Hymn to St Ignatius

Your greater glory, Lord,
Ignatius solely sought,
with Christ to rule
by love his mind and thought.
His time, his world he strove
to mould and make a new
in faith, in love, in hope,
and in service, Lord to you.

“We aim to provide a holistic Catholic education for young men that inspires them to seek understanding, strive for justice and commit to the service of others with discernment and courage, to develop young men of competence, conscience and compassion who strive for excellence in all they do.”

Welcome

From the Rector and Principal

FR THOMAS RENSHAW SJ
RECTOR

We are very pleased to welcome you to Saint Ignatius' College Riverview. Established in 1880 as a boarding school with just 12 students, today the College's boarding community continues to thrive with almost 300 students who hail from different parts of Australia and all over the world.

As a Catholic school in the Jesuit tradition, Saint Ignatius' College Riverview provides holistic education for young men from Years 5 to 12. Our pastoral care program, which is central to College life, is underpinned by the Jesuit spirit of *cura personalis* (care for the individual), which ensures that every student is known and cared for.

MR MARK TANNOCK
PRINCIPAL

Welcome to Boarding at Saint Ignatius' College Riverview. This Jesuit school was established by the Jesuits for the purpose of educating boys in a boarding environment, and this element of our mission remains as vital today as it was in 1880.

Boarding at Riverview is characterised by the care we extend to every young man and the deep commitment we have to his formation, in companionship with families, into a 'man for others'.

We invite you to explore the pages of this Guide to Boarding, where you will find the information you need to make an informed decision that is right for your family. And, of course, we welcome any further queries you may have using the contact details on the back page.

We welcome your interest in our Catholic, Jesuit school.

MR MARK TANNOCK
PRINCIPAL

A man with a shaved head and a light beard is smiling at the camera. He is wearing a dark blue pinstriped suit jacket, a white dress shirt, and a dark blue tie with a repeating pattern of small white elephants. He is standing outdoors with lush green foliage in the background. His hands are clasped in front of him, and he is wearing a watch on his left wrist and a ring on his left hand.

“We are proud to foster an environment that encourages students to discover and develop their unique talents and pursue those interests in a safe and caring environment.”

The Boarding Community

From the Director of Boarding

Saint Ignatius' College Riverview is a full boarding school that cares for every aspect of our students' needs. Our boarding facilities and pastoral care program are designed to provide for their optimal physical, mental and spiritual wellbeing whilst they are in our care. Weekly schedules involve daily academic routines and fun weekend recreational activities, providing a balance to help them achieve their personal best whilst fostering a strong sense of community and camaraderie.

The boarding community at Saint Ignatius' College Riverview comprises a special mix of students from a variety of communities across Australia and abroad. From the moment a new boarder arrives on campus, they are greeted by a senior 'buddy' who helps them settle in and transition successfully - everything from where to drop off laundry to how to tie a tie. The early days of developing tentative new connections quickly morph into flourishing

friendships as the boys share meals, play games and celebrate birthdays together in a supportive and nurturing environment.

Our highly trained staff are selected not only for their commitment to child safety, but also their sense of care for the individual wellbeing of each student.

We are proud to foster an environment that encourages students to discover and develop their unique talents and pursue those interests in a safe and caring environment.

MR ANTHONY BEGG
DIRECTOR OF BOARDING

Making Connections

Boarding lies at the heart of the Saint Ignatius' College Riverview community, uniting a vibrant cohort of students from NSW, across Australia, and overseas. This diverse blend of young people from varied backgrounds fosters a unique shared experience, cultivating a strong sense of camaraderie and belonging that is unparalleled.

Boarding at Saint Ignatius' College Riverview offers students the opportunity to form a second family, surrounded by supportive staff and a close-knit band of boarding brothers. Each new boarder is welcomed into the community not only by dedicated staff and peers but also through a buddy system, where an older student helps guide them as they settle into their home away from home. The boarding community provides a warm, nurturing environment with strong pastoral care. Boarding Houses

operate on a horizontal system, grouping students of similar ages together to foster friendships, encourage age-appropriate activities, and create spaces where students can inspire one another to reach their full potential.

“A home away from home”

Charles Fraser House

Years 6-8

Charles Fraser House is home to our youngest boarders across Years 6-8. The House is divided into mini-dorms of eight beds each with individual partitions and personal lockers. The dorm system fosters inclusion and openness, allowing boys in their first year of boarding to mix easily as a group and learn to live together away from home.

Facilities within the House include study areas with individual cubicles allowing for quiet and private study, accompanied by views over the grounds and plenty of sunlight; kitchenette facilities to store and prepare snacks; indoor recreation areas with large screen televisions, board games, pool tables and table tennis sets. Boarders have access to outdoor basketball courts, ovals and cricket nets on the adjoining campus, as well as the Gartlan Sports Centre's gym, swimming pool and other indoor facilities.

Charles Fraser House is named after the legendary Jesuit who spent much of his long life here at the College, both as a student and a teacher.

St John's House

Years 9 & 10

St John's House is home to our Year 9 and 10 boarders, comprising a combination of single rooms and shared rooms of four. Students each spend two terms of the year in a single room and the other two terms in a quad room, allowing them to experience periods of quiet privacy, as well as learning to live and get along with others in close quarters.

Study desks are conveniently located in each room with free access to tutors for academic assistance outside of school hours.

An outdoor BBQ area is available for students to enjoy together on Friday nights.

Saint John de Brébeuf (1593-1649) was a Jesuit missionary in Huronia (1626) in modern day Canada. Courageous, gentle and resilient, he was known as the apostle of the Hurons.

Supervised study times in all boarding houses.

Bathrooms are available on every level in convenient proximity to bedrooms; all facilities have private cubicles with lockable doors.

Kevin Fagan House

Years 11 & 12

Kevin Fagan House is home to our senior boarding students. Year 11 boarders share double rooms while Year 12s occupy single rooms for quiet study in their final academic year, with all rooms containing underfloor heating for comfortable temperatures in winter months.

Each room is equipped with study desks and every level offers breakout rooms for group study, as well as kitchenettes and recreation areas.

Kevin Fagan House is named after an eminent Old Boy from the 1920s who was a famous surgeon, war hero and true 'man for others'.

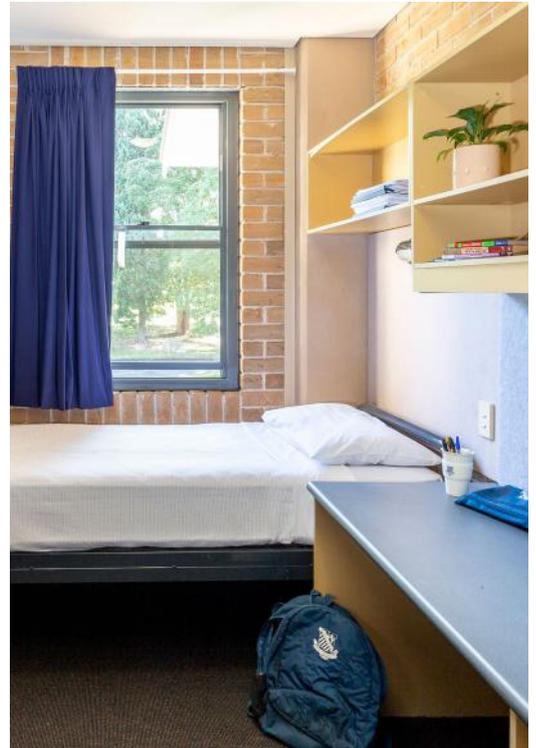

Tutoring is available in the boarding house as part of our academic support structure.

Every boarding house has recreation rooms with extensive leisure facilities including:

- board games
- table tennis and pool tables
- large screen TVs
- gaming consoles
