

A photograph of two young women walking and laughing outdoors in an autumn setting. The woman on the left has long, wavy blonde hair and is wearing a navy blue sweatshirt with 'NEW YORK' printed on it and light blue jeans. The woman on the right has long black braids and is wearing a black quilted jacket over a maroon shirt and light blue jeans. The background is a blurred forest with yellow and orange autumn leaves. The word 'JOY' is written in a large, white, serif font in the upper right corner.

Dear Friends,

Why do families continue to choose Westfield Friends School? A recent parent email provides a good answer. "Dear Teacher Margaret. . . As a parent, it feels great to witness [my daughter] burst out of school with ideas and excitement about what transpired during her school day. . . I commend you and your teachers for keeping the schedule packed with interesting events, trips, and topics. I also appreciate that her experience seems free of screens, lots of time outside, and lots of time for reading."

At Westfield, we choose to focus on joy, learning in a nurturing community, collaboration, creating freely and fearlessly, and sending children out to lead lives of conscience and consequence. If you are an alum, you know how this Friends school shaped who you are. With your invaluable support, we choose to serve as a beacon of resilience, Light, and belonging in this time of unease and discord. All of you help us to foster the Quaker belief in "Continuing Revelation" – a communal discernment process uniting our past and present with our faith in the future.<sup>1</sup>

Our Annual Report celebrates a number of milestones and successes. With your incredible generosity and support, we joyfully exceeded our Annual Fund goal of \$200,000 by \$182,065. Westfield Meeting provided important leadership by increasing its annual gift to the school by 25%. We welcomed 96 new donors, and 90 of our sustaining donors increased their contributions. We worked with a consultant this past year who was astonished to learn how many parents and grandparents of alumni continue to support Westfield, long after their children have graduated. I am not surprised; parents know what this school did to shape the wonderful adults their children have become.

This year, we have ambitious goals that will significantly advance our mission: raise an additional \$200,000 for the Fund for Westfield, successfully meet the \$250,000 Strategic Fund Matching Challenge, and grow the William Probsting Scholarship Fund by \$50,000. The best gift you can give us is to recommend Westfield to a family. Our challenging enrollment goal for the 2026-2027 school year is to have 170 students fill our halls.

The best part of my day is greeting and listening to children. The second best part of the day is talking with you about what this school means to you and your family. Thank you so much for sharing your stories with us.

In the Light,

Dr. Margaret Haviland  
Head of School  
Member, Religious Society of Friends

## Program

Westfield generously contributed to the expenses of the seventh and eighth-grade trip to Washington, D.C., where students spent three days discovering the nation's capital. Their itinerary included visits to notable sites such as the Lincoln Memorial, Washington Monument, WWII Memorial, and the Smithsonian Natural History Museum, along with an exciting outing to a Nationals baseball game.

# Because You Gave

## Campus

Westfield's iconic front steps have been restored. Generations of classes have taken photos on these steps (see the latest on page 12). Grant funding and individual gifts made this essential restoration and reconstruction possible and helped uphold the School's commitment to responsible campus stewardship and student safety.

## People

Your generous contributions were instrumental in our success this year: we were able to maintain stable tuition rates for our families and community while also ensuring our faculty received a well-deserved raise.

There are several flexible options for planned giving. You can enjoy potential tax benefits and extra income in retirement, and make a future gift to the school that won't impact your income now. It's a powerful way to show your support for Westfield and its mission, all while considering your own personal, financial, estate planning, and philanthropic goals.

On the following pages, listing of donors includes cash and in-kind gifts to The Fund for Westfield (including February Days of Giving), Endowments, Grant Funding, Planned Giving, Spring Event, Golf Outing, and designated gifts from July 1, 2024 to June 30, 2025. Donations received after June 30, 2025 will be reflected in next year's annual report.
