LEXICON

Incl.

Source included or not

Dim.

Source dimmable or not (Trailing edge, triac)

K

Kelvin (source color)

Lm

Lumens (luminous flow)

As manufacturers, most of our designs could be customised for special projects. Any cable height, colors, finishes or even dimensions may be on measure.

Our design office will help architects and interior designers for any bespoke project. We developed also a complete range of hanging solutions to fit into projects with special specifications. Any project could be studied by us to suggest the best we can. We developed canopies for single hanging lamps but also for small or even big combinations.

*For any special project: office@hindrabii.com
From Belgium to the world.*

LEXICON :

Sizes : *all dimensions on technical drawings are in mm*

Phase-cut dimming : *dimmable with a phase-cut dimmer (standard on all products)*

GOOD TO KNOW ABOUT DIMMING :

PHASE-CUT DIMMING

All our products are delivered and tested with analog phase-cut dimming capability.

DALI

For most situations phase-cut dimming is the right way but for new projects for your modern home or for hospitality projects you may need the digital standard DALI.

We also provide on request led drivers for DALI system, contact us !

CASAMBI

Use your phone as a switch or dimmer.

We provide the good solution with the Casambi system. Ask for it !

HANGING SOLUTIONS

For all our ceiling & pendant lights, we supply hanging solutions and systems, allowing a deport of suspension point.

We also developped hanging solutions to help for harmonious presentation of several pendants on the same base.

The systems have been studied for an easy assembly by professionals.
