WHO WE ARE

Mega Motion recliners are for every “body”. Since launching in 1992, our brand has embodied great style, beautiful fabrics, high-quality components, and ultimate comfort through our timeless products. Mega Motion recliners are unique and durable, crafted with first-class materials that fit all needs and budgets.

WHY CHOOSE US

With a chair size range from 4’11” to 6’6” in height and an occupant weight capacity range from 325 to 500 pounds, Mega Motion is the leading supplier of power lift recliners to the furniture industry. We offer modern and classic styles with a wide array of fabrics that meet a “heavy-duty” wear rating three times the industry average. Operation of our power lift recliners is quiet, smooth, and easy, assuring restful relaxation with every use.

- ✓ **Two-year in-home warranty**
- ✓ **Unbeatable customer service with OUTSTANDING technical support**
- ✓ **Quick ship program**
- ✓ **EMC and Bio Compatibility Tested**

iNFI ELITE

This is an **infinite-position collection** that contains Mega Motion's most feature-rich power lift recliners. Some models offer **three zone heating, air bladder massage** and/or the latest **tilt feature** which allows your body to relax in true zero gravity.

MM-3975

Experience unparalleled, infinite-position comfort with the Mega Motion MM-3975, our first **top grain leather** touch chair approved for FDA Class II power reclining lift chairs. Our innovative tilt function provides a zero-gravity sensation, the pull-out arms feature a convenient cup holder and wireless charger, and the hand control mounts to either side of the chair magnetically. Plus, the three-zone heating system soothes achy muscles for luxurious relaxation.

Medical Device¹

MM-3710

Luxurious, spacious, and equipped with MegaGuard® high performance fabrics, the MM-3710 has everything you want in an infinite position power recliner. Our three-zone heating system helps relax key muscles as you sink into ultimate comfort, while an adjustable headrest and lumbar allow you to find your ideal resting position. And feel free to lay flat since the back and chaise work independently. That all makes the MM-3710 an elite choice.

STANDARD FABRICS – MEGAGUARD® VELVETY

FDA Class II
Medical Device¹

MM-3730

An infinite position power recliner packed with features to offer you ultimate relaxation, the MM-3730 is truly among the elite. The headrest and lumbar support adjust to your exact liking, helping you find your optimal position for true comfort. Feel free to lay flat and lay out with our glide-extension footrest. And choose from four distinct colors from the Stonewash fabric. Luxury, style, and supreme comfort all in one chair – the MM-3730.

STANDARD FABRICS – STONEWASH

FDA Class II
Medical Device¹

MM-3815

We don't call it "elite" for nothing. The MM-3815 is a truly distinctive infinite position power recliner designed to help you relax in comfort and style. Adjust the headrest and lumbar to achieve a perfect resting position and let our air bladder massage system soothe every bone in your body. You can lay flat as the back and chaise work independently, or feel free to sit back and enjoy your favorite drink with cup holders and pull-out arms.

iNFI ATTAIN

This is an **infinite-position collection** that offers the essentials for a **lay-flat experience**, including an extended footrest.

MM-201

If you're in search of the ultimate infinite position lounger, the MM-201 is your perfect match. Proudly made in the USA, this power recliner promises unparalleled relaxation, no matter your preferred resting position. Indulge in a lay-flat experience with an extended footrest, while the back and chaise adjust independently for your utmost comfort. Wrapped in an elegant diamond pattern fabric, the Guild collection offers three luxurious colors to choose from. Engineered to deliver exceptional style and true comfort, the MM-201 is where sophistication meets serenity.

IP  STANDARD FABRICS – GUILD

MM-3603

If you're seeking an infinite position power recliner with a little extra, the MM-3603 has you covered. The back and chaise work independently from one another, so you can lay flat and relax. A glide-extension footrest allows you to really lean back and enjoy the spoils of ultimate comfort. The MM-3603 gives you all the vitals, and then some, for a premier experience.

IP  STANDARD FABRICS – MERINO

iNFI POCO

This is an **infinite-position collection** with power lift recliners that contain **encapsulated foam pocketed coils** to allow for ultimate body comfort

MM-1652

An infinite position power recliner with features galore, the MM-1652 is a welcome addition to any living room. The 49 foam encapsulated pocketed coils in the seat allow for ultimate body comfort. A deluxe heat and massage upgrade is available in the angus fabric, as are MegaGuard® performance fabrics for luxurious relaxation every time. Proudly made in the USA, the MM-1652 has something to offer everyone.

STANDARD FABRICS – ANGUS

STANDARD FABRICS – WATFORD

“ My Mega Motion power lift recliner gives me the support I need and so much more! I love how easy it is to adjust my position!

— Pamela G.

Mega Motion customer since 1997

TRIO INVIGORATE

This is a **three-position collection** with power lift recliners that offer **two-zone heating** and **massage** for an extra level of relaxation.

MM-3601

For soothing luxury in a three-position chaise lounger, the MM-3601 is sure to satisfy. Tired and achy from a long jog or work around the house? Sit back, relax, and let the heat and massage package ease your pain and troubles away. Available in two colors with Spice fabric, the MM-3601 provides optimal relaxation, making it the perfect addition to your living room décor.

Dove

MM-6410

If you're looking for a TruPetite™ power recliner, set your sights on the MM-6410.

A chair like this can be elusive, but with the ideal dimensions of seat width and height, it's a luxurious delight for shorter loungers whose feet will have no trouble hitting the floor. Available in two colors, the MM-6410 is a stylish addition to any room and conveys a true sense of comfort in both look and feel.

STANDARD FABRICS – BENTI

Latte

Espresso

FDA Class II
Medical Device¹

TRIO MEZZO

This is a **three-position collection** that offers the essentials in a power lift recliner for loungers of **medium height** (recommended 5'4"- 6'0").

MM-3600

Lay out and stretch out with Mega Motion's first single motor that comes just shy of lying flat. The MM-3600 offers superb comfort with its adjustable headrest and quiet, smooth performance. For added convenience, hidden cup holders are located in both pull-out arms and the hand control mounts to either side of the chair magnetically.

STANDARD FABRICS – TRENTO

MM-2001

Engineered to deliver a cozy feeling of rest and relaxation, the MM-2001 will get the job done when it's time to settle in. Enjoy a comforting afternoon with the family or simply drift away in a daydream in this three-position lounger. With its Pocono fabric available in four colors, you can make the MM-2001 your own. So sit back, relax, and know that pure comfort is at your fingertips.

STANDARD FABRICS — POCONO

FDA Class II Medical Device¹

MM-3605

When you want to unwind, kick back, and just enjoy a nice comfortable break from the action, the MM-3605 is a fine choice. What sets this three-position power recliner apart is the Burbank fabric, which is known as a “microdenier.” That means you’ll get exceptional softness, water resistance, and overall high performance. Factor in three color options and a USB port for convenient charging, and the MM-3605 is built to deliver a luxurious experience.

STANDARD FABRIC — BURBANK

FDA Class II Medical Device¹

TRIO GRANDE

This is a **three-position collection** that offers the essentials in a power lift recliner for **taller loungers** (recommended 5'8"- 6'2").

MM-5001

For a luxurious look and feel in a three-position chaise lounger, the MM-5001 is a perfect choice. It's Kayсен "superior soft feel with breathable technology" fabric is available in three colors for a superb combination of comfort and style. The MM-5001 is engineered for ideal comfort, whether spending time with the family or just relaxing after a long day.

STANDARD FABRICS – **KAYSEN**

Chocolate Graphite Mushroom

MM-5300

The MM-5300 is a grand option for those who seek a powerful, comfortable three-position lounger. It's engineered with a scooped seat design which creates a relaxing "cradling" effect. And you'll sink right into perfect position thanks to this chair's ultra soft Domain fabric. With a classic "Double T" back design, the MM-5300 stands out as one of the most comfortable power recliners in our lineup.

STANDARD FABRICS – **DOMAIN**

Iron Chocolate

TRIO TENACITY

This is a **three-position collection** with power lift recliners that offer Mega Motion's greatest weight capacity at **500 pounds**.

MM-7001

Boasting a 500-lb. weight capacity, the MM-7001 is durable, reliable, and has 49 foam encapsulated pocketed coils in the seat for supreme comfort. This three-position recliner has a unique synchronized dual motor lift mechanism to prevent tipping, not an infinite position lift chair. Chaise pad construction and heavy-duty steel lift mechanism allow for ultimate support and stability. A standard heat and massage upgrade is available, as are MegaGuard® performance fabrics.

STANDARD FABRICS – **VANCE**

MM-7305

The MM-7305 offers Grand Comfort™ and a whole lot more. This three-position power recliner has a unique synchronized dual motor lift mechanism to prevent tipping, not an infinite position lift chair. With a 500-lb. weight capacity, this recliner is built for durability without compromising style. The back is designed with a high-end automotive seat in mind to mix in luxury with your comfort. Available in three colors with its Darby fabric, the MM-7305 is another tenacious option that won't quit when you want to kick back and relax.

STANDARD FABRICS – **DARBY**

USB remote

INFI IMMERSE

This is an **infinite-position** collection that is designed to enhance your at-home entertainment experience. Sit back and experience the thrill of **cinema, music, and other media** like never before. Plus, enjoy luxurious features such as **three-zone heating** and air bladder massage.

MM-8945

Experience in-home entertainment like never before with the Mega Motion MM-8945. With built-in **surround sound that connects** via Bluetooth® to your television, phone, or tablet, you can feel the power of your favorite movies, TV shows, and music when relaxing in this infinite-position recliner. Soothe achy muscles with three-zone heating, melt away stress with an air bladder massage, and enjoy all the **amenities of true luxury and the spoils of relaxation.**

STANDARD FABRICS – **CAPRICCIO**

Slate Cappuccino Smoke

MEGAGUARD®

Our exclusive **MegaGuard® fabric** is one of the most sophisticated technologies in performance fabrics. This **Alta™ Senior Living** fabric delivers the highest repellency, cleanability and offers a complete waterproof barrier on the back of the performance fabric without impacting the softness and breathability.

It comes standard on MM-3710, MM-3712, and MM-3620 and as an upgrade on MM-7001 and MM-1652.

FDA Class II
Medical Device¹

- Water-based technology, liquid repellency and easy to clean
- Moisture barrier backing – No liquid can penetrate the fabric.
- Antimicrobial – Resists odor causing buildup.

- Eco-friendly – Free of any solvents or VOCs, PFOS, PFOA, formaldehyde, heavy metals or phthalates.
- Easy to clean and maintain – Simple wipe up without special cleaning products.
- Strength – Increases the abrasion resistance and seam strength.

MEGAGUARD®
— HIGH PERFORMANCE FABRICS —

THE INSIDE STORY
