Self Watering Instructions

Experience effortless plant care with greenline planters. Our unique sub-irrigation system is designed to take the guesswork out of watering. An integrated reservoir automatically supplies your plants with the perfect amount of water for optimal growth, while the built-in water level indicator shows you exactly when it's time for a refill. For added convenience, many greenline planters feature removable inner liners, making reporting and changing plants fast and hassle-free.

Greenline Makes The Planting Easy.

True living is about creating spaces where we can recharge and reconnect. There is no better way to find balance than surrounded by nature—that's why GreenLine Garden Supply provides the professional-grade tools to build green sanctuaries in any environment.

From commercial landscapes to urban gardens, we make a flourishing plant paradise possible for everyone. Backed by our nationwide network and commitment to quality, we help you bring nature home with ease.
