A close-up, low-angle shot of a brown leather sofa. The sofa has a modern, minimalist design with clean lines and a rich, warm brown color. The leather has a glossy finish, reflecting light and showing some natural-looking creases and textures. The sofa is positioned in a bright, airy room with light-colored walls and a wooden floor. In the background, a small white side table and a green plant are visible, adding to the modern, lived-in feel of the space.
