WHO WE ARE

Mega Motion recliners are for every “body”. Since launching in 1992, our brand has embodied great style, beautiful fabrics, high-quality components, and ultimate comfort through our timeless products. Mega Motion recliners are unique and durable, crafted with first-class materials that fit all needs and budgets.

WHY CHOOSE US

With a chair size range from 4’11” to 6’8” in height and an occupant weight capacity range from 325 to 500 pounds, Mega Motion is the leading supplier of power lift recliners to the furniture industry. We offer modern and classic styles with a wide array of fabrics that meet a “heavy-duty” wear rating three times the industry average. Operation of our power lift recliners is quiet, smooth, and easy, assuring restful relaxation with every use.

- ✓ **Two-year** in-home warranty
- ✓ **Unbeatable** customer service with **OUTSTANDING** technical support
- ✓ **Quick ship** program
- ✓ **EMC, Biocompatibility** and **Cytotoxicity Tested**

FDA Class II Medical Device¹

iNFI ELITE

This is an **infinite-position collection** that contains Mega Motion's most feature-rich power lift recliners. Some models offer **three-zone heating**, **air bladder massage** and/or the latest **tilt feature** which allows your body to relax in true zero gravity.

MM-3975

Experience unparalleled, infinite-position comfort with the Mega Motion MM-3975, our first top grain leather touch chair approved for FDA Class II power reclining lift chairs. Our innovative tilt function provides a zero-gravity sensation, the pull-out arms feature a convenient cup holder and wireless charger, and the hand control mounts to either side of the chair magnetically. Plus, the three-zone heating system soothes achy muscles for luxurious relaxation.

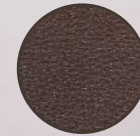

Soft button toggle remote

FDA Class II Medical Device¹

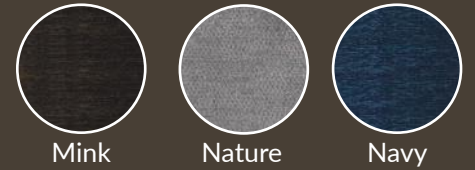

FDA Class II
Medical Device¹

MM-3710

Luxurious, spacious, and equipped with MegaGuard® high performance fabrics, the MM-3710 has everything you want in an infinite position power recliner. Our three-zone heating system helps relax key muscles as you sink into ultimate comfort, while an adjustable headrest and lumbar allow you to find your ideal resting position. And feel free to lay flat since the back and chaise work independently. That all makes the MM-3710 an elite choice.

STANDARD FABRICS – MEGAGUARD® VELVETY

FDA Class II
Medical Device¹

MM-3730

An infinite position power recliner packed with features to offer you ultimate relaxation, the MM-3730 is truly among the elite. The headrest and lumbar support adjust to your exact liking, helping you find your optimal position for true comfort. Feel free to lay flat and lay out with our glide-extension footrest. And choose from four distinct colors from the Stonewash fabric. Luxury, style, and supreme comfort all in one chair – the MM-3730.

STANDARD FABRICS – STONEWASH

MM-3815

We don't call it "elite" for nothing. The MM-3815 is a truly distinctive infinite position power recliner designed to help you relax in comfort and style. Adjust the headrest and lumbar to achieve a perfect resting position and let our air bladder massage system soothe every bone in your body. You can lay flat as the back and chaise work independently, or feel free to sit back and enjoy your favorite drink with cup holders and pull-out arms.

STANDARD FABRIC — CAPRICCIO

Olive

Saddle

Walnut

FDA Class II
Medical Device¹

MM-3900

Are you ready to experience a true zero gravity experience? Then the MM-3900 with its advanced tilt feature is for you. Like a rocking chair, this tilt elevates you from the front, applying no extra pressure to the joints or bones. It's a feeling of true relaxation.

STANDARD FABRICS — ARULA

Elephant

Dove

Mink

FDA Class II
Medical Device¹

iNFI ATTAIN

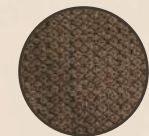

This is an **infinite-position collection** that offers the essentials for a **lay-flat experience**, including an extended footrest.

MM-3603

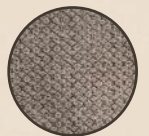

If you're seeking an infinite position power recliner with a little extra, the MM-3603 has you covered. The back and chaise work independently from one another, so you can lay flat and relax. A glide-extension footrest allows you to really lean back and enjoy the spoils of ultimate comfort. The MM-3603 gives you all the vitals, and then some, for a premier experience.

STANDARD FABRICS – **MERINO**

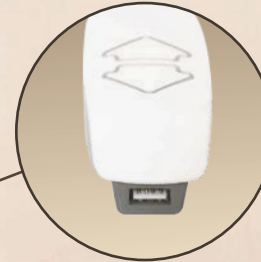

Latte

Steel

USB remote

Footrest extension

TRIO INVIGORATE

This is a **three-position collection** with power lift recliners that offer **two-zone heating** and **massage** for an extra level of relaxation.

MM-3601

For soothing luxury in a three-position chaise lounger, the MM-3601 is sure to satisfy. Tired and achy from a long jog or work around the house? Sit back, relax, and let the heat and massage package ease your pain and troubles away. Available in two colors with Spice fabric, the MM-3601 provides optimal relaxation, making it the perfect addition to your living room decor.

STANDARD FABRICS – **SPICE**

Walnut

Stone

FDA Class II
Medical Device¹

MM-3615

Sit back, sink in, and let the MM-3615 transport you to a world of deep relaxation. This three-position power recliner will soothe away your aches and pains, as the heat and massage package goes to work. Enjoy the feeling of ultimate luxury. With its wider seat surface and its Saville fabric available in two distinct colors, the MM-3615 is a superb combination of comfort and style for any room in your home.

STANDARD FABRICS – **SAVILLE**

Earth

Grey

FDA Class II
Medical Device¹

MM-3620

You approach life with vigor, but that means sometimes you need reliable relaxation to recharge. That's what the MM-3620 is designed to do, as its heat and massage package helps get those achy muscles back in business. Covered in MegaGuard® high performance fabrics, you'll be living in ultimate comfort and style with the MM-3620.

STANDARD FABRICS – **MEGAGUARD® DYNAMO**

Leather

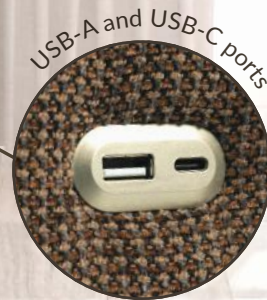

Indigo

TRIO PICCOLO

This is a **three-position collection** that offers the essentials in a power lift recliner for **shorter loungers** (recommended 4'11" - 5'10").

TRUPetite

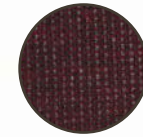

MM-6420

If you're looking for a TruPetite power recliner, set your sights on the MM-6420. An "advanced" three-position single-motor mechanism that offers lay-flat positioning and features an adjustable headrest. Available in three colors, the MM-6420 is a stylish addition to any room and conveys a true sense of comfort in both look and feel.

STANDARD FABRICS – BENTI

Garnet

Espresso

Stone

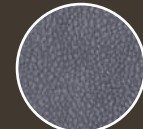

FDA Class II
Medical Device¹

MM-4020

A modern look and classic comfort defines the MM-4020. Its Arula fabric is available in two colors, and it offers the essentials for a three-position chaise lounger. Ideal for petite loungers and a fashionable addition to any home decor, the MM-4020 conveys luxury in appearance and ultimate relaxation in performance.

3P  

STANDARD FABRIC – ARULA

Dolphin

Dove

FDA Class II
Medical Device¹

MM-3604

With a luxurious look and feel, the MM-3604 offers an ideal power lift recliner experience. What helps this chair stand out is its Lexi Sta-Kleen[®] performance fabric, which offers permanent protection as the first stain-resistant urethane fabric. Its faux leather texture offers a touch of class no matter your home décor, and it's built for ultimate comfort. Sink into the MM-3604 and enjoy this three-position recliner.

3P  

STANDARD FABRICS – LEXI STA-KLEEN[®]

New Chestnut

TRIO MEZZO

This is a **three-position collection** that offers the essentials in a power lift recliner for loungers of **medium height** (recommended 5'4" - 6'0").

MM-3605

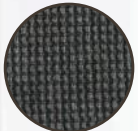

When you want to unwind, kick back, and just enjoy a nice comfortable break from the action, the MM-3605 is a fine choice. What sets this three-position power recliner apart is the Burbank fabric, which is known as a "microdenier." That means you'll get exceptional softness, water resistance, and overall high performance. Factor in three color options and a USB port for convenient charging, and the MM-3605 is built to deliver a luxurious experience.

3P  

STANDARD FABRIC – **BURBANK**

Taupe

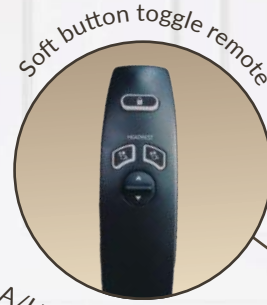

Pewter

Java

USB remote

Soft button toggle remote

Armrest cupholder & USB-A/USB-C ports

MM-3600

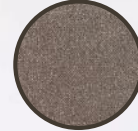

Lay out and stretch out with Mega Motion's first single motor that reclines to a near flat position. The MM-3600 offers superb comfort with its adjustable headrest and "advanced" 3-position seating, as the leg rest fully extends before the back reclines. For added convenience, hidden cup holders are located in both pull-out arms and the hand control mounts to either side of the chair magnetically.

STANDARD FABRICS – **TRENTO**

Charcoal

Ash

Indigo

TRIO GRANDE

This is a **three-position recliner** that offers the essentials in a power lift recliner for **taller loungers** (recommended 5'8" - 6'2").

MM-5300

The MM-5300 is a grand option for those who seek a powerful, comfortable three-position lounger. It's engineered with a scooped seat design which creates a relaxing "cradling" effect. And you'll sink right into perfect position thanks to this chair's ultra soft Domain fabric. With a classic "Double T" back design, the MM-5300 stands out as one of the most comfortable power recliners in our lineup.

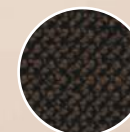

3P  

STANDARD FABRICS – **DOMAIN**

Iron

Chocolate

TRIO ELEVATO

This is a **three-position recliner** that offers the essentials in a power lift recliner for **taller loungers** (recommended 5'9"- 6'8").

MM-5401

With a weight capacity of 400 lbs. and a design to accommodate taller loungers up to 6'8", the MM-5401 is a durable and luxurious power recliner. With our "advanced" single-motor three-position mechanism, the leg rest fully extends before the back begins to recline when toggling down on the remote. Further customize your comfort with our power headrest function. Stay connected and refreshed with USB-A and USB-C charging ports and cup holders in each pull-out armrest. And enjoy easy access to the hand control with magnetic holders on either side of the chair depending on your preference.

STANDARD FABRICS – KAYSEN

INFI ELEVATO

This is an **infinite-position recliner** that offers the essentials in a power lift recliner for **taller loungers** (recommended 5'9" - 6'8").

MM-5640

An infinite-position recliner packed with features, the MM-5640 delivers comfort and luxury. It boasts a 400 lb. weight capacity and accommodates taller loungers up to 6'8", but that's just the beginning. Enjoy resting positions such as lay-flat, zero-gravity, and even a position where your feet are elevated above your heart, thanks to its advanced mechanism. Feel the warmth of three-zone heating, soothe your muscles with a sophisticated air bladder massage, and customize your comfort with power headrest functionality. Magnetic holders on either side of the chair keep the hand control within reach, and USB-A and USB-C ports keep all your devices powered up.

STANDARD FABRICS – DOMAIN

TRIO TENACITY

This is a **three-position collection** with power lift recliners that offer Mega Motion's greatest weight capacity at **500 pounds**.

MM-7001

Boasting a 500-lb. weight capacity, the MM-7001 is durable, reliable, and has 49 foam encapsulated pocketed coils in the seat for supreme comfort. This three-position recliner has a unique synchronized dual motor lift mechanism to prevent tipping. Chaise pad construction and a heavy-duty steel lift mechanism allow for ultimate support and stability. A standard heat and massage upgrade is available, as are MegaGuard® performance fabrics.

STANDARD FABRICS – VANCE

“ My Mega Motion power lift recliner gives me the support I need and so much more! I love how easy it is to adjust my position!

— Pamela G.

Mega Motion customer since 1997

THE INSIDE STORY

All of our products are built with quality construction and lasting comfort in mind. Choose from our great modern and classic styles with a power recline and lift that deliver quiet, smooth and easy operation. You will find that Mega Motion® has a complete line of chairs to suit most every person, size and weight.

HEADREST/LUMBAR MECHANISM WITH MOTORS

Independently operates the headrest and lumbar functions for enhanced head, neck and back support.

STRONG WOOD FRAME

Premium furniture-grade hardwood is robust, durable and long-lasting.

STEEL SEAT BOX

Springs are attached to heavy-duty steel frame.

LIFT AND RECLINE MOTORS

Independently adjusts the recliner to achieve relaxed, reclined, lay flat or upward lift positioning.

STEEL FRAME

Heavy-duty metal framework forged to last.

MEGAGUARD

— HIGH PERFORMANCE FABRICS —

Our exclusive **MegaGuard® fabric** is one of the most sophisticated technologies in performance fabrics. This **Alta™ Senior Living** fabric delivers the highest repellency, cleanability and offers a complete waterproof barrier on the back of the performance fabric without impacting the softness and breathability.

FDA Class II
Medical Device¹

- **Standard** on MM-8955, MM-3710, MM-3712, MM-3620 and as an **upgrade** on MM-7001 and MM-1652.
- Water-based technology, liquid repellency and easy to clean
- Moisture barrier backing – No liquid can penetrate the fabric.
- Antimicrobial – Resists odor causing buildup.

- Eco-friendly – Free of any solvents or VOCs, PFOS, PFOA, formaldehyde, heavy metals or phthalates.
- Easy to clean and maintain – Simple wipe up without special cleaning products.
- Strength – Increases the abrasion resistance and seam strength.

Scan the QR code for an in-depth video on how MegaGuard® fabrics protect your recliner

“ I served in the Marine Corps, and after a couple of back injuries over the years, I’ve finally accepted that I need a little extra help getting up out of my recliner. My Mega Motion lift chair has given me back a lot of independence. I’m genuinely grateful for how much easier it’s made my day to day life!

— Dale B.

Mega Motion customer since 2012
