ECO OUTFITTINGS

Custom Patch Hats

Step 1:

Choose a patch material.

Love the planet as much as a good patch? Choose from plastic-free vegan leatherette, veg-tanned leather, or options like cork and real wood veneer — style that feels as good as it looks!

Step 3:

Send Us Your Artwork.

Email your design to hello@ecooutfittings.com. Although vector artwork in .ai or .pdf, has the cleanest look we can also work with .png and .jpg and even photos from your phone.

Step 2:

Select your hat style.

From dad caps to 112 truckers and eco-friendly styles made from recycled plastic — we've got a wide range of colors and types to choose from.

Step 4:

Receive a proof

Once your proof gets the green light, we'll kick off production on your custom hat order! We can ship or pick up is available at the Nokomis Library.

ADDITIONAL DETAILS:

We charge a one time set up fee of \$4.95 per design.

Each custom hat is made to order with care and attention to detail. Our standard lead time is 14-21 days from proof approval.

Need your hats by a specific date? Let us know — we'll do our best to accommodate your timeline.

Upon proof approval we will email an invoice for payment and begin your custom order after payment is received in full. Custom hat sales are final and non-returnable.

We also offer in house graphic design services for only \$25 an hour.
