SET. IT. UP.

Unpack.

Your new Legacy mattress awaits you, just inside this box. Open it in the room you like to sleep in.

Unroll.

Unroll your still compressed mattress from the outer plastic layer and place it on your bed frame or box spring.

Unwind.

Now, carefully cut and remove the plastic sleeve. Be extra careful not to cut the mattress. Your mattress will start expanding immediately. Note that it can take up to 48 hours for your mattress to fully expand and reach its full potential. However, you can sleep on this mattress whenever it looks comfortable.

Where is the Legacy Mattress made?

Our foam is proudly made in the USA and is CertiPUR-US® certified. The Legacy Mattress is designed and assembled in the USA.

How do I care for my Legacy Mattress?

You can spot clean your mattress with a damp cloth and mild, clear soap. Let it air dry completely before covering with sheets and blankets. Be sure to read the product care tag for more information.

My Legacy Mattress doesn't feel how I thought it would. Is this normal?

Foam distributes weight evenly across the body, relieving pressure points, so sometimes it takes a few nights to get used to the feeling. Let your body and your mattress get to know each other, and you'll soon find deep, restorative rest.

The Limited Warranty for this product starts on the date of purchase and expires twenty (20) years from the date of purchase.

What will Novaform do?

If a covered defect occurs during the Limited Warranty period, Novaform will repair or replace (at Novaform’s option) the defective product. If a replacement is required, Novaform reserves the right to substitute materials of equal or higher quality if a similar product is not available. Products will be replaced only once during the Limited Warranty period. The Limited Warranty Period is valid from the date of your original purchase and only covers one replacement during the twenty (20) year period.

What is not covered by this warranty?

This mattress is designed for full performance when used with a supportive foundation system (platform bed, slatted frame with horizontal center supports and/or a box spring). A Queen, King or California King frame must have a rigid bridge bar with at least 5 support legs or 5 equally spaced hardwood cross-slats with a supporting center leg. The cross slats must be at least 3 inches wide and no more than 4 inches apart. Inadequate bases include, but are not limited to the floor, plywood, bunkie boards, and plastic liners. Novaform may require the user to provide proof of the quality of the foundation, adjustable bed base or bed frame used in conjunction with the mattress if the user makes a claim under this Limited Warranty. Novaform makes no representations whatsoever as to the structural integrity or rated load for any frame, foundation, or adjustable base not manufactured by or for Novaform. If used on a faulty foundation system, or on the floor, resulting in damage to the mattress, the Limited Warranty will be void.

All warranties contained herein are void if the product is found to have been tampered with or misused by the purchaser beyond reasonable wear. This Limited Warranty shall not apply if the product has been damaged, intentionally, or due to accident or neglect; including but not limited to damage caused by burns, cuts, water, stains, or bodily fluids. The consumer is required to protect the mattress with a stain resistant mattress pad, and this Limited Warranty does not cover defects or damage caused by a consumer's failure to follow this requirement. This Limited Warranty does not cover the normal increase in softness of the memory foam material or a decrease in the slow recovery feature (elasticity). These aspects do not affect the pressure-relieving qualities of the foam. The service terms stated in this Limited Warranty shall be the consumer's sole and exclusive remedy in the event of product failure during the Limited Warranty period. Novaform makes no warranty beyond what is contained in this Limited Warranty. Novaform does not authorize any person to create for it any other obligation or ability in connection with this Limited Warranty.
