Day 9: **JACKSON** Gather for a private docent-guided tour of the National Museum of Wildlife Art. Situated on a cliff overlooking the National Elk Refuge, the museum's collection features 5,000 pieces from more than 550 artists. Dating from 2500 B.C. to the present, the exhibits chronicle the history of wildlife in art, focusing primarily on European and American painting and sculpture. The collection of American art from the 19th and 20th centuries is particularly strong, recording European exploration of the American West. What Guests Are Saying...

We are already contemplating our next travel opportunity with Orbridge. Honestly, my husband does not typically like to travel but he is absolutely SOLD on signing up for another excursion. Thank you for doing such a great job and impressing him to that extent! There's so much more we'd like to see out there with Orbridge leading the way!
