CLEVER

WARDROBE: INTRO

ITA Dal 1993 Clever progetta e realizza soluzioni per la zona notte con una particolare attenzione per gli spazi dedicati ai giovani. Una sfida continua e appassionante, alla quale l'azienda dedica tutta la sua ricerca formale e tecnologica, analizzando gli spazi domestici e i nuovi stili di vita. Da questa esperienza Clever si evolve e approfondisce il tema dell'armadiatura in senso domestico e generale. Guardaroba, cabine armadio, librerie, scrivanie, complementi e soluzioni salvaspazio prendono forma dalla specializzazione di Clever in questo settore e da un processo produttivo di qualità totale. Il contenitore diventa elemento fondamentale per arredare spazi e stanze fortemente compatte, dove la funzione varia in base al suo posizionamento. La vastissima scelta di finiture e colori, insieme alla possibilità di realizzazioni su misura, consente di personalizzare ogni soluzione, sintonizzandosi con ogni scenario d'interni e gusto personale. Tutto questo con la massima attenzione al benessere e alla sostenibilità, grazie all'utilizzo di materiali atossici, vernici con ioni d'argento antibatterici e pannelli ecologici che preservano il patrimonio forestale del pianeta: anche per questo, scegliere Clever significa pensare al futuro delle nuove generazioni.

ENG Since 1993 Clever has been designing and manufacturing solutions for the sleeping area with a particular focus on spaces dedicated to young people. A continuous and exciting challenge, to which the company dedicates all its formal and technological research, analyzing domestic spaces and new lifestyles. From this experience Clever evolves and deepens the theme of the wardrobe in a domestic and general sense. Wardrobes, walk-in closets, bookcases, desks, accessories and space-saving solutions take shape from Clever's specialization in this sector and from a total quality production process. The container becomes a fundamental element to furnish spaces and rooms strongly compact, where the function varies according to its positioning. The wide choice of finishes and colours, together with the possibility of custom-made products, allows to customize each solution, tuning with every interior scenario and personal taste. All this with the utmost attention to well-being and sustainability, thanks to the use of non-toxic materials, paints with antibacterial silver ions and ecological panels that preserve the planet's forest heritage: for this reason too, choosing Clever means thinking about the future of new generations.
