A close-up photograph of a car's center console. The console is finished with a dark, textured material, possibly leather or a high-quality synthetic material. In the center, a yellow Corkcicle insulated drink bottle with a black lid is placed in a designated cup holder. The lid of the bottle has the 'CORKCICLE.' logo printed on it. Above the cup holder, there are several control buttons and a rotary dial. The buttons are labeled 'NAVI', 'RADIO', 'MEDIA', 'TEL', and 'A/C'. The rotary dial is a silver-colored knob. The overall aesthetic is one of luxury and modern design.
