Resident and Non Resident Rates

Resident Rate applies to customers who live and/or own property in the Tahoe City Public Utility District water & sewer service area. Residents within the service area receive reduced rates for many of our recreation fees, as a portion of their property taxes are used to support TCPUD parks and recreation services. To view the TCPUD Service Area map, please visit tcpud.org/maps

If you feel you may qualify as Resident, please email us (recreation@tcpud.org) with proof of your physical address (i.e. valid driver's license, TCPUD Utility Bill) showing a physical address within the district and the registrant's name.

Wait Lists:

If a program is full & a waitlist is available, you will have the option to enroll your child(ren) on the waiting list.

If space becomes available, you will receive an email stating availability in the program, program details and a link to sign up for the available spot.

Please note, the link is only available for 24 hours.

Refunds & Cancellations:

TCPUD reserves the right to cancel any activity. If TCPUD cancels an activity, a full refund will be issued.

If a participant cancels at least 5 working days before the activity start date, 80 percent will be refunded.

No refunds, full or partial, will be issued if a participant cancels within 4 working days before the activity start date, or fails to attend an activity or class.

Note: All schedules and rates are subject to change.

THINGS TO KNOW

Inclement Weather:

In the interest of safety for all, we will cancel or postpone a program or close a facility due to inclement winter weather conditions such as snow and ice. In the event we cancel any programs due to inclement weather, we will communicate closures as soon as possible.

Scholarships:

The Youth Scholarship Fund was developed by TCPUD Parks & Recreation Department to assist local youth to participate in sports and activities. Funds are available to youth ages 17 years and younger and offers a maximum cash subsidy of 50% per program registration, with a \$150 max per child per year.

To be considered, a Scholarship Application must be submitted. Applications are available by emailing recreation@tcpud.org or calling (530) 583-3440. All information is confidential.

Contributions are accepted to help children that would otherwise be unable to participate in a class or program. Please contact the TCPUD Recreation Department before making a scholarship fund donation at recreation@tcpud.org.

About Our Guide:

To conserve paper and costs, the TCPUD Parks & Recreation Department has a limited amount of Program Guides printed and available for public distribution. We are also digital! To view our guide and its updates online, visit us at tcpud.org/recreation/activity-guide.

1... 2... 3... Say Cheese! For program promotion, photos may be taken of participants. If you do not wish to have your photo taken, please notify the photographer and/or staff upon program enrollment. Photos may be used in our publications, website and social media.

Tahoe City Public Utility District is dedicated to building a healthy mountain community through our passion for public service. Read below to learn about significant investments our Board of Directors has made to protect and improve our water and sewer systems and provide outstanding recreation opportunities.

Water Treatment Plant Now Delivering Water to West Shore Customers

We're pleased to announce the completion and grand opening of the new West Lake Tahoe Regional Water Treatment Plant. This project represents a transformative investment in TCPUD's water system to provide a permanent, drought-resilient source for drinking water and fire protection for the West Shore of Lake Tahoe.

Located near Chambers Landing, just north of Tahoma, the new state-of-the-art facility replaces the temporary seasonal plant and will now provide a year-round water supply sourced directly from Lake Tahoe. The project strengthens our water supply and enhances fire protection capabilities.

The project included construction of an underwater pump station and intake pipeline in Lake Tahoe to supply surface water to the treatment plant. The treatment plant uses advanced technology including membrane ultrafiltration and ultraviolet disinfection to ensure exceptional water quality.

Currently, the treatment plant is delivering water to approximately 530 customers in the McKinney-Quail water system and can deliver almost one million gallons of water per day. Designed for a regional water supply, the treatment plant may be expanded to meet the needs of up to 2,400 West Shore customers from Tahoma to Timberland.

TCPUD will be offering public tours of the facility soon. Community members can sign up for tour notices at www.tcpud.org/WaterTreatmentPlant.

Dianne Feinstein West Shore Tahoe Trail Reconstruction Project Keeps Rolling

TCPUD invested \$4.8 million in 2025 to reconstruct 2.4 miles of this iconic trail between Sunnyside and Blackwood Creek. Originally built in the 1970s, the recently renamed Dianne Feinstein West Shore Tahoe Trail has benefited from TCPUD's regular maintenance, but after nearly 50 years, full reconstruction was necessary.

Reconstruction addressed pavement failure, slope and alignment issues, vehicular and pedestrian visibility, trail safety, ADA compliance, and drainage.

In 2026, we'll turn our sights toward rebuilding the section of trail between Sunnyside and 64-Acres in Tahoe City.

We are grateful for funding support through the TOT-TBID Dollars at Work program and the Tahoe Fund.

The Grass is Greener at Tahoe City Golf Course

Fore! Look out for improved golf course conditions in years to come thanks to our successful project to replace Tahoe City Golf Course's aging irrigation system. The old irrigation system at Tahoe City Golf Course had been in place since 1976, well beyond the typical 30-year lifespan for mountain environments. The newly installed system is more water efficient, provides better turf coverage, and will create a better golf experience for customers.

Lock in your season pass now at www.tcpud.org/GolfSeasonPasses.

The future of the Tahoe City Golf Course is looking greener than ever! The irrigation replacement project is now finished, providing a more sustainable and enjoyable course for all. Thank you to our valued golfers for your understanding during the construction period. We're confident you'll appreciate the improvements, and we look forward to seeing you on the greens! Closing day of the 2025 season will be Sunday, November 2, weather permitting.

Water Rate Assistance Program

Eligible low-income customers can save 25-50% off your water bill!

Need Help with Your Water Bill? TCPUD's Rate Assistance Programs Can Help!

TCPUD offers a low-income rate assistance program for residential water customers. Qualified applicants will receive a rate reduction equal to either 25% or 50% of the current ¾-inch monthly residential water metered base rate.

Rate assistance is available on a first-come, first-served basis. To be eligible for the Program, participants must:

-  Reside as a primary resident at a TCPUD water service address.
-  Be responsible for paying the TCPUD water utility bill.
-  Have water consumption that has not exceeded the Tier 1 water limit for the prior 12 months (8,000 gallons per month)
-  Annually submit a completed Program application

Learn more and apply at www.tcpud.org/rate-assistance.

Water Conservation Rebates

Are you remodeling? Planning some home upgrades? Save money and save water with TCPUD **rebates up to \$100** for water-saving fixtures.

Claim your rebate at www.tcpud.org/WaterRebates

Make your remodel water-smart and budget-friendly with rebates on:

- ✓ ENERGY STAR® dishwashers
- ✓ High-efficiency clothes washers
- ✓ Water-saving toilets

TCPUD Water Conservation Rebates

District Opportunities

Joining us goes beyond just applying for a job. It's about becoming an integral part of our mission: serving our community and protecting the environment. We are committed to delivering safe and reliable water and sewer services to safeguard public health, as well as offering parks and recreation services to improve quality of life.

At TCPUD, our workplace culture is grounded in our Core Values: Service, Professionalism, Teamwork, Initiative, and Communication. We continually seek individuals who align with our vision and wish to contribute to our culture. To explore our current job openings, please visit: tcpud.org/jobs.

Volunteer Coaches

We appreciate the numerous volunteers who support TCPUD across various programs, events, and ongoing roles throughout the year. If you love working with children, serving the community, and making a positive impact, we invite you to join our volunteer team! tcpud.org/volunteer-coaches

Instructors

If you are a motivated and energetic professional looking to teach classes and enhance the mission and goals of the Parks & Recreation Department, please consider becoming an instructor! Tahoe City Public Utility District Parks and Recreation works with contractors to offer a variety of classes and programs for youth and adults of all ages and interests. For more information, proposal to teach form and more, visit tcpud.org/instructors

SPONSORSHIP OPPORTUNITIES

Thank you 2025 Summer Sponsor - TOT-TBID Dollars at Work!

The North Tahoe Community Alliance's TOT-TBID Dollars at Work program has once again invested in our community's youth. Their summer sponsorship of camp shirts for Camp Skylandia and Camp Sky Lil' Pines, along with the North Tahoe High School Scoreboard, directly enhances the experience of our young people and fosters a sense of local pride.

Learn more about all available sponsorship opportunities at tcpud.org/sponsors.

Sponsorship & Advertisement Opportunities

The Tahoe City Public Utility District's Parks & Recreation Department welcomes you to be a part of our community through our sponsorship and advertising opportunities. Sponsoring or advertising plays an important role in supporting us in achieving our mission of serving the people in our community and providing parks and recreation services to enhance the quality of life. To be a TCPUD Parks & Recreation supporter, contact us or visit tcpud.org/sponsors for more information.

Youth Sports Leagues

Show off your business logo on our hockey or basketball team league jerseys! Our youth sports programs offers an opportunity for youth to develop teamwork, skills and confidence.

Dasher Boards at Winter Sports Park

The Tahoe City Winter Sports Park Ice Rink offers Dasher Board sponsorships for the 2025-2026 winter season. Your company's name/logo will be displayed to thousands of park visitors seasonally. Dasher Board sponsors directly support your community Ice Rink and Tahoe City Public Utility District youth hockey programs.

Looking for winter activities the whole family can enjoy? Come to the Tahoe City Winter Sports Park, an all-inclusive winter recreation destination like no other. The park features a safe sledding hill, 4 km of cross-country skiing and snowshoeing trails, and an ice skating rink.

Reservations for the 2025/2026 season are encouraged, and while a limited number of walk-up spots will be available, we cannot guarantee space without a prior reservation for peak times over weekends and holidays. Season pass purchases and reservations can be made online at tcpud.org/winter.

Currently, the park will open for ice rink use only. Snow is needed to operate the Sled Hill, Cross-Country Ski & Snowshoe Trail. Reservations for these activities will be made available when there is enough snow in the forecast to open these features.

OPENING DAY FOR THE TAHOE CITY WINTER SPORTS PARK IS SCHEDULED FOR SATURDAY, NOVEMBER 29TH.

MAKE AN ADVANCE RESERVATION OR PURCHASE A SEASON PASS BEGINNING WEDNESDAY, NOVEMBER 5 AT 12:00PM.

<u>Individual Sessions</u>	<u>Non-Resident</u> (Ages 15+)	<u>Resident</u> (Ages 15+)	<u>Non-Resident</u> (Ages 14 & Under)	<u>Resident</u> (Ages 14 & Under)
Sled Hill (includes disc)	\$15	\$5	\$15	\$5

Snowshoe Package	\$25	\$12	\$15	\$5

 All packages include equipment rental. Season Passes also available. Visit tcpud.org/winter for details. 

Snowshoeing

This fun winter adventure has a very small learning curve and you will be out exploring on the snow in no time. We carry snowshoes in a variety of sizes for adults and children and are available to rent when you reserve your snowshoeing session.

Cross-Country Skiing

Experience the thrill of gliding on snow. Our groomed cross-country ski trails wind around 4km of meadow terrain with views of Lake Tahoe. Trails are groomed daily with traditional cross-country ski tracks.

Park Activities

Ice Skating

Whether or not you live in an area that receives true winter weather, getting out on the Tahoe City Winter Sports Park Ice Rink is a great way to embrace the season. Skating teaches balance, improves strength and encourages kids, and adults, to keep trying. Ice skates and skating aids are available for rent.

Sledding

Family fun for everyone. Spend a session sliding and laughing on our man-made sled hill. Disc rental is included with the purchase of your sled hill session. No outside sleds permitted. Please be aware this is a small hill and appropriate for ages 10 and under.

Relaxed atmosphere located at the Winter Sports Park featuring Freshly Prepared Cocktails and Clever Pub Fare!

For Café Zenon's current schedule and menu options, visit cafezenon.com

MULTI-USE TRAIL SYSTEM

The perfect way to enjoy the Tahoe seasons and tour the North and West Shore of Lake Tahoe is by using our 23-mile multi-use trail network. Our recreational trails are open to bicyclists, e-bikes, walkers, joggers, strollers, and even anglers enjoying the views. Please leash your dogs, keep an eye out for maintenance workers & equipment, and be respectful of other users.

During winter, the TCPUD parks crew will keep portions of the trail clear, from Dollar Hill down the West Shore to Timberland, and the Truckee River Trail to the Olympic Valley intersection conditions permitting. Be sure to watch for icy patches during the winter months. To view our trail system and the snow removal priorities, please visit our website, tcpud.org/trails. Enjoy the trails!

DO YOU USE THE MULTI-USE TRAIL SYSTEM?

We value your feedback and would like to gather information to enhance your experience when using the multi-use trails. Your responses will be used solely for the purpose of improving the service and helping us secure trail funding. Please take a few minutes to complete this survey.

NORTH LAKE TAHOE Multi-Use Trail System

**Share the Path.
Be kind. Be safe.
Take care.**

This is a multi-use trail system enjoyed by bicyclists, pedestrians, skateboarders, joggers, and dog walkers alike.

- Keep right, pass left when safe
- Bikes yield to pedestrians
- Alert when passing
- Use safe speeds. Speed limit 15mph
- Class 1 and 2 E-Bikes permitted
- Blaze a trail of kindness
- Always use a light at night
- Look and listen, be respectful
- Keep dogs on a short leash – Pack out waste!
- Use caution when crossing driveways
- Obey all trail and roadway signs
- Move to the side when stopping – Do not block the trail
- Pack out your litter!
- Watch for and yield to trail maintenance equipment and crews
- Motorized vehicles are prohibited
