# WHAT MAKES A TUPELO PRODUCT?

## Original Design

Tupelo products are first and foremost designed to be original. We strive to create products unlike anything you've seen or experienced. We believe in simple design that leaves a meaningful and lasting impression.

## Best-In-Class Quality

Tupelo's foundation is anchored in design and engineering. We utilize precision manufacturing right here in the USA to maintain the highest quality standards.

## Easy Ownership

We understand the full experience of owning furniture. Investing in Tupelo products means little to no maintenance that's backed by exceptional customer service. We call that easy ownership.

## The Bask<sup>®</sup> Lounge Chair

---

A modern interpretation of the classic Adirondack chair. That was the starting line for the design process of the Bask Chair. Iconic, functional, and comfortable is the simplest way we can describe it. Did we mention incredibly durable? That too.

## The Line Lounge Chair

The Line Chair is one of Tupelo's most versatile designs. It's engineered to function as the perfect in-pool chair and designed to look even better on dry land. If you need a more upright posture for lounging, but don't want to use all the precious real estate on your sun shelf, the Line Chair is the perfect solution. Add the Line Ottoman for enhanced relaxation.

# The Fluent Side Table

The Fluent Side Table is the companion that every great lounge chair needs. With all the seating styles and postures Tupelo has to offer, the Fluent Side Table is designed to truly be a one-size-fits-all solution. The size and height is ideal for all occasions. The aesthetic is tailored to integrate with all design styles. That's why we call it Fluent. It speaks all design languages.

# All-Weather Cornhole

Create an all-weather cornhole set that is more akin to high-end outdoor furniture than a cheap game from a sporting goods or toy store. That was the mission. This isn't the cornhole set your friend made in their garage. It features elegant, powder-coated steel frames, all-weather HPL composite boards, and a unique shock absorption system for superior cornhole gameplay, sound, and feel. The All-Weather Cornhole set can be left outside for all four seasons without hesitation. Custom laser engraving is available.
