We're here to help, every step of the way.

Our *Live Better Now* Program is designed to help reduce stress and simplify the moving process. So, you'll receive timely updates and informed guidance from the day you make your initial deposit all the way through moving day. That way, you'll know what to expect and when to expect it — without surprises.

We're ready to share knowledgeable advice on everything from residence selection to design options and customizations. You'll enjoy attention and coordination support from your dedicated Lenbrook Move-In Manager, who is here to coordinate with any preferred partners you engage, ensuring that every detail goes smoothly.

When you participate in the *Live Better Now* Program, we'll coordinate

a complimentary consultation with one of our trusted Realtors® to help you get the most out of your home-selling experience.

You'll also have access to our move management partners, who offer a wide range of support, from sorting your household items to interior design support and space planning. They can help you evaluate and schedule packers and movers, relocate unwanted items, and arrange your furniture to work perfectly in your residence. You can even direct them to unpack and organize, hang art, set up cabinets, make the beds, and hang up your clothes.

We can also arrange for you to stay in a relaxing guest suite while your residence is being prepared for move-in. It's all part of our commitment to make your move as easy as possible, so you can get on with enjoying everything life at Lenbrook has to offer.
