Rise Hall Weddings

Nestled in the peaceful Yorkshire countryside, our Grade II listed house is surrounded by 30 acres of parkland.

As an exclusive use venue, the house is yours for the duration of your stay. Rise Hall is truly your very own 'stately home from home'.

The grand architecture is complimented by a light, bright interior which combines historic features with modern comforts.

If you're looking for a memorable setting, complete exclusivity and superb service, you'll find it at Rise Hall.

30 acres of privacy

Sweep through the gates, along the driveway and leave the world behind. Rise Hall is hidden beyond the woodlands, magnificent and completely private.

Approach the house via the west lawn and marvel over the stunning views- the Capability Brown parkland with its lakes and plantations is unchanged for centuries.

The imposing house and its wonderful setting provide the most glorious backdrop to unforgettable moments.

Fall in love all over again

With guidance and support throughout your wedding planning, your special day will be beautiful and seamless at Rise Hall.

Your Event Manager will be available to assist you throughout your planning, right through to the day itself. From choosing menus, arranging floristry or liaising with entertainment, you can relax knowing our award-winning team are on hand.

Rise Hall will always be exclusively yours. We are licensed for both indoor and outdoor civil ceremonies with a variety of rooms to suit celebrations of all sizes, from 60 to 180 guests. We also have luxury overnight accommodation for 62 people in 31 bedrooms.

Relax & enjoy the preparations

Our wedding suite, the Swift Suite offers plenty of space for you and your wedding party to get ready on your wedding morning. An abundance of natural light pouring in through the full length windows makes it easy for your makeup artist to achieve the perfect finish! With a stunning en-suite bathroom , boasting twin bath and marble shower, you couldn't ask for more.

With 30 additional bedrooms to choose from, there is ample space for the whole wedding party to get ready for the ceremony.

Stay the night before your wedding, and have access to our fully equipped kitchen, the Butler's Pantry.

Say 'I Do'

Opening onto the outside terrace, and with large windows & doors down one side, the interlinking Morning Room & Drawing Room are perfect for Civil Ceremonies. For larger celebrations, we can also hold ceremonies in the Orangery. Alternatively, you can choose an outdoor ceremony in the beautiful private grounds, with views over the parkland.

Drinks Receptions

Rise Hall has a multitude of magnificent spaces perfect for drinks receptions.

The south lawns open out from the house with views across the parkland. These areas are perfect for outdoor receptions, perhaps with a game of croquet or traditional garden game. Indoors, the spectacular gallery and Belvedere hall there are two levels bathed in natural daylight, so you have a photographer's dream space whatever the weather.

Your wedding photography

With 30 acres of lawns and woodland, there are ample locations for you to get the perfect wedding shots with your new spouse. From formal photos on our portico, to more relaxed pictures on the swing, your photographer will find Rise Hall is the perfect backdrop.

Indoors, the library, drawing room, gallery and more are all yours to explore.

Eat & be merry

The Orangery is the largest space in the house, with capacity for 180. Five French doors offer views over the picturesque park and provide access on to a stone terrace nestled under a lime grove. This is a wonderfully contemporary and flexible space flooded in natural daylight.

Next door is Rise Hall's very own pub, with antique panelling and a traditional feel. It's a popular space for guests to hang out during the evening

Food & Drink

At Rise Hall all our food and drink are by the award-winning team at Dine. With a wide variety of menus to choose from, and even the option of a bespoke menu designed just for you, you know you'll dine in style.

And with over 25 years of working with everyone from A list stars to the British royal family, you can be sure you and your guests are in the very best of hands.

Lets party!

Rise Hall has been a playground for party people for 200 years- and you can carry on the tradition. Party into the night with live music, dancing & fireworks, or chill out around the firepit.

Our spacious grounds have accommodated fairground rides, whilst the sitting room has air hockey and traditional games for children.

End the evening with a nightcap in the library in front of a roaring fire. Or make yourself a hot chocolate in the fully equipped Butler's Pantry.

And so to bed

When the party's over, our 31 luxury bedrooms can accommodate your guests in splendour. Each room is individually designed to combine historic details with modern comforts, so you will awake refreshed, ready for your new life to begin. Our family suites mean even the youngest guests will feel at home.
