Greetings Friends,

April, May, June 2025

The wind told the grasses, and the grasses told the trees. The trees told the bushes, and the bushes told the bees. The bees told the robin and the robin sang out clear: Wake Up! Wake Up! Spring is here!

I hope this newsletter finds you happy & healthy. As the bird's chirp and the flowers start to bloom, it's time to kick off another season here at the Park District. Forget about "spring cleaning" – let's talk about "spring gleaming"! That time of the year when we shake off the dust bunnies, fluff up our cushions, and give our home the TLC it deserves. But hey, spring isn't just about tidying up! It's also about embracing the great outdoors and having fun with friends here at Fon du Lac Park District.

Come join us for some of our outings or just hang out here at the building and enjoy the activities. I hope to see you all soon. Have a great spring!

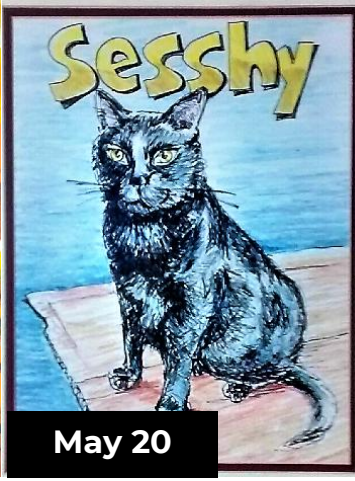

Stay safe and well,

Jackie

TAKE NOTE: The Fon du Lac Park District Administration Center will be closed Friday, April 18 in observance of Good Friday, Monday, May 26 in observance of Memorial Day and Friday, July 4 in observance of Independence Day.

The rules for sudoku are simple. A 9×9 square must be filled in with numbers from 1-9 with no repeated numbers in each line, horizontally or vertically. To challenge you more, there are 3×3 squares marked out in the grid, and each of these squares can't have any repeat numbers either.

The puzzles will help you get started by providing some correct numbers – the fewer numbers provided, the more difficult the puzzle.

Here are a few tips that can help beginners solve sudoku puzzles:

1. Look for the Easy Solutions
2. Seek the Missing Numbers
3. Keep Scanning the Entire Puzzle
4. Constantly Re-Evaluate the Grid
5. Be Patient and Enjoy the Hunt

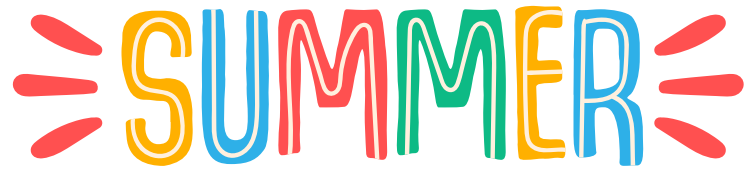

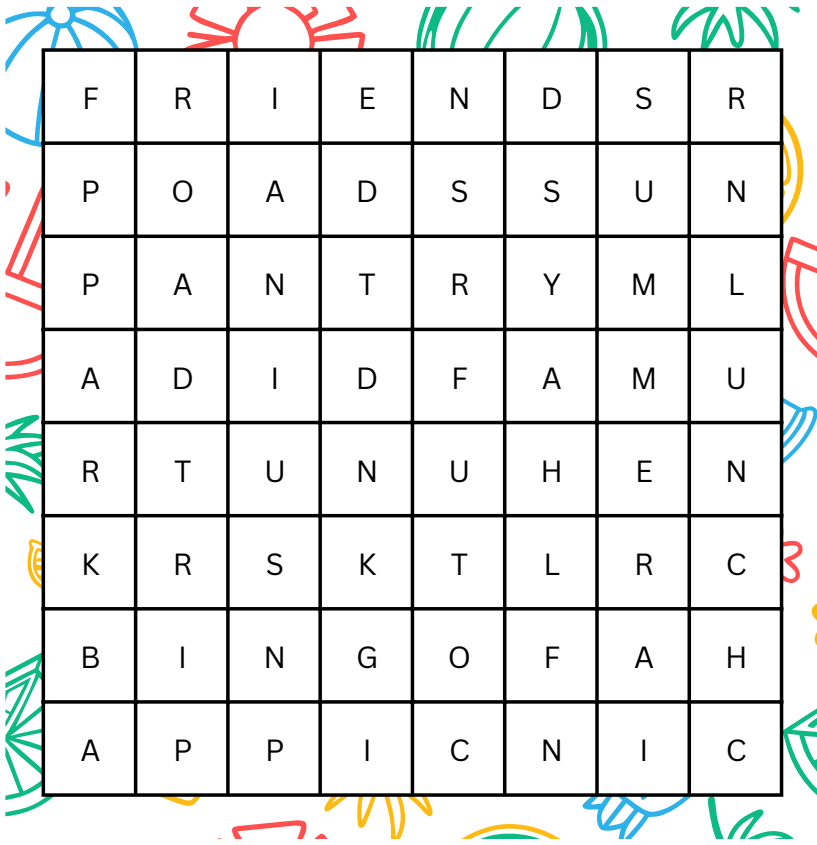

Jackie does have the answer guide if needed.

SPRING SAFETY TIPS

There's nothing quite like the sunny weather to motivate us to get organized this spring, and to help you get started, here's our top spring cleaning safety tips for seniors:

TAKE YOUR TIME

Set plenty of time aside to do some spring cleaning. The key is finding a balance: don't let tasks drag on, but don't feel like you have to get everything done in one weekend, either.

CHECK THE FRIDGE AND MEDICINE CABINET

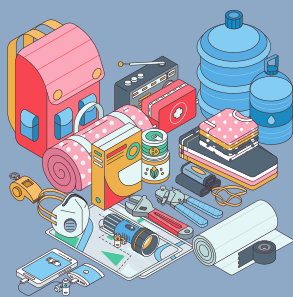

Although they are easy to overlook, both the refrigerator and medicine cabinets can be hotspots for expired products. Be sure to throw away all expired food items and medications, especially those that are no longer prescribed to you.

DOUBLE-CHECK SMOKE AND CARBON MONOXIDE DETECTORS

Smoke and carbon monoxide detectors are easy to ignore until there's an emergency. Make sure that there are fresh batteries in all of your smoke and carbon monoxide detectors.

PREP FOR EMERGENCIES

It's a good idea to go over what to do in case of an emergency, such as a power outage or a house fire, every spring to help keep the plan fresh in your mind.

Emergency kits should be assessed often and restocked in the spring and winter. General contents may include: a flashlight and spare batteries, thermometer, Band-Aids, scissors, tape, triple antibiotic ointment, wound care dressings, allergy and digestive medications, protein bars, a current medication list and names and phone number of family or friends to contact list in an emergency.

CLEAN UP CLUTTER

Trips and falls are likely to happen when you accumulate too much "stuff". Reduce the risk by removing unnecessary and obstructive items from your regular walking paths and place them in storage. Make maintaining a clear walkway in every room of the house or apartment a top priority.
