Hello Confluence Community,

May is a season of celebrations and traditions across Confluence Academies. From kindergarten graduations to high school commencement, our students have reached important milestones, achieved remarkable accomplishments, and demonstrated tremendous growth throughout the year.

It's also a time to celebrate many of the experiences our scholars look forward to most — from the excitement of Field Day to performances and showcases that highlight their talents and hard work throughout the year.

We hope everyone enjoys their summer! We are [enrolling new students](#) for the 2026–2027 school year, so please share Confluence Academies with friends, neighbors, and families looking for an amazing school community.

Thank you for your continued support of our scholars. We are proud to serve our students and families!

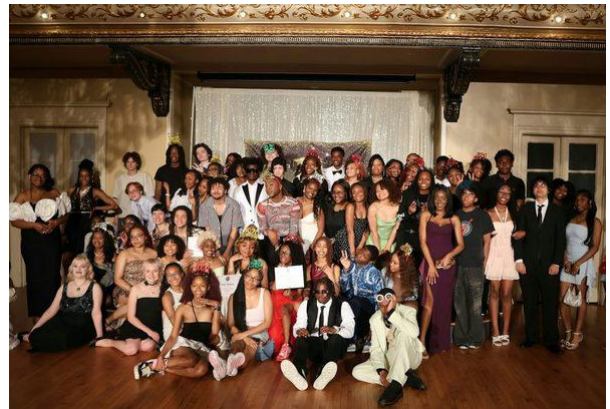

Warm Regards,

Linda DeJoie-Anderson
Student Recruitment & Community Outreach Coordinator

Candice Carter-Oliver, Ph.D.
CEO

Congratulations Graduates!

Superlatives, Senior Banquets, and, of course, Graduation.

These traditions give us the opportunity to recognize the hard work, growth, and accomplishments of our graduating seniors.

We are incredibly proud of the Class of 2026 and can't wait to see where their futures lead. Congratulations, graduates!

Reminder: Summer Journey is underway at [Confluence Academies](#). No school on June 19th in celebration of Juneteenth. The last day of Summer Journey will be June 26th.

Spring Sports

From Track & Field and Soccer to Flag Football, our student-athletes enjoyed an outstanding spring season filled with growth, teamwork, and school pride. We are proud of the hard work our athletes and coaches put in throughout the season!

Confluence Preparatory Academy

No more time to delay! Grab your favorite foursome and [register today](#) for CPA's 6th Annual Golf Tournament! It's going to be a great day on the course in Forest Park while helping us raise funds for a new scoreboard and essential athletic equipment.

Can't play? Support our athletes — [become a sponsor!](#)

Grand Center Arts Academy

GCAA celebrated talent and creativity at its Spring Art Exhibition & Senior Show and Decades Dance performances. Our Dance and Visual Arts scholars demonstrated the artistic growth they have developed throughout the year. We continue to be inspired by their outstanding work and dedication to their craft.

This beautiful new Living Art Wall was designed and built by GCAA's Gifted and Talented Education students. The interactive space allows student artwork to be continuously displayed, refreshed, and reimagined throughout the year, creating a living showcase of the creativity, collaboration, and artistic expression that define the GCAA experience.

Field Day Fun

It's one of the most anticipated days of the school year for students at Old North and South City — Field Day! From inflatables and relay races to tug-of-war and jump rope, the day is always filled with fun and, of course, snacks. It was the perfect way to celebrate a great year and create lasting memories with friends and classmates.

Old North Academy

Old North Academy's second graders spent a day visiting the Old Courthouse and Gateway Arch National Park. Students learned about the landmark Dred Scott case at the Old Courthouse, and explored museum exhibits beneath the Arch that highlighted westward expansion and the history of St. Louis.

South City Academy

Our smart and adorable kindergarteners celebrated the end of their year with a graduation ceremony full of pride, a little pomp, and a bit of singing. Dressed in their finest, they crossed the stage as their families cheered them on. We can't wait to welcome these rising first graders — and all of our students — back in August.

South City's third-grade students kicked off MAP Testing Week with a delicious tradition — a Pancake Breakfast. Resource and school staff served up warm pancakes and plenty of encouragement to help students feel confident and ready for the week ahead.

We love celebrating our students who are making a difference in our community.

Ms. Naccarato and the BLOOM Club led a school-wide food drive, collecting donations for the St. Louis Area Foodbank and helping support families across the region.

Their efforts are a wonderful example of students lifting others up.

Food and Assistance Resources

Please find a list of [local resources available throughout the St. Louis area to help with food, financial, and housing needs here](#). If you have questions or need additional support, please reach out to your school's main office for guidance.
