# VOORWOORD

Die Bybel is 'n wonderlike boek! Dis waar, maar dis te min gesê. Die Bybel is ook God se woord in mensetaal. Dis die manier waarop God mense elke dag wil vertroos, bemoedig, aanspreek, begelei en in-lig. Dit vertel wie God is, wie mense is en hoe God by hulle en by Sy wêreld betrokke is. Dit vertel wie alles gemaak het en waarheen alles op pad is...

Wat baie spesiaal is, is dat jy nou geroep is om mense met hierdie wonderlike Woord te bedien. Die volle verhaal van die Groot Verhaal. Die Woord in sy volheid.

Daar is een gevaar, naamlik dat 'n mens homself en ander kan verarm deur net kennis te neem van 'n klein stukkie van wat God met hulle wil deel omdat hulle net 'n paar lieflingboeke of - tekste lees. Ons wil jou dus die geleentheid gee om, voordat jy as dominee in 'n gemeente kom, die hele Bybel sistematies deur te lees. Nie net te lees nie, maar dat jy ook alleen en saam met ander sal nadink oor hoe die gedeelte jou aanspreek, en hoe dit jou lewe moet verander.

## Hoe werk dit?

Die hele Bybel is in vyf groot versamelings ("modules") ingedeel. Al die studente van die NG Kerk in die Fakulteit Teologie (dit staan ander studente of vriende ook vry om in te skakel), doen elke jaar een module.

Die modules is as volg:

### 2023 | Module A

Ou Testament (Teksgedeeltes uit die volgende boeke):

Genesis, Eksodus, Numeri, 1 Samuel, Psalms, Jesaja, Jona.

Nuwe Testament (Teksgedeeltes uit die volgende boeke):

Matteus, Lukas, Johannes, Handeling, Romeine, 1 Korintiërs, Efesiërs, Fillipense, Hebreërs, 1 Petrus.

### 2024 | Module B

Ou Testament (Teksgedeeltes uit die volgende boeke):

Genesis, Eksodus, Numeri, Deuteronium, 2 Samuel, Amos, 1 & 2 Konings, Ester, Job, Psalms, Spreuke, Hooglied, Jesaja, Jeremia, Amos.

Nuwe Testament (Teksgedeeltes uit die volgende boeke):

Markus, Lukas, Johannes, Handeling, Romeine,  
1 & 2 Korintiërs, Efesiërs, Fillipense, Hebreërs,  
Jakobus, 1 Petrus, 1 Johannes.

### **2025 | Module C**

Ou Testament: Sal aangekondig word

Nuwe Testament: Sal aangekondig word

### **2026 | Module D**

Ou Testament: Sal aangekondig word

Nuwe Testament: Sal aangekondig word

### **2027 | Module E**

Ou Testament: Sal aangekondig word

Nuwe Testament: Sal aangekondig word

Die Bybelgedeeltes van elke module is in weke ingedeel. By elke gedeelte, is ook ruimte vir 'n persoonlike joernaal in jou stiltetyd.

**Feite:** Wat is die feite in die teks? Waaroor gaan dit?

Wat is die storie?

**Gevoelens:** Watter emosies maak dit by my wakker en waarmee kan ek identifiseer?

**Ontdekkings:** Watter nuwe ontdekkings maak ek? Wat leer ek?

**Toekoms:** Wat sê dit vir môre? Hoe kan ek en wil ek in die toekoms anders optree?

Een keer per week kom jy en 'n groep teologiese studente onder leiding van 'n kringleier (Steunspanlid) bymekaar en deel julle die lees en ervarings met mekaar – 'n selgroep. Daar is 'n periode op Woensdae hiervoor vasgestel; julle kan egter ook op 'n ander tyd byeenkom.

In eksamentye is daar nie formele byeenkomste nie; jy kan dan op jou eie die boeke lees, soos aangedui op die Seminarium Handleiding program. In vakansietye kan jy enigiets aanvullend en stigtelik lees.

Ons wil jou aanmoedig om by hierdie dissipline te bly en dit in te oefen. Daarom is die Emmausprogram verpligtend, en wil ons jou help om so 'n belangrike en goeie geloofsgewoonte vir die pad vorentoe aan te leer.

Bring so tyd by die Here deur.
