8. Business Growth Highlights (April – August 2025)

1. More People Finding the Business

- Overall profile views went up from 183 in July to 201 in August.
- This shows more people are discovering the business every month.

- **Website Visits Growing**
 - a. Website clicks increased from 52 in July to 68 in August.
 - b. Steady growth means more customers are checking products and services online.
- **More Customers Looking for Directions**
 - a. Direction requests increased from 47 in July to 53 in August.
 - b. This clearly shows more people are planning to visit the location.
- **Calls Are Stable**
 - a. Calls stayed almost the same (84 in July vs 80 in August).
 - b. Even with a small dip, overall interest from customers is strong.
- **Better Google Rankings**
 - a. In April, only a few keywords were visible.
 - b. By August, 20+ keywords are showing up on Google in top positions like:
 - **Stainless steel pipes**
 - **SS Sheets Supplier Near Me**
 - **Stainless steel perforated sheet in Indore**
 - c. **This means when people search, the business is coming up first.**
- **Improved Reputation**
 - a. **New reviews increased from 5 in July to 7 in August.**
 - b. **Also, old unwanted reviews were cleaned, making the profile more trustworthy.**
 - Run **GMB post updates** weekly with product/service highlights
 - Continue **review generation** with 4–5 new authentic client reviews
 - Target **nearby location keywords** like Indore, MP
 - Boost visibility with **local backlinks or directory submissions**

9. Summary & Value Delivered

From April to August, the business has become **easier to find on Google, more people are visiting the website, more customers are asking for directions, and the online reputation is improving**. These changes mean more potential walk-ins, phone calls, and new customers in the coming months.

Thank You
