

# INTEGRATED SMART WORKPLACE SOLUTIONS

dataslot 

# MISSION

Dataslot is on a mission to reshape the future of workplaces by empowering businesses with innovative Platform to efficiently manage their facilities, employees and visitors to drive towards a more sustainable and productive environment.

dataslot 

# THE PROBLEM

High Energy  
Consumption

SPACE

Cost of  
Unused space

Low  
Productivity

EMPLOYEE

Employee  
Retention

dataslot

**23%**  
of energy wasted  
only on HVAC &  
lighting automation

**\$1.5tn**  
are lost globally  
in rental costs due to  
unused office spaces

**45%**  
of employees don't  
find a desk or a  
meeting  
space when needed

**200%**  
of annual salary is the  
overall replacement  
cost for high  
level employees

# THE SOLUTION

Obtain accurate data  
To measure  
Space utilization

## SPACE

Optimize resource  
Utilization through  
Automation

Empower employees with  
The right tools to  
Accomplish their tasks efficiently  
& Focus on what matters

## EMPLOYEE

Create a workspace  
That fosters engagement  
& Enhances productivity
