

DUAL DIGITAL

Sheet Products

Tired of buying specific stocks for specific presses? Wausau Coated Products has solved this with Dual Digital Products, a dual print product line that runs on both Production Toner and Indigo digital presses. Think of the convenience Dual Digital offers with more purchasing flexibility with film and specialty options to help take your printing to the next level!

Dual Digital items are suitable for cross-platform printing on both HP Indigo sheet presses and many Production Toner digital presses. This gives you the purchasing flexibility to recommend one product for multiple print methods! To insure that your printers have the right product, specific press testing and end-use qualification is recommended for each application.
