ABOUT THE XPO

The 2023 Canberra CareersXpo is presented in association with the Rotary Club of Aurora Gungahlin and incorporates 5 programs in one: CareersXpo, *real skills for real careers*, Indigenous Exhibition, School to Work and STEM Cell. The program also includes a Parent and Student Information Session and a Postgraduate Information Session for parents and graduates between 4.00pm and 8.00pm on Wednesday evening.

HISTORY

The Canberra CareersXpo is celebrating its 44th year of operation. The 2022 two-day event attracted in excess of 7000 visitors, down due to COVID, and 120 local and national exhibitors. In 2022 we successfully expanded into the Coorong Building and the larger venue enabled everyone to be under the one roof in a warm and comfortable environment.

AIM

The 2023 Canberra CareersXpo will provide exhibitors with a target audience of upwards of 8000 students and adults looking for advice and information on current and future employment and careers options through apprenticeships, study and employment.

Exhibitors come from a broad cross section of providers including Universities, Federal and State Government institutions (local and interstate), employer organisations, private colleges, apprenticeship centres and numerous individual businesses.

We recognise the rapidly changing nature of the jobs market and incorporate future innovations in the industrial and professional worlds of employment. These emerging career opportunities will be a feature of the 2023 Canberra CareersXpo.

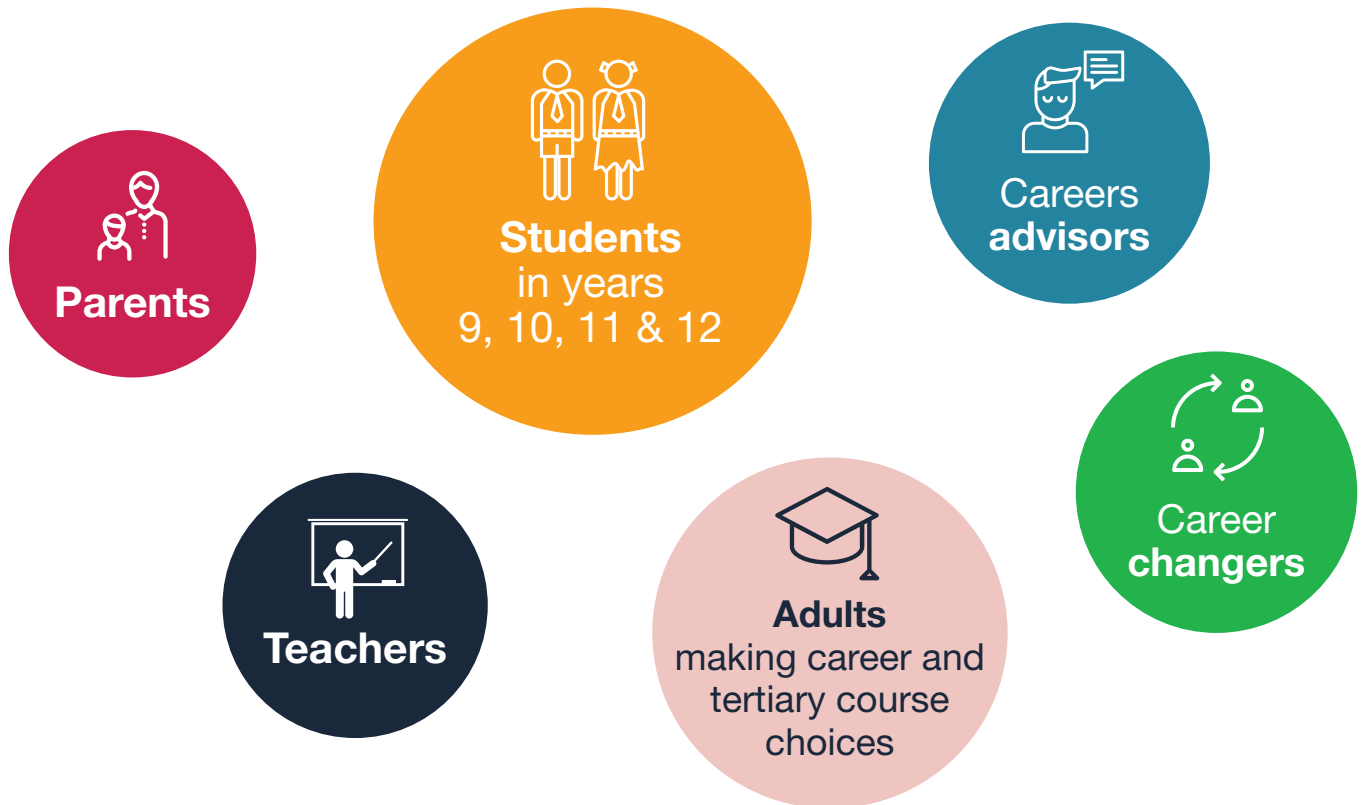

WHAT'S NEW IN 2023?

- The CareersXpo will be open on Wednesday from 9.00am to 3.00pm. There will be a break from 3.00pm to 4.00pm on Wednesday, where exhibitors are welcome to gather in the Exhibitor Lounge before the evening program between 4.00pm and 8.00pm commences. The evening program includes CareersXpo exhibitors in the Coorong and Budawang Pavilion's. The program also includes Seminars, a Guest Speaker, Workshops, and the Postgraduate Information Event. Registrants for the Postgraduate program will be directed to those exhibitors in the Budawang and Coorong Pavilion's that offer Postgraduate study options.
- A bigger, better 'Schools to Work Exhibition' incorporating exhibitors who are offering employment opportunities post school or immediately. These include ASbA's (Australian School Based Apprenticeships) and organisations offering full-time apprenticeships or traineeships as part-time or full-time positions.
- The *real skills for real careers* exhibition will be spread between the Budawang and Coorong Building. It will promote the STEM programs and present an innovative exhibition of some of the emerging trade skills, required in the modern workplace. Visiting students will be given the opportunity to experience VET-based trades and skills firsthand and to talk with experienced workers and staff.
- Exhibitors can offer short seminars onsite during the CareersXpo event. Use of the seminar room and audio-visual equipment is **FREE**.

WHAT'S HAPPENING IN 2023?

- 'Employment Opportunity' board will advertise, using a QR code, upcoming job positions and apprenticeship opportunities.
- Experienced Practitioners will be on hand to provide **FREE** practical CV and Job Application advice.
- The Indigenous Employment Exhibition raises awareness of career and education opportunities including support services available for Aboriginal and Torres Strait Islander people.
- The *real skills for real careers* exhibition will again provide a hands-on and interactive display of STEM programs and an opportunity for students to try their hand at various skill and trade areas such as laying a few bricks, planting seedlings or making a mocktail.
- An informative and comprehensive Visitor Guide supplement is published in the Canberra Times on the Thursday prior to the CareersXpo.
- **FREE** internet access is available for all exhibitors using the Free CBR network.
- We are putting together a new lunch menu in conjunction with the EPIC caterers that will include hot and cold options. Exhibitors can order their lunch each morning at the café in the Coorong Building.
- A larger Exhibitors' Lounge will be in the Parkes Room, located between the Budawang and Coorong Pavilions and will include the usual great coffee, tea, juice, biscuit, snack and fruit selections. Exhibitors can again avail themselves of the **FREE** espresso coffee made by our student baristas who will be supervised by the Lions Club of Belconnen. The **FREE** espresso coffee can be found at the **Coffee Spot** located in the Exhibitor Lounge.
- More information about the Canberra CareersXpo can be found on the [website](#).

WHITE OCTANORM MELAMINE BOOTHS

The Octanorm booths are used for the majority of the booths in the Budawang and Coorong buildings.

There are restrictions on the methods used for attaching material to these panels. You can use the standard Velcro dots and strips but **NO** pins or tacks are allowed on the Octanorm panels.

BLACK CLOTH PANEL BOOTHS

The black cloth panel booths are located around the perimeter of the Coorong building.

There are no restrictions on the methods used for attaching material to these panels. You can use the standard Velcro dots and strips as well as pins and tacks.

COVID SAFE PROCEDURES

There may be restrictions on this event in accordance with the ACT Health guidelines and we will keep you updated through our newsletters and the website. We will have a COVID safe plan for the event.

It is recommended that exhibitors have a COVID safety plan written down covering their booth space. The plan should include how they will manage student and staff movements and cleaning procedures in their booth(s). A bottle of COVID compliant hand sanitiser must be always accessible to students and staff throughout the event. We recommend you visit the ACT Government website for further information.

FEEDBACK

Following the 2022 CareersXpo, the ACT Education Directorate received many positive comments from schools and teachers:

2022 feedback from the main exhibition area was also very positive and the following comments were taken from our survey:

"The students found the event very worthwhile and we really appreciate the time and effort that goes into organising this event."

"It was great. The students particularly enjoyed the hands-on activities (trades, games, bricklaying etc)."

"Thank you so much for providing this amazing opportunity for our academy, we just loved it! The organisation of it is amazing, every detail of it flows well."

"It was a great experience at the Canberra CareersXpo, we really enjoyed the intensity and the support of yourself and the other exhibitors."

"We appreciated your attention to our needs to ensure that we had maximum exposure to our target student groups. Thanks for the high standard of organisation and control of the large number students and teachers attending."

"I really enjoyed the event, the kids we spoke to valued our advice and talks."

"Thanks for all your work on the expo. I think it was great!"

"We really enjoyed the day and got a lot out of it. We certainly hope to be invited back next year."

"I thought the CareersXpo was great. It met all of the students' needs and the feedback from the students on the bus was all positive."

EXHIBITORS LOUNGE

For the comfort of exhibitors, the more spacious Parkes Room, located in the Conference Centre between the Budawang and Coorong Pavilions has been designated as the exhibitors' lounge. **FREE** cold drinks, tea, instant or pod coffee, juice, fruit, snack bars and biscuits will be available.

Exhibitors can also avail themselves of **FREE** espresso coffee and hot chocolate made by an enthusiastic team of student Barista's at the Coffee Spot, also located in the exhibitor lounge.

FACILITIES

There is a café on site that offers a range of hot and cold food and beverage options. If required, there is also limited storage available for materials.

LUNCH ORDERS

Lunch and beverage options can be ordered and paid for each morning at the café in the Coorong Building. Lunch delivery available for booths with limited staff.
