THE GUIDE

ZOLA 

a love note

My wife and I were so happy that we chose The Club at Ruby Hill as our wedding venue. The venue itself was beautiful with a subtle, elegant feel. It's located in a private, gated community surrounded by a picturesque golf course, and the inside was spacious and perfect for a large gathering.

We had our tea ceremony in the lobby, the larger ceremony outside, and dinner and dancing in the main ballroom. The team at the Club at Ruby Hill was responsive and very easy to work with. The on-site menu tasting was my favorite part of the process because we got to try a majority of the menu, meet the chef, and connect with the team that helped facilitate the behind-the-scenes operations at our wedding. They provided personalized menus and gifted us a bottle of champagne...the day felt really special.

We spoke mostly to Samantha and Tiffani, and both were a pleasure to work with. Highly recommend for those looking for a wedding venue!
