SONGS OF PEACE

# PREFACE

There are moments when words fall short and only music can carry what the heart needs to say.

“Songs of Peace” was born from those moments — quiet reflections, long nights, deep breaths, and hope that won’t let go.

This EP isn’t loud. It doesn’t rush.  
It invites you to pause... to feel... to heal.  
Let the melodies hold you. Let the silence between the notes speak, too.

# 1. PEACE PT. 1

Many times I wonder  
How this world would be  
If all the people  
Lived in harmony

Chorus  
I believe in love  
I believe in peace  
I believe in me

Many times I wonder  
Something I can do  
Feel the Lord will say to  
me  
That is up to you

Chorus  
You can be a dreamer  
Can't live on dreams  
We must wake up  
You know what I mean

Chorus

# 2. GIVE PEACE A CHANCE

I hear Bob Dylan sing  
Blowing in the wind  
I see a clear blue sky  
Give peace a chance

Chorus

Chorus

La la la

Give peace a chance

I'm walking in the sun

I like to be alone

I see a clear blue sky

Give peace a chance

I'm walking on the  
beach

I'm dancing with my  
feet

I see a clear blue sky

Give peace a chance

Chorus

Many times I wonder  
How this world would be  
If all the people  
Lived in harmony

Chorus  
I believe in love  
I believe in peace  
I believe in me

Many times I wonder  
Something I can do  
Feel the Lord will say to me  
That is up to you

## 3. PEACE

Chorus

You can be a dreamer  
Can't live on dreams  
We must wake up  
You know what I mean

Chorus

Sing for peace

I can see from my window  
Many stars in the dark  
I can hear music  
Playing in my head

Chorus  
Sing for peace  
Let me hear you  
Let me hear you know

There's rain on my  
window  
All the raindrops make me  
good  
Let me say to you  
Give peace a chance

# 4. SING FOR PEACE.

Chorus

I'm so cold I'm so sad  
I don't like this world  
So much pain in my  
brain

Will it never stop

Let me say to you  
Give peace a chance

Chorus

Many times I wonder  
How this world could be  
If all the people  
Lived in harmony

Chorus  
I belive in love  
I belive in peace  
I belive in me

Many times I wonder  
Something I can do  
Feel the Lord will say to  
me  
That is up to you

# 5. PEACE

## PT 2

Chorus

I miss John Lennon  
He knew how this  
world should be  
We must remember  
His dreams must go on  
and on

Chorus

Thank you for letting “Songs of Peace” into  
your space.

This collection was created with intention,  
love, and the belief that even the softest songs  
can make the deepest impact.

In listening, you become part of its purpose  
— reminding the world that gentleness is  
strength, and peace is always possible.

With gratitude and grace,

Villy Klette
