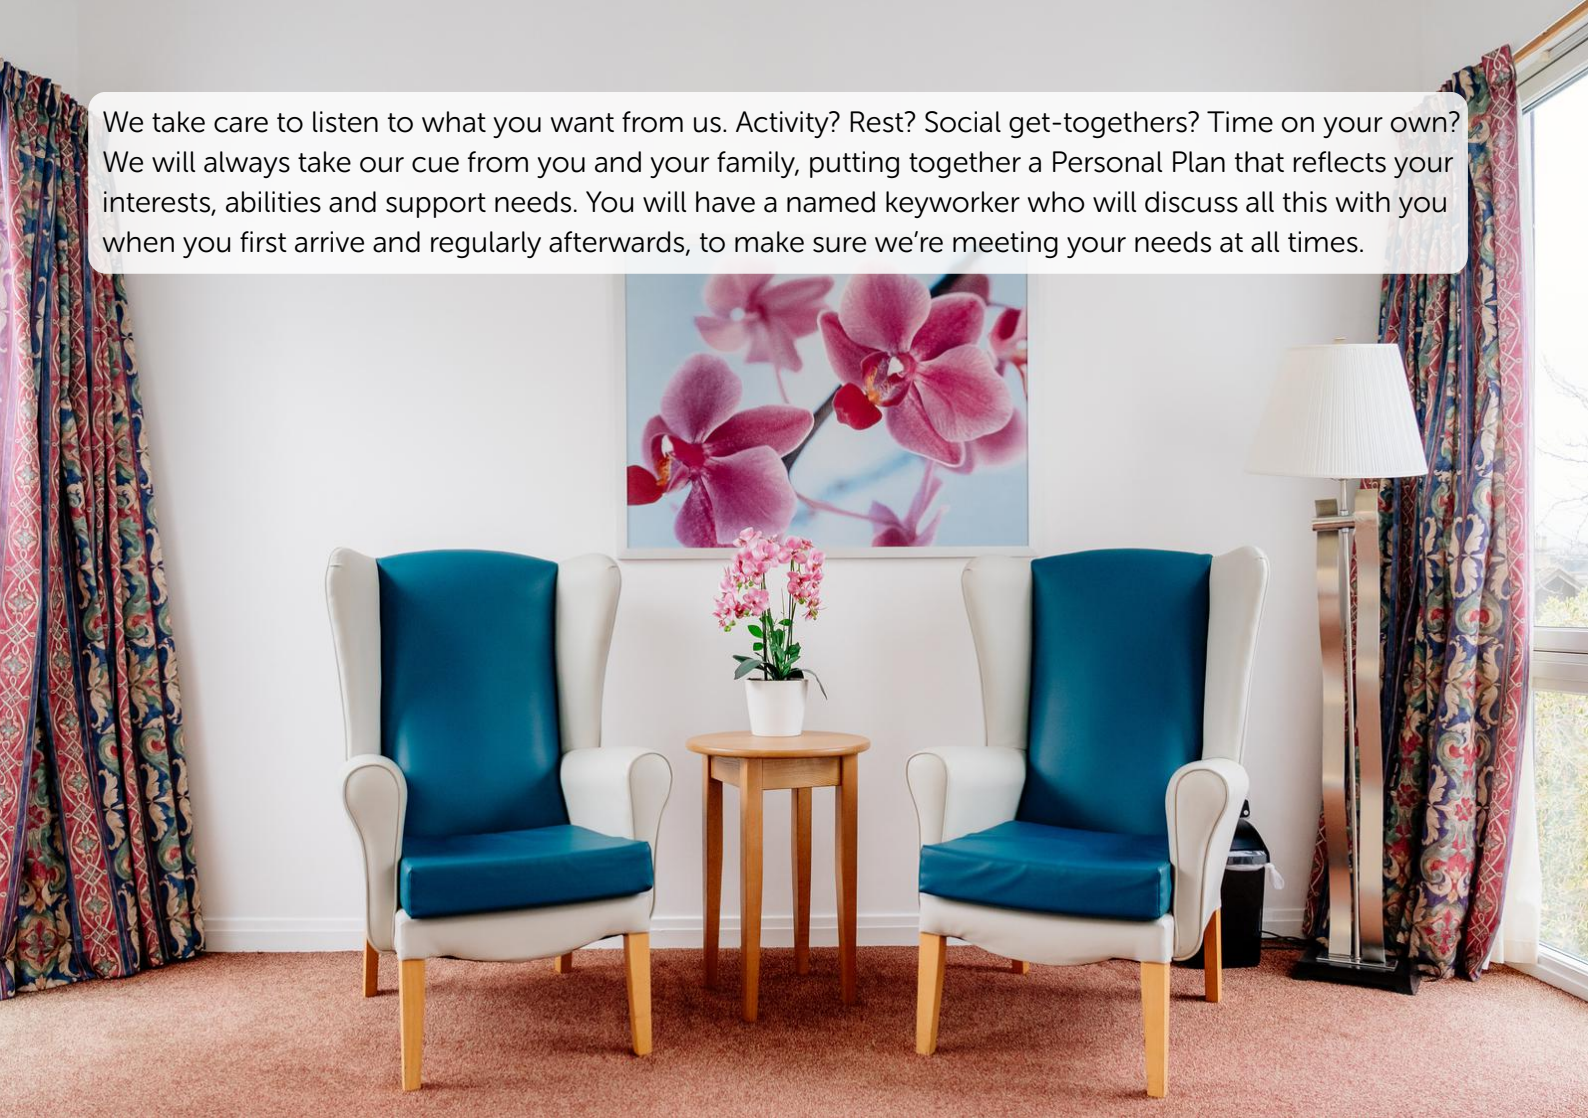

Our outside space is very special. We have a large garden with a path winding through mature trees and shrubs. At the bottom of the garden we have a wildlife pond where we often spot frogs and tadpoles. And closer to the house, we all enjoy watching the birds (and the occasional squirrel) visiting our bird tables. With so much space, it's easy to find just the right balance of social activity and restful quiet.

One of the more surprising features of Morlich House is our very own 1950s street, situated just outside the main house. With a period house, sweet shop, post office and school room, it's a unique and much-loved place to socialise and reminisce.

We take care to listen to what you want from us. Activity? Rest? Social get-togethers? Time on your own? We will always take our cue from you and your family, putting together a Personal Plan that reflects your interests, abilities and support needs. You will have a named keyworker who will discuss all this with you when you first arrive and regularly afterwards, to make sure we're meeting your needs at all times.

Families are a hugely important part of life at Morlich House. You're welcome to visit at any time, just as if it were your relative's own home. We also welcome your input into her Personal Plan, as well as your involvement in activities and initiatives that will improve the quality of life for all our residents.

Our staff are chosen because they're warm, generous, caring people who love what they do. But they're also highly trained, to ensure you receive the highest standards of care and the right level of support. All staff are registered with the SSSC (Scottish Social Services Council) and undertake regular training in areas such as moving and handling and dementia care.

At CrossReach we have been showing the practical side of our Christian faith for over 150 years.

We advocate acceptance, inclusion and diversity at CrossReach. Each and every one of our care homes are open to all and we are proud to support people from all faiths, cultures and backgrounds.
