Which Shore Excursions Are Right for You?

Choose the tours that interest you by using the icons as a general guide to the level of activity involved, and select the tours best suited to your physical capabilities. These icons will help you to interpret this brochure.

Easy Activity: Very light activity including short distances to walk; may include some steps.

Moderate Activity: Requires intermittent effort throughout, including walking medium distances over uneven surfaces and/or steps.

Strenuous Activity: Requires active participation, walking long distances over uneven and steep terrain or on steps. In certain instances, paddling or other non-walking activity is required and guests must be able to participate without discomfort or difficulty breathing.

Panoramic Tours: Specially designed for guests who enjoy a slower pace, these tours offer sightseeing mainly from the transportation vehicle, with few or no stops, and no mandatory disembarkation from the vehicle during the tour. As vehicles outside the United States are rarely lift-equipped and ramps are seldom available, a very small amount of walking will be necessary. The pace is gentle and taking your time is encouraged.

Limited Capacity: The number of people able to participate in this tour is strictly limited. Reasons for limiting capacity may include the number of transportation seats available, or the need to maintain a safe ratio of guides for hikes, fishing and water activities. Tours require a minimum number of participants in order to operate.

Snack: This tour includes a small snack or tasting of local specialties. The snack is not a meal.

Meal: This tour includes a meal—lunch on daytime tours, dinner on evening tours.

Frequently Asked Questions

What should I wear?

Comfortable walking shoes are recommended for all shore excursions. When you visit places of worship, we recommend dressing conservatively (no shorts or sleeveless tops), but casual clothing is perfectly acceptable. Dress in layers and have a jacket along. Bring an umbrella or raincoat, a hat and sunscreen.

What about meals?

Most tour departures complement the ship's meal service hours. In-room dining is available on board.

How will I know what time each tour departs?

The on-board Shore Excursions Order Form in your stateroom will show departure times. This information will also be printed on your shore excursions tickets, which you will receive on board. Approximate tour departure times are posted on our website at hollandamerica.com.

I am traveling with friends. Can we be accommodated on the same motorcoach?

The departure location for each tour is printed on

your shore excursions tickets. If you wish to travel with friends, please arrive at the designated meeting place together. This will enable the staff to allocate space for you on the same vehicle.

Tour durations

The individual tour descriptions include approximate durations. To allow our Shore Excursions Managers flexibility to coordinate your time in port with meals and activities on the ship, exact departure times are published in the Shore Excursions Order Form on board. For more information, please attend the Shore Excursions Presentation or visit the Shore Excursions Desk.

Tour descriptions

Tour descriptions may change after printing. Information that becomes available after this brochure is published will be posted in the Shore Excursions section of our website, which can be found online at hollandamerica.com. Significant changes will be noted on the Shore Excursions Order Form on board. Tour schedules are subject to change.

I have a disability. How do I know which tours will best suit me?

The tours are graded according to the relative level of activity they entail. The activity icons that appear at the beginning of each tour description provide a general idea of the level of activity to expect. Please see page 1 for specific information or speak to a Shore Excursions specialist (1.888.425.9376). It is important to keep in mind that tour operators are subject to the laws of their own country with respect to accommodating the needs of guests with disabilities. In most foreign countries, the laws are not as stringent as those in the United States.

Will I encounter difficulties (dis)embarking the ship when it's in port?

Please see the on-board Shore Excursions staff to help determine whether you can expect to encounter difficulties (dis)embarking the ship in a particular port of call. The decision whether or not to carry or provide other mobility assistance to a guest and their device (wheelchair, walker, etc.) up or down a ship's gangway, or on or off a tender boat, is at the sole discretion of the Captain, made based on his evaluation of guest and crew safety. We encourage you to bring a collapsible wheelchair as space limitations may restrict the ability of some tour operators to accommodate motorized mobility aid devices.

The Collections of Holland America Line

What fascinates you? A cooking class with a local chef? A private car, complete with driver and/or guide? A chance to encounter wildlife or view natural wonders up close? The Collections represent a small subset of the shore excursions you will find in this brochure. Each collection offers its own particular focus and is available only in select ports.

World Wonders Collection

Natural treasures, architectural marvels, technical wonders: to the Seven Wonders of the World we add our own nominations based on decades of leadership in global travel—the sandstone city of Petra, the *moai* statues of Easter Island, and the Great Wall of China, among others. What they have in common is the ability to inspire awe.

Encore Collection

Been there, done that? Think again. The Encore Collection, designed especially for repeat guests, lets you discover what lies beyond the well-known attractions you've already seen. Barbecue with Argentine gauchos, bike the tree-lined boulevards of Barcelona, ride an Icelandic pony across a windswept beach near Reykjavík. These tours showcase hidden gems, unusual angles and inside stories that will bring you back time and again.

Overland & Overnight Collection

A passion for new experiences, goodwill toward others, or immersion in life elsewhere—whatever drives you to travel, Overland Adventures and Overnights take you further. Dig deeper, make connections, leave a part of your soul in great places, and bring home a wider knowledge of our planet and those with whom we share it.

Cruise with Purpose Collection

For every global citizen who has ever dreamed of either giving back or paying it forward, the innovative Cruise with Purpose Collection is about improving our planet one voyage at a time. Assist in scientific research, bring supplies to an orphanage, participate in a fair trade scheme or cultural exchange, replant a forest or restore fragile habitat—your footprint will be light and your soul enriched.

Medallion Collection

This series of exclusive experiences is designed to accommodate our most discerning guests. Each Medallion Collection tour is carefully chosen to provide an in-depth perspective, often exclusive to Holland America Line. They offer unparalleled access to events and sights not normally readily available to the public. First-class style, smaller groups, elite activities for a privileged few—this is the Medallion Collection.

Signature Collection

This exclusive touring option for independent-minded travelers lets you completely customize and maximize your time ashore by reserving private transportation (along with an English-speaking driver and/or guide) in advance. Whether you travel by car or minivan, customized boat, classic floatplane or stretch SUV limousine, you choose the companions, sights and pace that perfectly suit you.

To Whom is the Signature Collection Suited?

The Signature Collection is for solo travelers, couples, families, friends and special interest groups traveling together. This may also be an excellent choice for non-ambulatory guests. Value and flexibility are just two of the advantages of first-class touring and luxury transportation. Privacy, comfort, safety, and personalized guide service are also yours to enjoy.

Itinerary Planning

If you need help planning your personal itinerary, the Shore Excursions Manager can assist you and will gladly answer your questions. This can be very helpful in many destinations where travel time, location, holidays, and opening hours of attractions need to be taken into consideration in order to maximize the efficiency of your time ashore.

Booking on Board

The Signature Collection may be available for booking once you are on the ship, but this cannot be guaranteed. Please check with the Shore Excursions Office on board.

About the Signature Collection Transportation

Each type of transportation will be of the highest grade available in that port. Not all modes of transportation are available in all locations. For information about the transportation sizes and availability, please see our website at hollandamerica.com.

Online Reservations

The fastest and easiest way for you to reserve and pay for your Signature Collection experience is online at hollandamerica.com. Please note the cost will be per mode of transportation (not per person), so only one person in the party needs to make the reservation. The price shown on the website is the total cost for the transportation, driver and guide (not a per-person price). In many ports, availability is extremely limited. We encourage you to reserve as early as possible.

Also Included

The cost includes the service of a English-speaking guide and/or driver, unlimited mileage, road tolls, parking fees and bottled water.

Not Included (Unless Otherwise Noted)

Guests' entrance fees for attractions are not included in the price due to the wide range of attraction possibilities, uncertain number of attractions to be visited, and varying number of guests participating. We strongly recommend that you bring some local currency to cover such costs as credit cards are not readily accepted in some ports. Lunch will not be included on any tour as many guests prefer to select their own dining venue.

Payment & Tour Vouchers

Your credit card will be charged after your reservation is confirmed. Next, start planning what you'll do with your Signature Collection experience in each port. On board the ship, you will be given a tour voucher and a form to advise the Shore Excursions staff of the itinerary you have chosen.

You'll start with a safety briefing and put on a set of warm coveralls and a life jacket. Heading away from the town, you will skim across the water to Ísafjardardjúp -- the stunning fjord region just a short distance from Ísafjörður. The area is very remote, and typically, the whales are both plentiful and

curious, sometimes even showing off for visitors. You'll pass the beautiful bird island of Vigur on the Snaefjallaströnd (Snow Mountain Coast). Watch for several different bird species that make their homes here -- puffins, eider ducks and other seabirds. It is also common to see seals frolicking in the waters. You'll stop for photos as needed.

Weather and wildlife conditions dictate the route, so every outing brings an entirely individual adventure.

Notes:

Minimum age 10 years. Guests who are pregnant or have a heart, back or neck condition are not allowed to participate. Not advisable for guests with mobility limitations. Wildlife sightings are likely but are not guaranteed; however, the success rate for seeing whales on this tour is very high. Prime time for whale watching in Iceland is the late spring to early autumn months (May through September). Guests with motion sickness should consider this before booking and/or take appropriate medication. Dress warmly in layers with a windproof and waterproof outer layer; bring a warm hat, gloves and a scarf. Bring a warm down (or similar) jacket; wear long thermal underwear and several layers of wool and/or polypro (no cotton) as it is very cool out on the water. Jeans are not allowed. Wear sturdy non-skid walking shoes (preferably waterproof) with thick wool socks. It can be quite cold on the fjord. Due to Ísafjörður's remoteness and the scarcity of professional guides, all guiding is handled by locals; some are not professional, but all have great experience in guiding and extensive

knowledge of the area. The tour enjoys a 90%+ success rate in spotting whales. Wildlife sightings are likely but not guaranteed. Many seabirds start migrating away around mid-August. Minimum height is 4'9" (145cm). Minimum age is 10 years.

Óshlið Lighthouse Bike Ride

Departs: 8:30 AM
Approximately 3 Hours
Price \$289.95

This **biking adventure** is for outdoorsy types and involves **cycling along a ghost road** -- a road once used by traffic but now closed to vehicles and open only for non-motorized recreational use.

Gear up with a bike and set off towards the small village of **Hnifsdalur** -- home to only 250 people -- following one of Iceland's most scenic roads. It is famous for its enormous cliffs and steep mountains on one side and the roaring ocean on the other. It is perfect for anyone seeking fresh air, rugged landscape views, fjord scenery and the great outdoors.

You will pass the Bolungarvík Tunnel. Enjoy incredible views over the Westfjord's largest fjord, the Snæfjallaströnd mountain chain, and the Hornstrandir Nature Reserve. Pedal your way to the lighthouse before turning around, with stops along the way for rests and photographs.

Notes:

Due to Isafjordur's remoteness and the scarcity of professional guides, all guiding is handled by locals; some are not professional,

but all have great experience in guiding and extensive knowledge of the area. This tour is only for the very physically active. It is three hours of cycling more than 15 miles with an elevation gain of 1,180 feet. The road is unpaved in places, and the surface is rough; the tall cliffs tend to slough rocks and gravel onto the right of way. Dress in layers. Wear a daypack, sunglasses, comfortable clothing, and shoes suitable for a bike ride. Bring a waterproof outer layer and bottled water. Minimum weight is 77 lbs. Minimum age is 12 years. This tour does not visit the town of Bolungarvík.

Reykjavik, Iceland - Saturday, June 14, 2025: Geysers, hot springs and fields of cooled lava are testament to Iceland's volcanic origins. Swim in the naturally warmed Blue Lagoon.

Classic Reykjavik & Keflavik Airport Transfer

Departs: 7:30 AM
4½ Hours
Adult \$180.00; Child \$120.00

Here's a great introduction to Reykjavik with a transfer to the airport included.

Set out from the ship and visit **the Pearl** -- a remarkable building constructed in 1988. It is entirely unique, not only in Iceland but in the whole world. Comprised of a glass dome perched atop huge former hot water tanks, the Pearl affords great views of the capital area and beyond.

A stunning landmark that completely dominates the city skyline, Hallgrimskirkja Church makes for a wonderful photo stop. The bronze statue of Leif Eriksson in the church square offers an excellent scale comparison. The statue was gifted to the people of Iceland by the United States to commemorate the 1,000th anniversary of Iceland's Parliament.

In the University District, visit the **National Museum** to get a sense of Iceland's past, present and future. Reopened after extensive refurbishment, the museum now houses fresh, dynamic exhibits.

Afterwards visit the **Open-Air Museum of Arbaer**. Here more than 20 buildings from around Iceland make up an example a town square, a village and a farm. The museum will

provide you with an insight into the architecture and lifestyles of Iceland's fascinating history.

Conclude your tour with a **panoramic city drive**, passing such landmarks as the New Harpa Concert Hall and Hofdi House -- venue of the 1986 meeting between President Reagan and General Secretary Gorbachev that ended the Cold War.

The tour ends with a transfer to **Keflavik Airport**.

Notes:

This tour is available only to guests whose cruise ends in Reykjavik, with flights departing after 4:30pm. Your luggage will be locked in the coach luggage hold for the duration of the tour. Suitable for guests with mobility limitations with a companion to assist. Wear comfortable non-skid walking shoes.

Guides, Services & Transportation

In certain interesting, off-the-beaten-track places, professional guides and vehicles are at a premium. The best available are engaged. For all tours other than the Signature Collection, it is exceptional for drivers of public hire vehicles to speak any language but their own and it is not always possible to obtain air-conditioned buses or taxis in many ports. However, we do our utmost to find the very best packages for your touring pleasure. Guests who leave during a tour for which transportation is included must thereafter provide for their

own transportation and services at their own expense. Transportation standards vary from country to country.

Self-Guided Touring

Guests who do not join these prearranged shore excursions must rely on whatever transportation is available in each port. If you choose to devise your own excursion, we suggest that you remind the driver or tour escort of the ship's sailing time. Of course, the ship's facilities are fully available to guests while in port.

Reservations & Online Reservations

Now you can easily choose your tour times, book your tours and receive confirmation of your shore excursions reservations 24 hours a day. Visit us online at hollandamerica.com or phone us at 1-888-425-9376. Book online now, up until 3 days before sailing. Make your payment online via our secure website, and receive confirmation as well as your tour departure times. You can also download the shore excursions, view tour prices, find answers to frequently asked questions and read general information. Remember, online and phone shore excursion reservations are processed prior to any requests made on board the ship and receive priority handling. At

the time of making your reservations online, we will advise you whether or not your reservations are confirmed or whether you have been waitlisted. Your credit card will be charged immediately for all confirmed reservations. Should space become available for a waitlisted tours request, we will e-mail or otherwise contact you at that time and either immediately charge your credit card if you have already given us your credit card information or ask you to provide us with that information for immediate charge processing. Reservations for shore excursions are subject to cancellation by us at any time prior to the credit card charge being accepted by your bank. If you or Holland America cancel a tour (except Overland Adventures and Overnights) more than 3 days prior to cruise departure, we will issue a credit on the credit card that you used to pay for the reservation. For any cancellation within 3 days of departure, a credit will not be given on your credit card. Instead, we will apply an ONBOARD CREDIT ONLY policy under which the refund (less any cancellation fee) will show up as a credit to the shipboard account of the person who was to take the tour. If the credit is not fully utilized during the cruise, the balance will be paid to that guest by the ship's Purser. Once on board, if you cancel your tour reservation after the booking deadline stated in the Shore Excursion Planning Form on board, a 100% cancellation fee will apply since transportation and services will have already been arranged. If space on the tour you have ordered is not available you will be contacted to see if you are interested in another tour selection. You may receive confirmation of your tours via e-mail. Vouchers for each confirmed tour will be delivered to your stateroom after embarkation.

Immunizations

Immunizations may be required for some of the ports of call included in your voyage. Please contact your local physician, Health Department and/or travel medicine clinic to discuss immunization requirements for all countries on

your itinerary. You can also check the Centers for Disease Control and Prevention's website at cdc.gov. Click on Travelers' Health and then Vaccinations. It is also a good idea to bring along a record of your immunizations, as requirements for immunizations may change. It is the guests' responsibility to remain apprised of changes in immunization policies, so that they have all the required inoculations and immunizations at the time of departure.

Safety

We take steps to identify and contract with reputable tour operators. Tour operators must comply with local government requirements and carry liability insurance in amounts consistent with local standards to address personal injury and property damage.

Visa Requirements

Each guest is responsible for obtaining all visas needed to join the cruise. Unless otherwise noted, it is the guest's sole responsibility to obtain any necessary visas to participate in any Overland Adventures and Overnights. Guests must keep themselves apprised of policy changes. Passports, visas (other than as specified above), tourist cards, and vaccinations, if required, are the sole responsibility of the guest. Remember, guests must have a passport that is valid for at least six months beyond the completion of their trip.

Cancellation of Overland Adventures and Overnights

The cancellation policy for Overland Adventures and Overnights is (unless noted otherwise in the tour description):

- 30 - 60 days before tour date: 25%
- 14 - 29 days before tour date: 50%
- Within 14 days: Non-Refundable

Please note that the Cancellation Protection Plan covers pre-booked tours, including Overland Adventures and Overnights, if cancellation is made up to 24 hours prior to commencement of cruise. Tours cancelled within 24 hours prior to commencement of cruising or while on board are not covered by the Cancellation Protection Plan and are subject to the above penalties. In the event a complete tour is cancelled by Holland America Line or the tour operator, pre-booked refunds will be handled on board. Very shortly after each booking deadline/cancellation date, e-mails are sent from the ship to the agencies concerned, informing them of our definite requirements for meals, seats on aircraft, number of automobiles and motorcoaches, etc., and commitments are made. If notice of cancellation is received after the booking deadline/cancellation date, a refund can be assured only if the ticket is resold. Guests are encouraged to pre-purchase tours. We recommend speaking with the Shore Excursions Manager on board if you have any questions about your physical ability to take part in any tour. Should you opt not to take the tour following this discussion, full reimbursement will be made provided the cancellation is made within 24 hours of boarding the ship. For Overland Adventures and Overnights, due to the in-depth nature of the adventures, most areas are not accessible to wheelchairs and require a considerable amount of activity.

Scooters

Depending on the port, the tour operator(s) may impose weight restrictions for electric scooters and/or additional charges may apply.
