Navigating the Future

Navigating the Future

We look forward to welcoming you to the 14th ICOYC World Forum, it is an honour to be hosting this event in our 250th Anniversary year.

We have an exciting programme planned under the theme of Navigating the Future and are busy shaping the content under six pillars /themes (more detail below). Over the three days of the Forum, we will embark on a journey of discovery, innovation, and camaraderie. This Forum is not just a gathering; it is a celebration of our shared passion for the sea, our commitment to excellence, and our vision for the future of yachting.

We would love you to bring your partners and we are creating a partner's programme that unlocks 'Hidden London' and ensures everybody will have a memorable stay. For the delegates it will not be all work, and our evening social programme will bring everybody together to celebrate the heritage and cuisine of the UK including a very special reception at the Houses of Parliament.

Venue

The Royal Thames Yacht Club. We will be hosting the Forum at our main clubhouse in Knightsbridge which overlooks Hyde Park to one side and the hustle and bustle of Knightsbridge the other. The clubhouse is perfectly place for shopping and sightseeing or enjoying the great outdoors with Hyde Park, Green Park and Kensington Gardens all a short stroll away.
