

2025 FLCA HONORS

CELEBRATION
MARCH 13, 2026 5PM-7PM
ANDERSON, CALIFORNIA

ACKNOWLEDGEMENTS

The “FLCA Honors” events encourage the celebration of the hard working teams that bring a positive impact to the Finnish Lapphund in America.

Since recognition in 2011, Finnish Lapphunds have been steadily growing in popularity and making their mark in all areas of dog sport competition. At the 2023 and 2024 National Specialties, the Top Finnish Lapphunds were recognized by the show committees with meaningful events.

In 2025, with the addition of the Versatility Awards to recognize all of the ways these intelligent dogs can shine, the FLCA Honors event was re-imagined as an annual event to be held at the National Speciality to recognize the previous year accomplishments. The members of the Top FL committee , with input from the Awards and Titles committee, developed a standardized procedure for recognizing the Top Finnish Lapphunds and planned an evening to celebrate the accomplishments of the year.

Every event requires the collaboration of many people without which it would not be possible. We recognize and thank:

- The **FLCA Board**: Andrea Johnson, Maryke Haynes, Kaillin Tupitza, Deanne Nelson, Kayla Augilar, Cheryl Minnier, Amber Beland, Cherie Test Roberts, Jackie Wiltse
- The **Top Finnish Lapphund Committee**: Maryke Haynes (Chair), Cheryl Minnier
- The **Awards and Titles Committee**: Maria Swarts (Chair), Lorraine Paglini, Amber Beland
- The **National Specialty Show Chair**: Terra Farley
- **Prestige NW Ribbons**: Jessica Baker
- The **Shasta Kennel Club**
- **MB-F inc.**
- **Prep & Set Up Volunteers**: Bonnie Nau, Kim Bullard, Vanessa Barrett

**2025
VERSATILITY
AWARDS**

The Versatility Award was developed in 2025 by the FLCA Awards and Titles Committee . The 2026 FLCA Honors event will recognize all dogs that submitted for the award in 2025.

The Versatility Award recognizes dogs that have earned titles across the categories of skills that the Finnish Lapphund has been preserved for:

Herding Dog
Camp Dog
Hunting Dog
Show Dog

The dogs can be recognized at three levels:
Bronze, Silver and Gold

FLCA Versatility Awards may be earned by AKC registered Finnish Lapphunds who have received recognition across the AKC programs as listed in the [FLCA Points Schedule](#). These awards shall be retroactive back to January 2004, the date the breed was first allowed to earn AKC titles.

FLCA Members in good standing with the AKC and the FLCA, who are currently registered owners of the dog or the last recorded owners for posthumously awarded dogs, may apply for these awards.

2025 RUDOLPH AWARD JO OLSON

The FLCA began awarding monthly Reindeer Award Pins in late 2023 to recognize members who contribute to the club's many activities and help move the organization forward. At the end of each year, one outstanding recipient is chosen for the Rudolph Award, honoring someone who steps up as a leader when needed—much like Rudolph guiding Santa's sleigh on a foggy night. After reviewing all pin recipients, the Awards and Title Committee selected Jo Olson of MysticalMagic Finnish Lapphunds. Jo has provided exceptional service through board leadership and numerous committees, including serving as Recording Secretary from 2019–2025. Her dedication and behind-the-scenes work exemplify the high standard of service celebrated by this award.

2025 TOP FINNISH LAPPHUND PARTICIPANTS

All teams listed in the top statistics were invited to participate.

Those that chose to participate, by paying the entry fee, receive a custom Rosette, a commemorative gift, two pages in the FLCA Honors catalog (with 1 picture and 250 words or 2 pictures and 100 words.)

If present at the event, teams have 60 seconds or 30 seconds per qualifying category, whichever is longer, to showcase their team work to a song of their choice. If not able to attend, the rosette and gift will be shipped to them after the event.

Those that elected not to participate, were invited to submit a photo of their dog, cropped down to the dog only, with lineage, breeders and owners listed.

In April 2024, my wife and I sadly lost our best friend, Rogue. We had planned to enjoy a quiet life without dogs for a few years, hoping to welcome another dog into our family later. As with many of life's plans, this was a terrible one, and fate intervened. Villi means "wild" in Finnish, and the last 20 months have been truly wild. In May 2024, we met Katelyn from Katydid Finnish Lapphunds, and in June, Villi was born. By August, he was home, and we've been completely immersed in dog activities ever since. From conformation, barn hunt, rally, fast CAT, scent work, to competitions in Utah, Colorado, Idaho, Wyoming, Oregon, and California, we've made so many new friends (both human and floofy). Villi has opened a whole new world of joy, a touch of anxiety, and fun for us. Thank you to everyone who has helped us along the way.

He competed in 4 agility trials and won 4 titles. You could say Chipee is a quick study. Just 2 years old in December, he is a major thinker,analyzing what I ask of him before he thinks it safe. GCH CH Legendary Bearspaw Magic Riker, “Riker,” was bred by Shelli Sinclair-Wood of Legendary Finnish Lapphunds and Elizabeth and Nicole Prokopyshin who breed under the Bearspaw prefix. He is owned and loved by Terri Thomas. Riker was one of the four pups from the “Velvet/Mikee” litter to finish his championship in 2025. In seven short months of showing he attained his championship winning several Bests of Breed from the classes over champions, group placements to earn his majors to finish the title, and finished the year in the Top Twenty in breed points and #9 in all-breed points. Nice accomplishments in limited amount of showing. And, Riker is just beginning. At this writing, he starts this year tied for #1 in breed and #4 in all-breed points verified by Canine Chronicle Statistics 1/26. We are very excited to see what the future holds for this young dog who will again be campaigned this year by Kevin Chestnut.

Tuukka is my Novice A dog and has helped achieve all my dreams in the dog world, including competing at agility at the national level and earning the AKC Breed Medallion at the 2025 Agility Invitational in Orlando. She is tenacious and determined and the most versatile dog I've ever owned, competing in everything from conformation to barn hunt to agility. We both have found a love for agility, and she has earned the nickname in our agility community as the "Clean Queen," as she rarely will knock down a bar or go off course. She does, however, complete courses at her own leisurely pace (despite my encouragement) and sometimes doesn't understand all the fuss in trying to hurry things along. She is a boss in her own right but incredibly loving and loyal to her people.

My boy, Lihkku Gaddi, “Blix”, was an unexpected and extraordinary gift who came into our lives after being imported from Sweden by Mary Davidson. From the moment he arrived, his bond with my husband was immediate and unbreakable. Even as a puppy, Blix’s favorite spot was I lying close to his family.

He is the most affectionate, cuddly companion, content to sit by your side and soak up attention for hours. We chose to share that gift with others, and Blix embraced this role as a Therapy Dog with wholehearted devotion. Blix thrives on staying busy and is the happiest when we are able to keep our full schedule of four or five visits per week. He has built a loyal following of friends at nursing homes, hospice centers, schools, after school programs and community events. Whether comforting young children and helping them to read, encouraging college students, or bringing a quiet joy to the frail elderly, Blix has an extraordinary ability to connect. After hurricane Helene, he went to work, offering calm and reassurance, his gentle presence speaking louder than words.

While he is perfectly content relaxing with his people, Blix also has a spirited side. He thrives in the herding ring chasing sheep. However, what he considers even better is racing with enthusiasm in both FastCAT and CABT, joyfully chasing “trash bunnies” with unstoppable determination! Whatever we ask of Blix, he gives with his whole heart.

Blix is an amazing gift to us and to everyone fortunate enough to know him!

This boy truly came to dance! At his first group of shows at just 6 months of age, he took Best in Sweepstakes, Winners Dog, Best of Winners and Best Puppy at the 2024 FLCA National. He finished quickly before turning 1 with multiple Bests of Breed from the puppy classes. This is his second year in the Top 20 at only 2. He has multiple group placements, an Award of Merit from this year's National with a Select Dog and a Breed win at the same shows. He also has a Reserve Best in Show making he and his father the only father/son pair of Finnish Lapphunds to do so.

He has been special since the day he came into our lives and just keeps getting better as he matures. From finishing his championship and receiving his CGC at a year old at the National Specialty weekend in 2024, to his multiple OH group placements, he continues to turn heads. Thank you to Liane Winslow, Midnight White Finnish Lapphunds for trusting me with this special boy and allowing me to make him shine. Your mentorship, friendship and support mean the world. Thank you to Lori Hill as we would not be here without you keeping us on time and on track. When I first brought Harry home at eight weeks old, I had no idea what an incredible journey awaited us. I chose him to be both my Junior Showmanship and breed dog, and he exceeded every expectation. Although I have aged out of Juniors, the accomplishments we shared will always mean the world to me.

Harry helped me qualify for Westminster Junior Showmanship three consecutive years. Each time I competed there, I showed Harry, and together we made the first cut all three times. During our Junior career, we earned over 50 Best Junior wins and won Junior Showmanship at our breed's National Specialty in 2024, finishing that year as a top Herding Junior.

In the breed ring, Harry completed his AKC Championship at just ten months old and quickly proved himself in the specials ring, earning multiple Group 1 and additional Group placements. In the Owner-Handled Series, we achieved six Owner-Handled Best in Show wins, making him the top-winning Owner-Handled Finnish Lapphund in breed history. Winning Best in Specialty Show during the week of our 2024 National was an unforgettable honor. Especially in such a quality lineup of dogs. Harry has been a top 20 Lappie all systems for the past 4 years. Harry also earned his Gold Grand Championship title in June. This makes him the third in the breed to do so. Harry is now semi retired, and is enjoying his life being my spoiled rotten best friend!

Arya is my surprise competitor. She started her agility career on shakey ground, having to deal with a major physical defect. But with the veterinary blessing, she is a real go-getter. She is extremely in tune with my commands in obedience and agility, loves competing, so my job is easy. We have won many obedience HITs and HCs, and are working on our obedience Championship and 3rd agility championship. In agility, she can run a course with mostly verbals, a great distance dog. Arya lives up to her reputation "little needle!"

Fozzie is my first show dog. I began showing him to support Nordicsol's breeding program, never expecting the journey ahead. His first weekend in the ring, he earned a Group placement. People said, "That's unheard of." I didn't understand then, but I do now.

Fozzie went on to earn Select Dog at the Westminster Kennel Club Dog Show—an unforgettable honor.

He also competes in FastCAT, Rally, and Nosework, where he truly shines. Above all, he is our hiking companion in the Colorado mountains—rugged, strong, agile, and striding beautifully through snow.

Arlo's Journey

Arlo's start in the show ring wasn't what we planned. With everything shutting down for Covid just as he was beginning, he had to wait to get his feet wet. But when he finally stepped into the ring in March 2021, it was like he was making up for lost time. He earned his first group placement that month and hasn't slowed down since. What's been most rewarding isn't just the ribbons, but seeing how much he's grown. He's had some special moments along the way—like taking Best of Breed at the AKC National Championship twice and seeing his name among the top Finnish Lapphunds in the country. Between the group wins and Reserve Best in Shows, he's certainly been busy.

Through it all, Arlo has just been Arlo. He's consistent, hard-working, and seems to truly love what he does. It turns out his registered name, "Don't Stop Me Now," was more than just a catchy title—it's been the perfect theme for his career. He took a slow start and turned it into a journey we're all so proud of.

Mace is Kayla's first well-bred purebred that's taught her what true partnership in the ring feels like. He was the first Finnish Lapphund to receive a Rally Master Title in July 2024. Then the second, and now third with an RM3.

In 2025 he was the Regional Specialty Best of Breed winner, along with Owner Handled.

They went on to be the 1st Finnish Lapphund team to compete at the Championship Level at the Rally National Championship and even earned an AKC interview.

Through it all, Mace embraces every bit of Kayla's shenanigans. Let's go Versatility!

I could not be more proud of this litter, which is easily the most titled litter I have ever bred. Out of 8 puppies, one was sold as a pet and never shown. Seven were shown in conformation and 6 are champions, with the 7th only 4 minor points from finishing. FOUR puppies have multiple performance titles. Gus is second to his litter brother, Mikee. Their litter sister is Paris, who is FLVB and also a top producer.

AURINKO is a charismatic, loving boy who gives his absolute all in everything he does. At just under three years of age, he has already gone above and beyond every expectation.

In 2024, Aurinko made an incredible mark, finishing #1 Breed and #2 All Breed. He continued his winning streak in 2025, claiming the prestigious #1 All Systems spot.

Beyond the show ring, Aurinko shines in canine sports as well, and we are excited to pursue even more of these activities in the near future.

When he isn't competing, Aurinko is the devoted and constant companion of his owner-handler, Whitney Stacey.

We could not be more proud of Aurinko and everything he has accomplished so far—his journey is only just beginning. We eagerly look ahead to the coming year and the exciting journey that still lies before us.

I am honored to have Mikee be the first recipient of the versatility Gold award. Mikee is the most versatile dog I have owned, having excelled in 3 areas of competition. In 2019 he was #1 breed, all breed, obedience and agility lappy. He is the one and only lappy to have 8 Championships. He has multiple specialty wins, RBISs, obedience HITs HCs, 4 agility championships, and NEVER was campaigned.

His progeny is following his footsteps, which is the best legacy. "Magic Mike" is now enjoying semi-retirement as a lapwarmer.

Storm: Following in Her Father's Pawprints.
Storm has taken to the show ring just like her dad, Arlo. She's a sweet, loving girl who recently followed in his footsteps by taking Best of Breed at the AKC National Championship. It's been such a joy to see her carry on that family legacy while showing off her own unique personality.

At home, Storm is definitely a "no-limits" kind of girl. She has absolutely no respect for dog gates and simply hops over them whenever she decides she'd rather be in a different room! Whether it's getting excited the moment the leash comes out or jumping into the car for a ride, she approaches life with so much enthusiasm.

While she thoroughly loves being in the ring with her handler, Baylee Lewis, she's just as happy hanging out and running with the rest of our "Lappie pack" at home. She's a natural athlete with a heart of gold, and we're so excited to see what else this girl can accomplish as she continues her journey.

In September 2024, Linda Marden sent me a special message about a dream puppy. T He was a black sable puppy yet cream in color. I wanted him so badly. I knew my limited show experience and his non-typical color would be a challenge for conformation.

He was to be Levon, inspired by the Elton John song. I needed a Finnish tie into his name. I saw an article about the White Arctic Fox Legend behind what is known as the Northern Lights or in Finnish - Revontulet. There was no doubt – my beautiful almost white “ Arctic Fox” had to be Sugarok Wyntre “rEVONtulet Legend” – Levon.

Despite his non-typical color, Linda Marden took him on an amazing successful whirlwind show tour this past summer. She proved what an amazing example he is according to the breed standard. It was a huge honor for me to finish the last point for his CH!!!

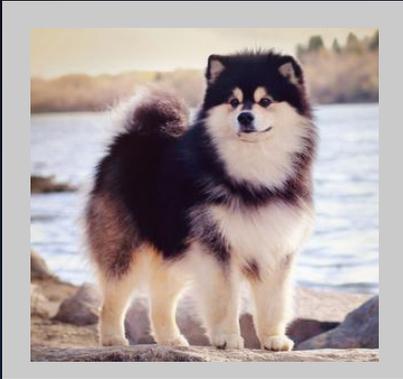

In his first 2 fun runs doing FastCat, he literally “flew”, just like the Arctic Fox Northern Light Legend behind his name. He earned his BCAT quickly. Similarly, he earned his beginner Coursing Test Title (CA) in February 2026.

He gets faster with each run. By the time of the 2026 FLCA Nationals, he shall be “Levon” CH Sugarok Wyntre rEVONtulet Legend CA BCAT and on his way to more FCAT titles.
