WS / EW WORKBENCH

IDEAL FOR A RANGE OF ENVIRONMENTS

ASSEMBLY

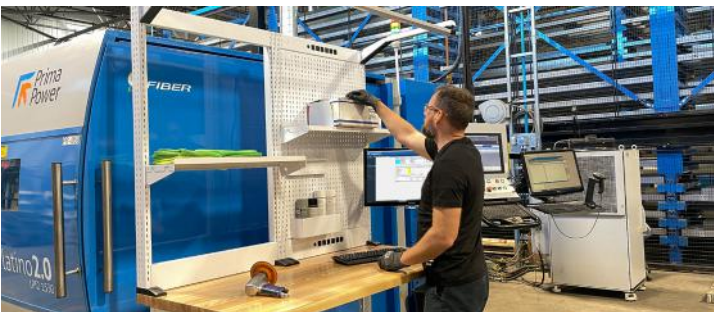

With a wide range of accessories available, Rousseau workbenches are a versatile and popular choice. Whether you are installing workstations for a production or assembly line, or a custom layout for your machine tool workshop, our products meet the highest standards in terms of efficiency and functionality.

A CUSTOMIZED WORKBENCH FROM TOP TO BOTTOM

With our extensive range of accessories, you can arrange the workspace to your liking both above and below the work surface. Whether you need to store equipment in a secure place or keep your parts and tools conveniently to hand, your station can be configured to suit your requirements. When you choose a Rousseau workbench, you are making a long-term investment. They are incredibly durable and can evolve in line with your needs.

MULTIPLE CONFIGURATIONS

EC3127C

EC3011C

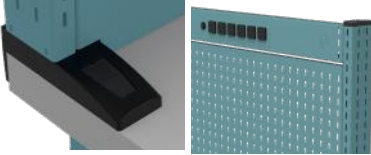

WSA4073

FINISH

Accessories seamlessly integrate with no visible screws or gaps, offering a uniform overall appearance.

The base of the EW post aligns perfectly with the edges of the work surface, ensuring an immaculate finish and a streamlined modular design.

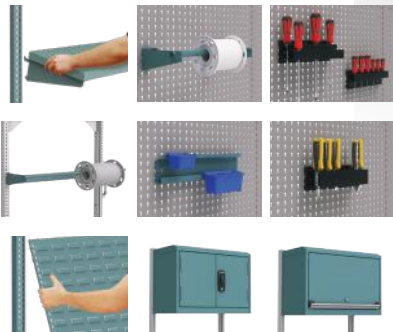

RETROFIT

Our EW bench frames can be installed on most industrial workbenches available on the market.

ACCESSORIES

Configure the space above the workbench.

EC3123C

WORK SURFACES AND RISER SHELVES
