## SYMBOL KEY

Hoodie Program

Bandana Program

Wishpets® continues to be guided by the core principles of Nature Planet—ensuring every product brings joy while contributing to a better world. Our focus remains on creating plush that delivers value, delight, and forever memories for your customers. With 2026 comes fresh innovation, exciting new lines, and updated favorites designed to inspire smiles everywhere.

★ **Cloud Cuddles** — meet your new favorite plush. Soft to the touch, colorful, and endlessly huggable, Cloud Cuddles is as fun as it is adorable. A perfect addition to our assortment, designed to charm both kids and adults alike.

★ **Kryptids** — a fun, but creepy collection of plush that brings mythical creatures to life in a lighthearted, collectible way. Unique, eye-catching, and sure to spark conversation.

★ **Plush Candy Pops** — our beloved classic continues to shine! After 25+ years, this fan favorite is still delighting customers. For 2026, we're rolling out new featured designs that build on the success of one of our most popular lines.

★ **Costume Bears** — our top-selling costume bears are now available in a new, smaller 8" size. Just as playful and imaginative as the originals, but perfect for on-the-go cuddles and collections.

We're proud of how our collection continues to evolve—adding exciting new concepts while staying true to the quality and magic you expect from Wishpets®.

## What to expect from Wishpets® in 2026

We're committed to delivering not only exceptional plush but also:

## Custom Design Details

- Custom form must be filled out completely before project can begin
- Minimum order quantities vary, usually starting at 1,200 pieces and up depending on complexity, size, fabric requirements, and other factors.
- We require a 50% deposit after approval of design. Deposit is applied to the last half of the shipment. After we have shipped the first half of the order, only freight charges will apply.
- Once the design is approved and deposit is received, production begins. Lead time is typically 120-150 days.
- Items must stay in case pack quantities and all products must be taken by the 6 month mark.
- Processing time for new designs can vary depending on the complexity of the design and the number of samples that are required
- Some restrictions apply to where embroidery can be placed and what fabric types can be embroidered.
