Kulzer Vivida Home Kit 6% HPS

A complete at-home whitening kit built for comfort and convenience. Using its patented HPS (Hydrogen Peroxide Superior) formula at 6 %, it delivers effective whitening in 15-30 minutes per session, while minimizing sensitivity.

The kit includes:

- Pre-Whitening Toothpaste to prepare enamel
- Three 3 ml syringes of 6 % whitening gel
- Tooth Conditioner to soothe sensitivity
- Tray case for safe storage

The whitening gel is stable at room temperature and changes viscosity once in the mouth, keeping it in place without needing refrigeration.
