Acrylic Solid Surface

We've got surfaces covered

This comprehensive guide to our range of brands and products has been designed to make specifying and ordering faster and easier for you.

Laminex has been a proud Australian manufacturer for over 85 years, having grown from a tin shed in Melbourne to now having multiple large-scale manufacturing plants in cities and country locations right around Australia.

Laminex is dedicated to keeping manufacturing local, investing in industry skills growth as well as supporting communities and our industry. Through innovation and a strong belief in Australian Made, Laminex continues to invest in new technology to produce locally made products with a focus on sustainable business practices.

Colour Selections

The Laminex Colour Collection is a timeless palette inspired by the colours from nature.

Whites & Neutrals

Featuring classic shades of white, organic mid-tone neutrals and a selection of darker tones from intense charcoals to black.

Woodgrains

Reflecting the authentic textures and tones of solid timbers, from cool and neutral grey tones through to light and dark warm tones.

Minerals

Inspired by the textural beauty of natural stone and concretes, featuring marble designs, aggregates in quartz and terrazzo styles and raw concretes.

Accents

An evolving palette that reflects shifting design trends, from muted bolds to brilliant brights, patterns and metallics.

Finish Selections

Laminex finishes are designed to add dimension and tactility to spaces.

AbsoluteGloss A premium, ultra-glossy, reflective finish with a mirror sheen.

AbsoluteMatte A premium, super-matte, intriguingly tactile and fingerprint resistant finish.

Carbide A subtle textured finish with a soft sheen.

Chalk A low gloss, tactile finish with the look and feel of a raw veneer.

DiamondGloss A high gloss, smooth touch finish.

Flint A subtle, textured finish with a soft sheen.

Gloss A high gloss, smooth touch finish akin to a whiteboard surface.

Metallic A real metal surface designed for special effects on vertical surfaces.

Natural A durable, low sheen, smooth touch finish.

Nuance A matte and gloss combination with a linear, sandblasted woodgrain effect.

Paper A textured, organic finish made from 30% reclaimed material, with the handmade appearance of recycled paper.

Plex A low gloss finish with a textile effect.

PureGrain A luxurious matte finish with a delicate woodgrain texture for a beautiful, organic painted wood effect.

Silk A sleek, semi-gloss, smooth touch finish.

Product Selections

Laminex is a proud Australian manufacturer. Our products combine modern design with resilient materials.

Laminate (HPL)

A thin, highly resilient and versatile surface mostly adhered to a thicker substrate to make laminate benchtops or wall panels. Postformable laminates can be moulded to a radius for seamless benchtops and curved designs.

Compact Laminate

A robust, moisture resistant, self-supporting panel with high scratch, wear, stain and impact resistance. Often specified for its toughness and serviceability in demanding environments.

Decorated MDF

A mainstay of interior joinery due to its versatility and resilience to wear. It's also easy to clean and unlike natural veneers and other materials, it resists fading. Matching edging is available.

Decorated Particleboard

A cost effective solution in project design and construction, often used as commercial wall cladding or in retail and office fit-outs as workstations and office furniture. Matching edging is available.

Laminex DesignEdge Doors and Panels are manufactured using 16mm or 18mm E0 MR MDF substrate, as available, and FormWrap and ColourTech are manufactured using the Ultracraft™ 18mm E0 MR MDF substrate. For more details, refer to the Technical Datasheet. Panel size dimensions: Min and Max panel size dimensions vary by profile and range. Refer to the Easy Reference Guide. Documents available at www.laminex.com.au. Colours may vary depending on a number of variables including the types of substrate. While we will endeavour to match colours, they may not be an exact match. Please familiarise yourself with the colour match before placing an order. By placing an order you accept the slight colour variation which is not a defect.

Laminex DesignEdge Doors and Panels are manufactured using 16mm or 18mm E0 MR MDF substrate, as available, and FormWrap and ColourTech are manufactured using the Ultracraft™ 18mm E0 MR MDF substrate. For more details, refer to the Technical Datasheet. Panel size dimensions: Min and Max panel size dimensions vary by profile and range. Refer to the Easy Reference Guide. Documents available at www.laminex.com.au. Colours may vary depending on a number of variables including the types of substrate. While we will endeavour to match colours, they may not be an exact match. Please familiarise yourself with the colour match before placing an order. By placing an order you accept the slight colour variation which is not a defect.

Standard Leadtime for available options is 10-15 working days for manufacture plus freight transit time. Special requests and project job lots may have an extended lead-time. Estimated despatch date ex-manufacturing location will be advised on return of order requests. ^Only select colours available for 33/38 thickness using ABS edging.

Toilet and Shower Partitioning, Privacy Panels, Vanities, Seating & Lockers

Discover Laminex® Waterloo™ Partitioning Systems and learn how effortless specifying toilet and shower partitioning can really be. All Laminex Waterloo Partitioning systems are proudly Made in Australia using quality Laminex Australian Made substrates and are backed by our 10 year warranty on our compact laminate board and 7 year warranty on Structural MR® MDF. Specifying Waterloo is as easy as 1, 2, 3. Simply follow the steps below to complete your specification or obtain a quote.

Step 1. Select a System

Privacy Plus

Ceiling Suspended

Pedestal Mounted

Floor Mounted

Freestanding

Floor to Ceiling

Custom designs also available to suit your individual needs.

Step 2. Select a Substrate Material

Laminex Multipurpose Compact Laminate 13mm

- Self-supporting high pressure laminate based on thermosetting resins homogeneously reinforced with cellulose fibres.
- High pressure decorative laminate applied to both sides.
- All cut edges have a polished black edge that doesn't require additional laminate for added protection.
- Excellent resistance to scratches, graffiti, vandalism and water.
- Premium level of hygiene protection in healthcare environments.
- Limited colours also available in 18mm, refer to Availability Guide.
- All Laminex Multipurpose Compact Laminate comes with Protec+ Antimicrobial Technology, making it the safer choice.
- Global GreenTag Certified – Level A.

Made in Australia

Protec+ Antimicrobial Technology

WET & DRY AREAS

Laminex Structural MR® MDF 18mm/32mm

- A robust MDF core that provides superior impact resistance. The 18mm substrate features an extra high density core for up to twice the impact resistance of Laminex Vertiboard 18mm.
- Decorative melamine surface pressed on both sides of the board.
- All Laminex Structural MR MDF comes with Protec+ Antimicrobial Technology, making it the safer choice.
- Global GreenTag Certified - Level A.

Made in Australia

Protec+ Antimicrobial Technology

DRY AREAS ONLY

Step 3. Select a Colour & Finish

Waterloo partitioning systems are available in all Laminex Multipurpose Compact and Laminex Vertiboard colour and finish options, giving you the choice of over 50 stunning décor options. Refer to the availability guide above for a complete list of colour and finish options for each substrate.

Colour Collection
Brochure.

Colour Guide

A popular range of the most hard-working colours to answer almost any project brief or space.

Whites & Neutrals

From whites to black and lots more in between, this range offers the most popular solid colours for reliable results.

Woodgrains

A range of the most popular oaks and other realistic woodgrains designed to coordinate easily.

Minerals

A go-to range of the most popular marble designs, granite and concrete looks to cover a wide range of project styles and tastes.

Accents

Add a versatile pattern or a touch of metallic to lift projects.

Finish Guide

A range of simple, hard wearing, classic finishes to help add texture or shine to projects.

AR Plus®

A high gloss finish for moderate use applications that require more care and maintenance.

Gloss

An easy care, semi-gloss finish.

Grain

A hard-wearing, tactile, matte woodgrain texture.

Metallic

A real aluminium surface in an anodised or brushed tactile surface.

Pearl

A smooth, lightly stippled, hard-wearing finish.

Velour

A highly durable, multipurpose low sheen finish.

Velvet

A hard-wearing, soft touch, multipurpose cabinetry finish

Product Guide

Formica offers a range of benchtop, cabinetry, wardrobe and cabinetry interior panel products for affordable style.

Laminate (HPL)

A hard-wearing thin laminate suitable for benchtops in moderate to high-use areas like busy kitchens, bathroom vanities and laundries.

Decorated MDF

Versatile and hard-wearing panels ideal for cupboard doors, drawer fronts and shelving.

Decorated Particleboard

Versatile and affordable in larger sheet sizes for fewer joins and a clean finish for walk-in wardrobes and large format storage solutions or coloured cabinetry interiors.

EasyFit Benchtops

EasyFit benchtops are made using a durable, laminate, formed to a 3mm radius around a Moisture Resistant Particleboard, offering a contemporary square-edge-look.

Design for life.

Laminex® has been part of Australian life for more than 85 years. Our commitment to design, innovation, quality and sustainability endures. That's why we continue to produce a beautifully curated collection of decorative surfaces. They're perfect for a wide range of styles and applications, and are designed to stand up to the rigours of everyday life.

Colour Selections

The Laminex Colour Collection is a timeless palette inspired by the colours from nature.

Whites & Neutrals

Featuring classic shades of white, organic mid-tone neutrals and a selection of darker tones from intense charcoals to black.

Woodgrains

Reflecting the authentic textures and tones of solid timbers, from cool and neutral grey tones through to light and dark warm tones.

Minerals

Inspired by the textural beauty of natural stone and concretes, featuring marble designs, aggregates in quartz and terrazzo styles and raw concretes.

Accents

An evolving palette that reflects shifting design trends, from muted bolds to brilliant brights, patterns and metallics.

Finish Selections

Laminex finishes are designed to add dimension and tactility to spaces.

AbsoluteGloss A premium, ultra-glossy, reflective finish with a mirror sheen.

AbsoluteMatte A premium, super-matte, intriguingly tactile and fingerprint resistant finish.

Carbide A subtle textured finish with a soft sheen.

Chalk A low gloss, tactile finish with the look and feel of a raw veneer.

DiamondGloss A high gloss, smooth touch finish.

Flint A subtle, textured finish with a soft sheen.

Gloss A high gloss, smooth touch finish akin to a whiteboard surface.

Metallic A real metal surface designed for special effects on vertical surfaces.

Natural A durable, low sheen, smooth touch finish.

Nuance A matte and gloss combination with a linear, sandblasted woodgrain effect.

Paper A textured, organic finish made from 30% reclaimed material, with the handmade appearance of recycled paper.

Plex A low gloss finish with a textile effect.

PureGrain A luxurious matte finish with a delicate woodgrain texture for a beautiful, organic painted wood effect.

Silk A sleek, semi-gloss, smooth touch finish.

Product Selections

Laminex is a proud Australian manufacturer. Our products combine modern design with resilient materials.

Laminate (HPL)

A thin, highly resilient and versatile surface mostly adhered to a thicker substrate to make laminate benchtops or wall panels. Postformable laminates can be moulded to a radius for seamless benchtops and curved designs.

Compact Laminate

A robust, moisture resistant, self-supporting panel with high scratch, wear, stain and impact resistance. Often specified for its toughness and serviceability in demanding environments.

Decorated MDF

A mainstay of interior joinery due to its versatility and resilience to wear. It's also easy to clean and unlike natural veneers and other materials, it resists fading. Matching edging is available.

Decorated Particleboard

A cost effective solution in project design and construction, often used as commercial wall cladding or in retail and office fit-outs as workstations and office furniture. Matching edging is available.

Colour Guide

A popular range of the most hard-working colours to answer almost any project brief or space.

Whites & Neutrals

From whites to black and lots more in between, this range offers the most popular solid colours for reliable results.

Woodgrains

A range of the most popular oaks and other realistic woodgrains designed to coordinate easily.

Minerals

A go-to range of the most popular marble designs, granite and concrete looks to cover a wide range of project styles and tastes.

Accents

Add a versatile pattern or a touch of metallic to lift projects.

Finish Guide

A range of simple, hard wearing, classic finishes to help add texture or shine to projects.

AR Plus®

A high gloss finish for moderate use applications that require more care and maintenance.

Gloss

An easy care, semi-gloss finish.

Grain

A hard-wearing, tactile, matte woodgrain texture.

Metallic

A real aluminium surface in an anodised or brushed tactile surface.

Pearl

A smooth, lightly stippled, hard-wearing finish.

Velour

A highly durable, multipurpose low sheen finish.

Velvet

A hard-wearing, soft touch, multipurpose cabinetry finish

Product Guide

Formica offers a range of benchtop, cabinetry, wardrobe and cabinetry interior panel products for affordable style.

Laminate (HPL)

A hard-wearing thin laminate suitable for benchtops in moderate to high-use areas like busy kitchens, bathroom vanities and laundries.

Decorated MDF

Versatile and hard-wearing panels ideal for cupboard doors, drawer fronts and shelving.

Decorated Particleboard

Versatile and affordable in larger sheet sizes for fewer joins and a clean finish for walk-in wardrobes and large format storage solutions or coloured cabinetry interiors.

EasyFit Benchtops

EasyFit benchtops are made using a durable, laminate, formed to a 3mm radius around a Moisture Resistant Particleboard, offering a contemporary square-edge-look.

Laminate (HPL)

Colour code on merchandising chips will not always match with the codes in this national availability guide. Cut to Size options also available — see page 83. Stocking in line with parent product size. * The edging tape is not an exact match. Please familiarise yourself with the colour match before placing an order. By placing an order you accept the slight colour variation which is not a defect.

Decorative Wall Panelling

- Fast and easy installation
- Pre-primed and ready to paint

Featuring contemporary and traditional designs, the MDF panels will add interest, texture and dimension to a wide range of commercial and residential projects.

The panels seamlessly connect via a tongue and groove system for ease of install, are designed to be used in a wide variety of interior applications and come pre-primed, ready to paint in your chosen colour.

Transform interiors using Surround by Laminex™

Decorative Wall Panelling 88

The designs of the Surround By Laminex™ range are protected by Australian Design Registrations.

Visually seamless surfaces

HI-MACS® is a delicate composition of acrylic, minerals and natural pigments that combine to create a smooth, non-porous, thermoformable and visually seamless surface.

HI-MACS® is now exclusively distributed by Laminex. An expanded palette of 66 colours is available, curated for contemporary Australian design trends. This includes 36 brand new colours, never launched in Australia as well as a sinks & basins range.

Acrylic Solid Surfaces	99	Accessories	101
Sinks and Basins	101		

Become an Accredited HI-Macs Fabricator:

Hi-Macs is sold exclusively to our network of accredited fabricators. To register your interest in becoming an accredited Hi-Macs fabricator, visit <https://www.laminex.com.au/brands/hi-macs/register-your-interest-form>
