## Snow Feather

The elaborate design changes endlessly similar to powder snow falling like feathers from the sky.

6204-BLK

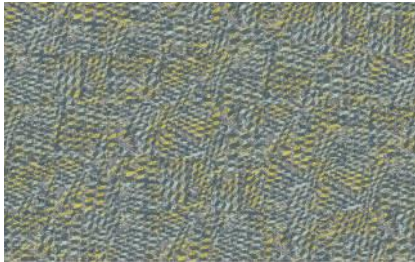

6204-TRQ

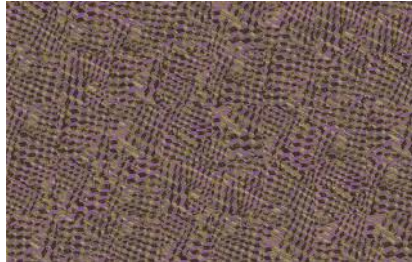

## Granite

The design changes depending on the angle of view just like a granite surface.

6205-AME

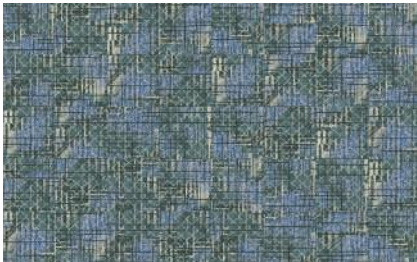

6205-GRY

## Stained Glass

The stratified design overlays seasonal landscapes viewed through the window and glitters like stained glass.

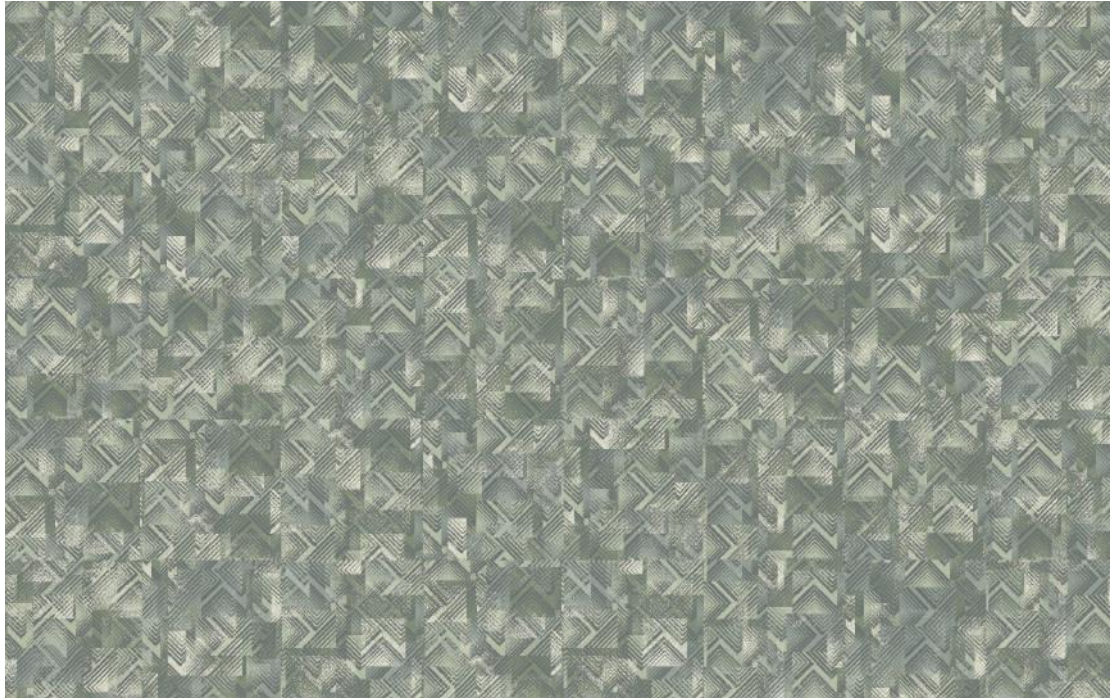

6201-GRY

6201-BGE

## Kaleidoscope

The various colors and shapes resemble the imagery inside a rotating kaleidoscope.

## Yugen

This mysterious landscape is like a mirage that travelers see when exploring deep into a forest.

6207-BLK

6207-YEL

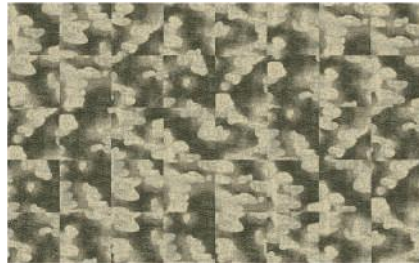

## Sumi

This design takes from the multitude of dark and light tones that characterize traditional Japanese painting done in India ink.

6211-BGE

6211-BRO

## Chawan

The design has the depth and can be likened to the fingerprints left on a potter's bowl.

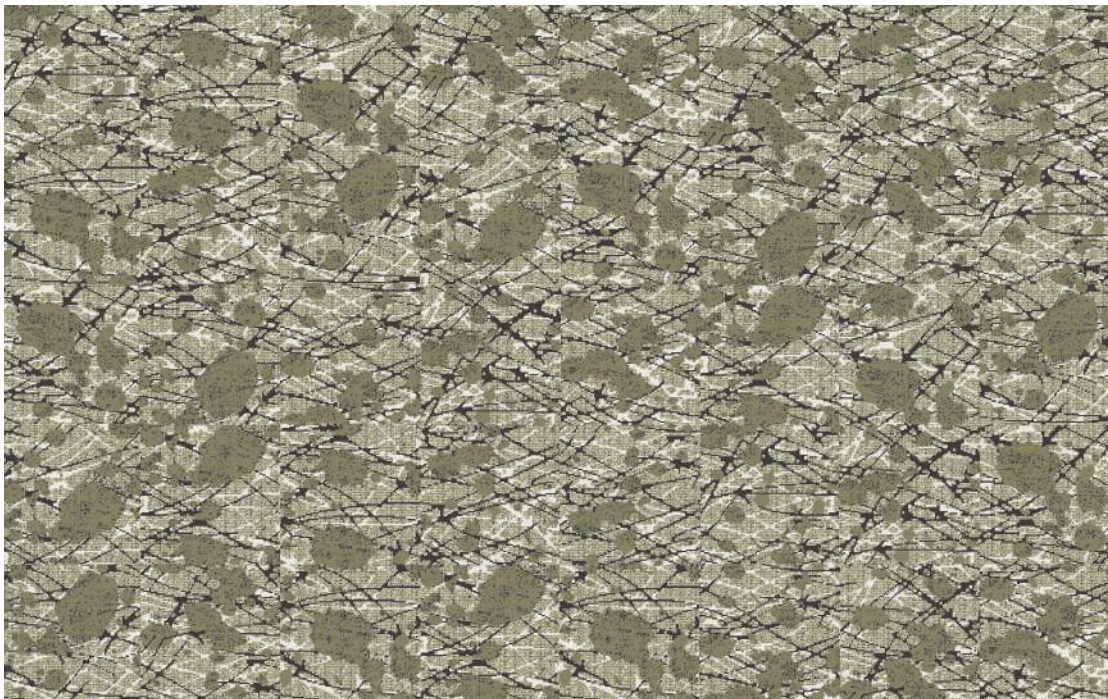

6208-GRY

6208-BGE

## Washi

This design has its own expression and look like handmade washi paper made from a mixture of materials.

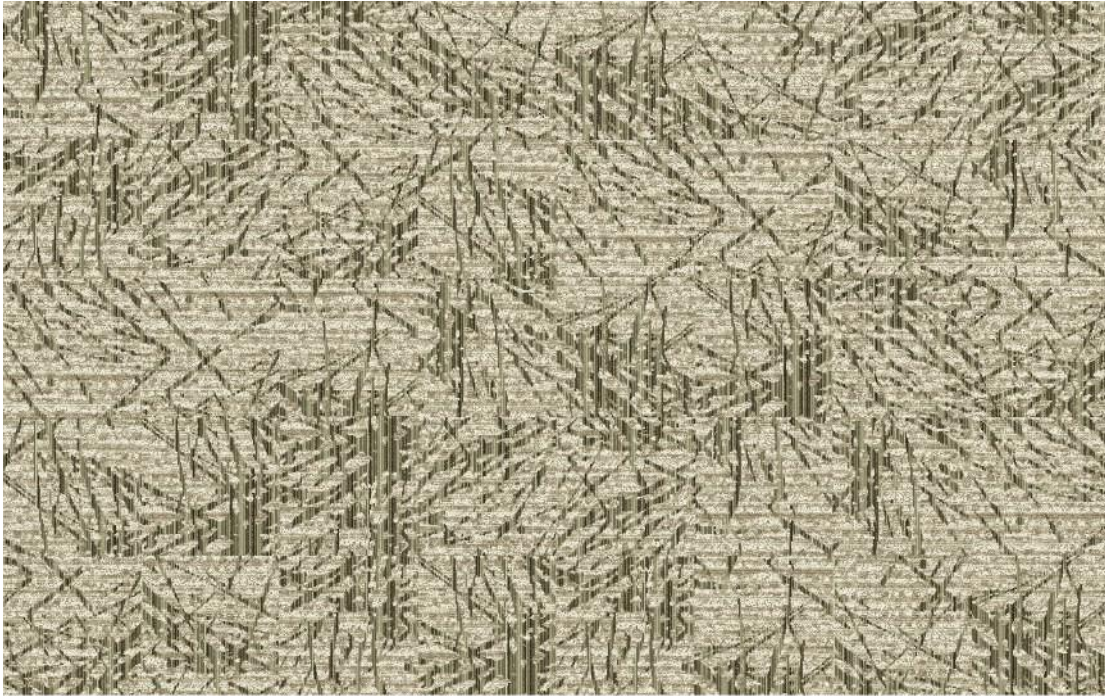

6206-BGE

6206-BRO

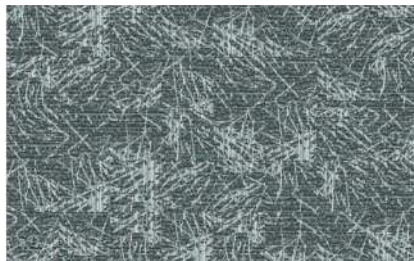

## Fusuma

This design encapsulates the bold movements of tree limbs rustling in the wind, like those painted on sliding doors.

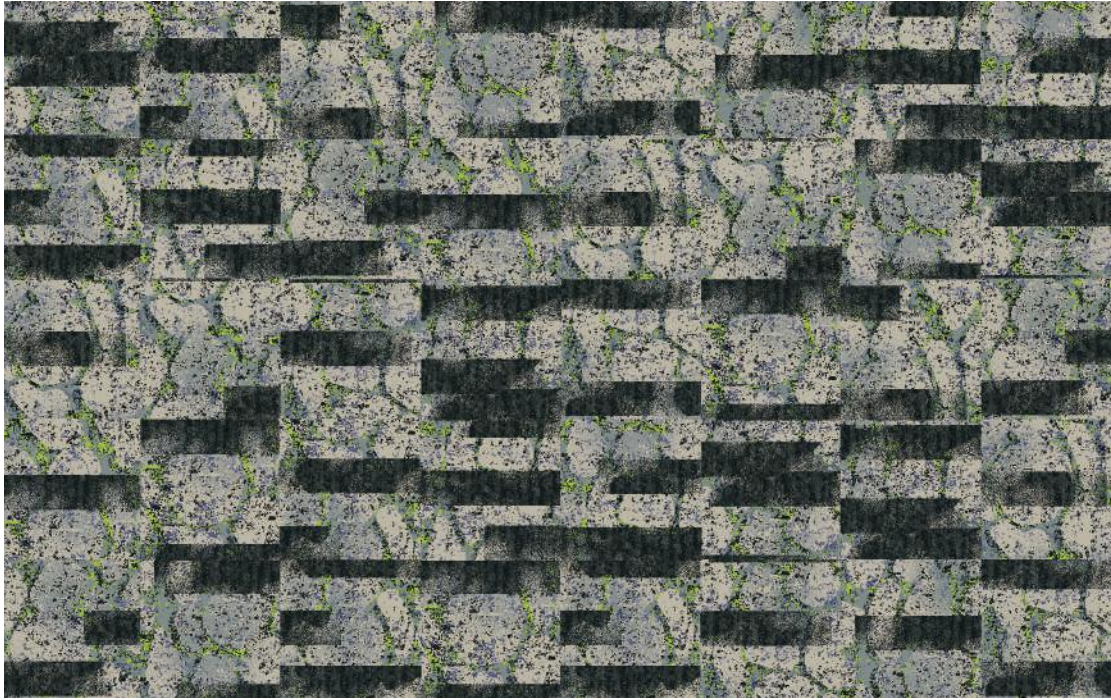

6209-BGE

6209-GRY

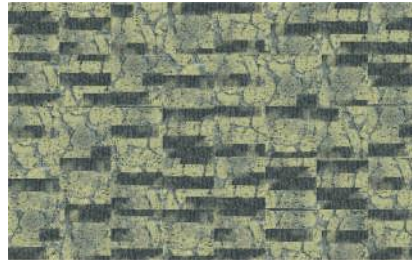

## Ishigaki

This particular design inspires a variety of textures like a stone wall made up of many different kinds of stones.

6210-BRO

6210-BRE

## Sansui

This design has an esoteric feel with the trees blowing in the wind and the silhouette of the mountains lit by the moonlight.

## Tropical

Lit by the setting sun, this entire thick tropical jungle looks like it is burning red.

6216-BLK

6216-PNK

6216-GRN

## Sonata

This design strongly resonates with viewers like a sonata played across the floor.

6217-BLK

6217-PNK

6217-GRY

## Dune

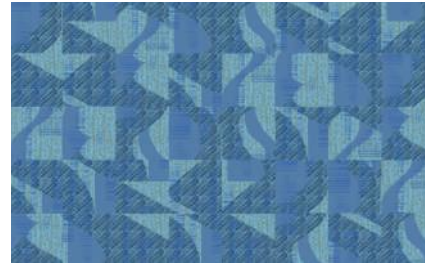

The various slopes of large sand dunes take on a different look by the season and time of day.

6213-BLK

6213-GRY

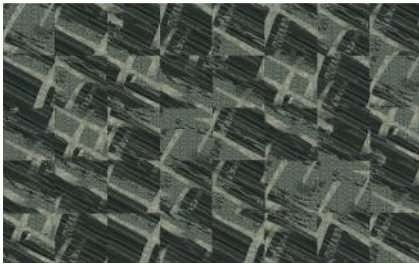

6213-PLB

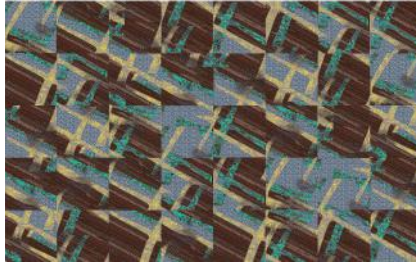

## Amber

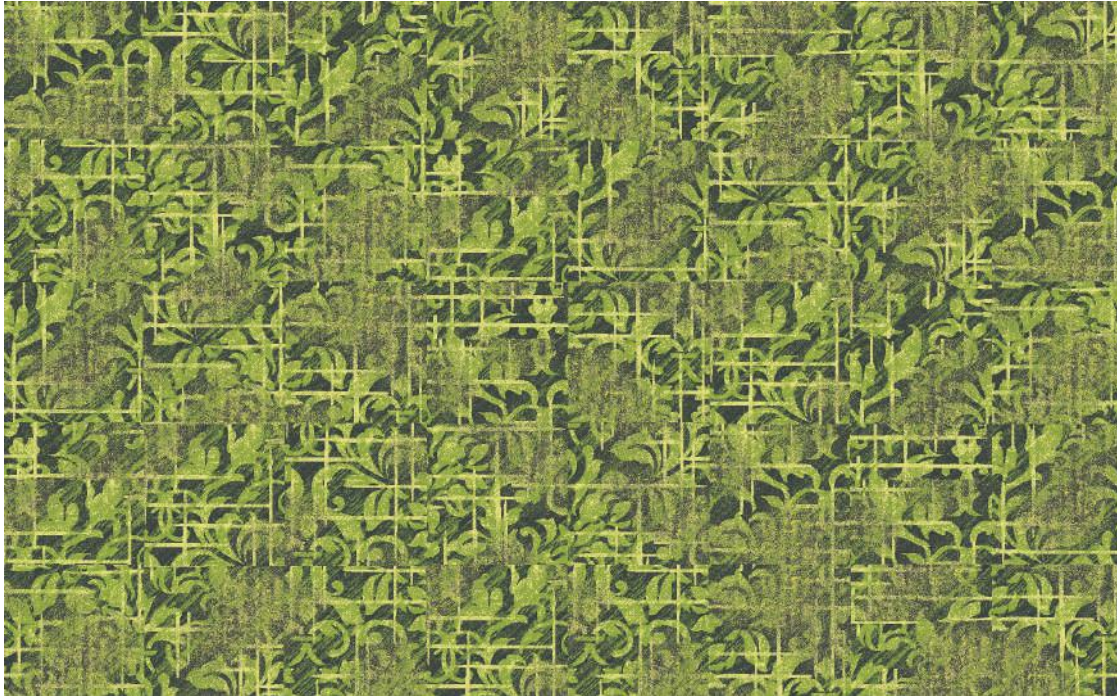

This design has the depth and high-grade look of amber in how it changes in the light.

6214-BLK

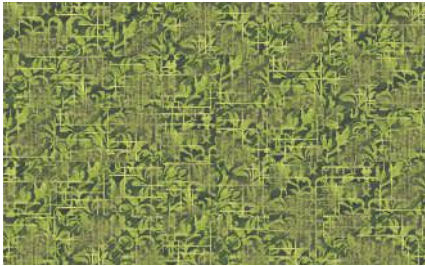

6214-RED

## Reflection

Dual color schemes are at play with gorgeous leaves glittering like gold and chic presence amidst the darkness of night.

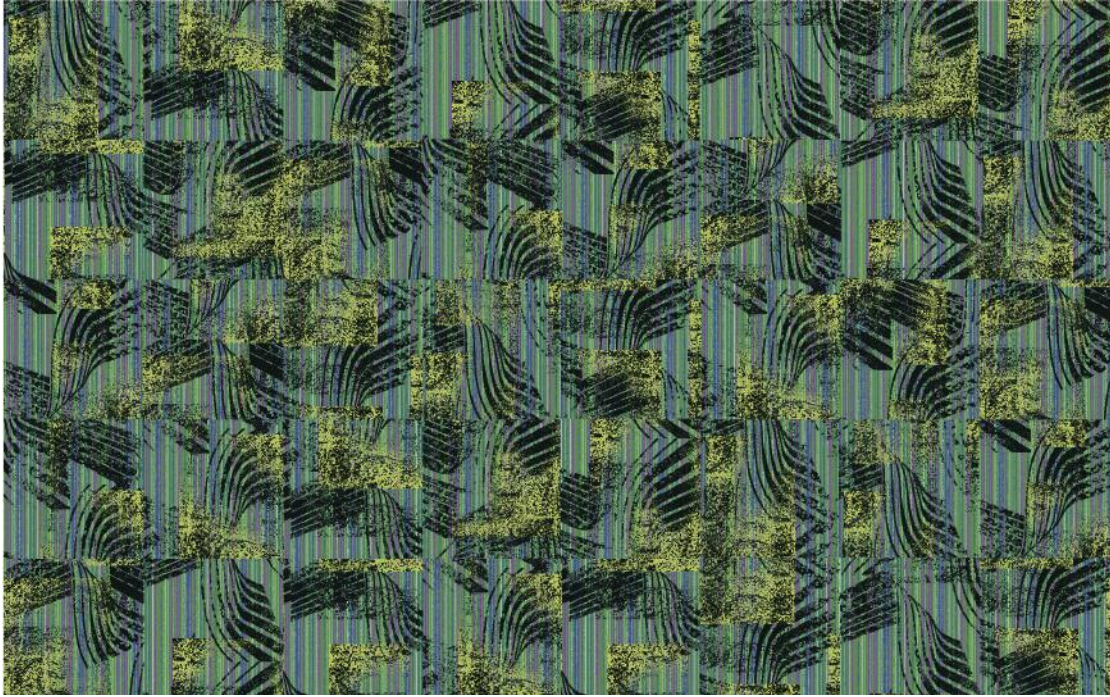

6215-GRN

6215-LAV

## Flap

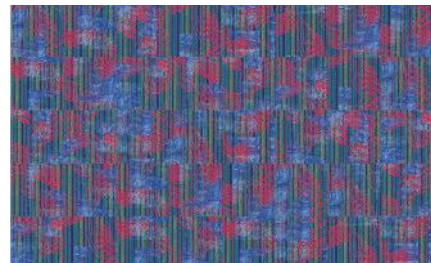

This magical design has presence like a bird flapping its wings in the sun, forest and darkness.

6218-GRN

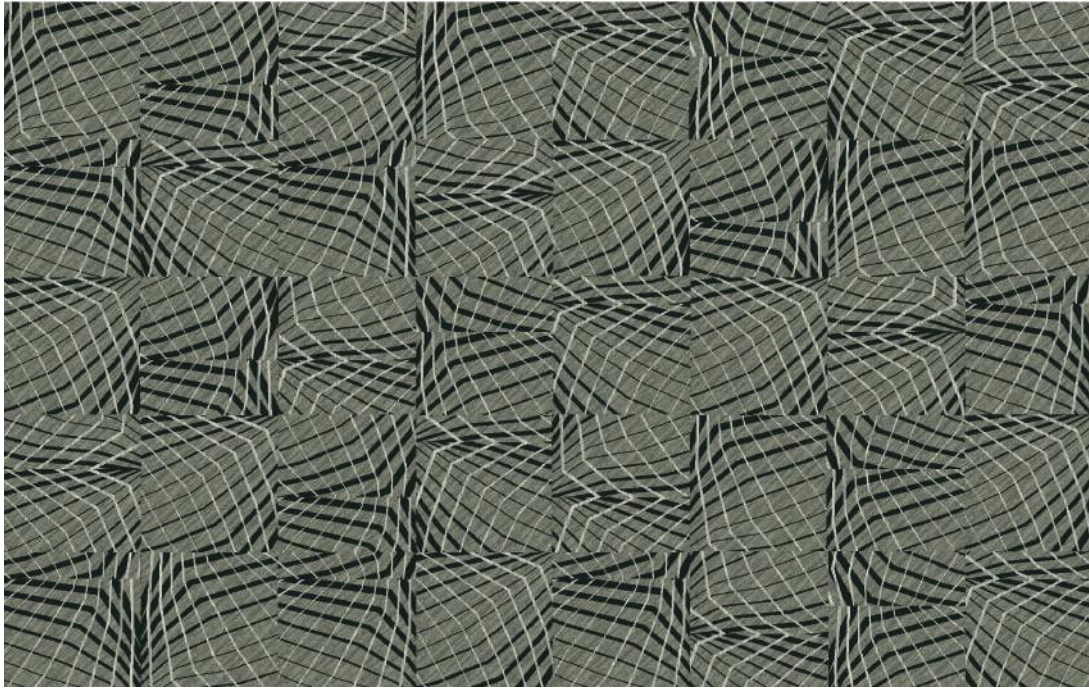

6218-GRY

6218-BLU

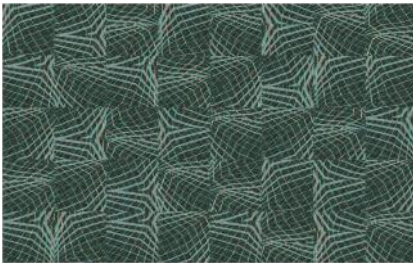

## Mirror

The different-dimension design gives the world seen in the mirror, inviting the viewer into another chic world.

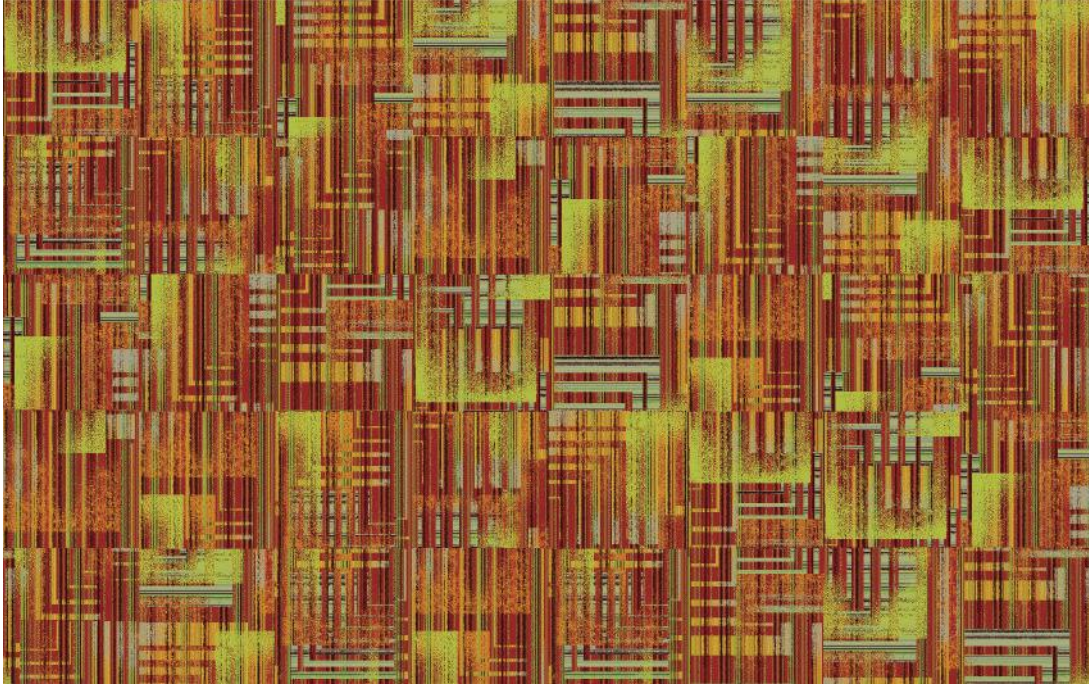

6219-BLK

6219-GRY

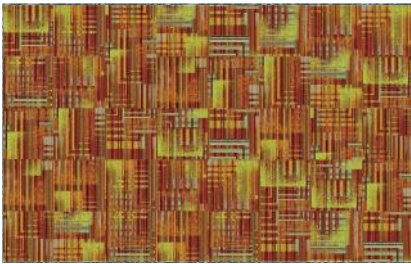

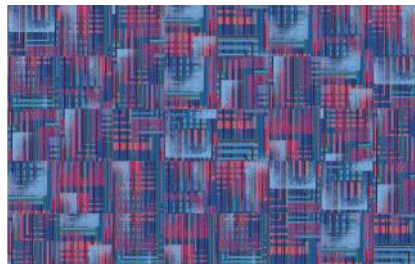

## Aurora

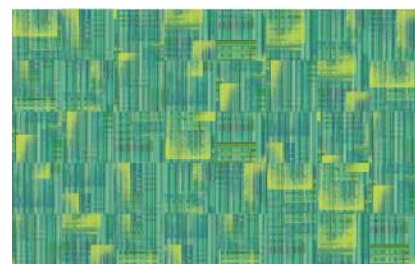

This dynamic design of multifarious colors and shapes replicates the auroras that brighten up the wintry nights around North Pole.
