CUSTOM BANNERS

CUSTOM BANNERS

VINYL BANNERS

Vinyl banners are an affordable and versatile signage solution suitable for interior and exterior use. Digitally printed with high quality fade-resistant inks, vinyl banners are available seamless up to 16 feet. Vinyl banners are custom made to your size specifications with multiple finishing options available.

MESH BANNERS & WINDSCREENS

Mesh banners are perfect for very large or high wind applications as they allow a certain amount of airflow through the material. Digitally printed with high quality fade-resistant inks, mesh banners are typically used for exterior banner applications and are custom made to your size specifications with multiple finishing options available.

Windscreens offer a perfect solution to enhance any fence by adding high impact visuals for branding or advertising purposes. Windscreens are digitally printed, finished with reinforced edges, and can also help to provide privacy and wind protection.

CUSTOM BANNERS

DYED MESH WINDSCREENS

Dyed mesh windscreens are available in multiple choices of solid colors and finished to your size and specifications. Dyed windscreens are a great option if a custom printed design is not needed. They can also be used to complement a custom printed design on opposite fences.

BARRICADE COVERS

Barricades are an integral part of any large-scale event, whether it be a parade, concert, race, or sporting event. These unsightly, yet practical, pieces of hardware serve an essential function, but they don't have to be ugly. Give your barricades an additional purpose with barricade covers. Barricade covers will transform your barricades from an eyesore into a promotional tool, sponsor showcase, or to help direct pedestrian traffic.

CLOTH BANNERS

Cloth banners are a great option for indoor banner applications. Dye sublimated cloth banners can provide a more elegant look and can reduce glare from lighting sources. Custom made to your size and finishing specifications, cloth banners can be steamed to remove wrinkles. Dry clean only.

POLE BANNERS

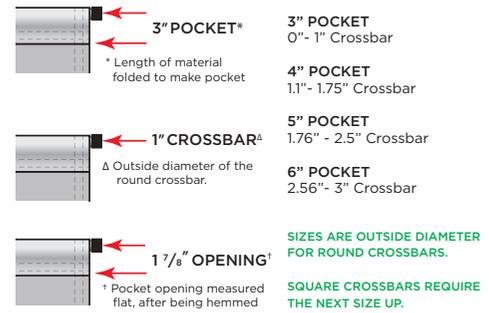

Highlight your property name, amenities, or special events on light poles with double-sided pole banners. We offer time tested hardware that's available in several standard widths. Have existing hardware? We'll size your banners to fit!

WARNING! This product can expose you to chemicals, including Methylpyrrolidone and Benzophenone which are known to the State of California to cause cancer or birth defects or other reproductive harm. For more information, go to www.p65Warnings.ca.gov

POCKET SIZING

When specifying the required pocket size for pole banners, please base it off the size of the pole used for the crossbars. The size should be the outside diameter of the crossbar. Square crossbars will always require a larger sleeve than round crossbars. Please be sure to specify size and round or square crossbar.

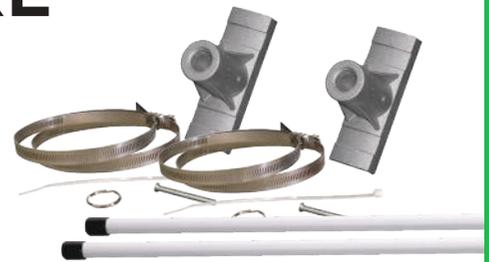

SKU	MATERIAL	PRICED PER SQUARE FOOT		
		20-75	76-500	501-1,000
18VBAN	18oz Blockout Vinyl (per side)	\$6.45	\$4.30	\$3.88

Prices are based on double-sided printing on standard widths of 18", 24", 30", and 36" with 3" pockets and trimmed side edges and customer provided art. In isolated instances, prices may be subject to yield. Creative services available for an additional cost.

POLE BANNER HARDWARE

One pole banner requires a single pole banner bracket kit which includes 2 horizontal poles (crossbars), 2 brackets, and 4 bands. A double pole banner (one on each side of a light pole) requires a double pole banner bracket kit which includes 4 horizontal poles (crossbars), 4 brackets, and 4 bands.

A-FRAMES

COROPLAST A-FRAMES

Non-padded a-frames can be customized to almost any size and are constructed to ship and store flat to maximize space. Coroplast A-Frames can have graphics printed directly to the Coroplast material for long-term use or can be outfitted with a quick-change Velcro® system for easy and affordable seasonal or game-to-game graphic changes.

BARRICADE COVERS & A-FRAMES

PLASTIC A-FRAMES

Constructed from durable, but easy to move, plastic that folds flat for storage, plastic a-frames allow for easy print changes from promotion to promotion. Holds a 36" tall x 24" wide print. Multiple colors are available.

SOFTLINE A-FRAMES™

Softline A-Frames™, our signature padded a-frame, keeps your athletes safe while showcasing your sponsors or team branding right next to the action. Softline A-Frames™ feature vinyl banners with a quick-change Velcro® system which allows for easy and affordable season or game-to-game graphic changes. Great for courtside or sideline placement, these padded a-frames are available in two sizes: 3'x4' and 3'x8'. Softline A-Frames™ also fold flat for storage.

SOFTLINE A-FRAMES™

ADHESIVE GRAPHICS

VEHICLE GRAPHICS & WRAPS

Whether you have one company vehicle, a full fleet with multiple vehicle styles, or anything in between, fleet graphics are the perfect way to turn a functional business necessity into a cost-effective promotional tool to increase your brand awareness. Fleet graphics can be customized for your exact needs and the typical options are vinyl lettering, vehicle graphics, and full vehicle wraps.

ADHESIVE GRAPHICS

WALL MURALS & WINDOW GRAPHICS

Add color and excitement to hallways, conference rooms, windows, or almost any blank space in your facility with wall murals and window graphics. Wall murals and window graphics easily turn a blank wall or window into a work of art for branding or sponsorship opportunities and can help give the appearance of a major renovation without any of the hassle.

STAIR RISER DECALS

Stair riser decals adhere to the face of the stair and provide a unique branding or sponsor signage opportunity in typically high traffic areas such as entrance, lobby, or seating bowl stairs. Use with repeating logos and messaging or combine the images on each stair into a stunning display.

ADHESIVE GRAPHICS

FLOOR GRAPHICS

Create a unique branding or sponsor opportunity with floor graphics. Floor graphics are durable, non-slip, and can be customized to any shape, size, or design. Material options available for interior or exterior applications.

DASHER BOARD GRAPHICS

DASHER BOARD GRAPHICS

DASHMAX™ DASHER BOARD GRAPHICS

DashMax™ Dasher Board Graphics, AMI's proprietary adhesive dasher board graphic, are specifically designed to last against the rigors of the game, as well as changes in building temperature and moisture, while still looking sharp all season long.

EVENT DASHER BOARD GRAPHICS

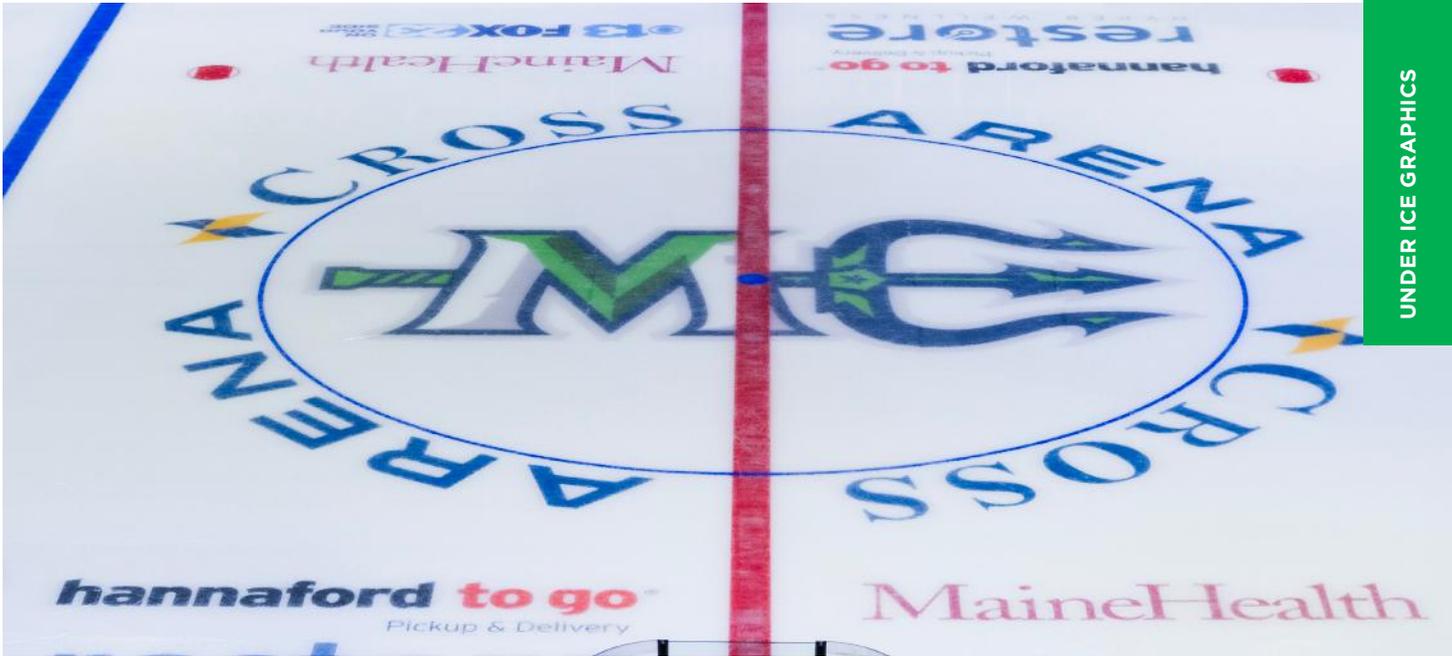

Event Dasher Board Graphics feature a temporary adhesive that allows for the dasher graphics to be quickly and easily removed after a short period of time. Great for short-term events like all-star games, tournaments, figure skating exhibitions, and more.

UNDER ICE GRAPHICS

UNDER ICE LOGOS

Available in your choice of mesh or fabric, these under ice logos are digitally printed and ready to be frozen into the ice at their desired location. Printed under ice logos allow for an efficient installation process and can be used for multiple seasons with no added expenses when installed, removed, and stored properly. Printed under ice logos are also perfect for special events where logos have to be quickly and easily installed and removed.

UNDER ICE GRAPHICS

UNDER ICE STENCILS

Stencils for under ice logos are pounced into paper and are used in conjunction with chalk to stencil the logo design onto your ice in preparation for painting. When properly cared for, under ice stencils can be used year after year. Ice paint not included.

CUSTOM SIGNS

Custom signs can bring logos to life, transform empty walls, and convey important messages. With a variety of material and finishing options including CNC routing and dimensional capabilities, our custom rigid signs are produced exactly to your needs and specifications. DIMENSIONAL SIGNS & DISPLAYS

Bring your brand to life and create a big visual impact with custom dimensional signs and displays. Eye-catching dimensional signage is perfect for capturing immediate attention for your brand or messaging. We offer an array of material options for dimensional signs and displays such as acrylic, foam, metal, PVC plastics, wood, and more.

CUSTOM SIGNS

CUSTOM STANDEES

Display your message in a unique way with standees. Customizable to any shape, standees are great for capturing attention and increasing engagement.

SIGN FRAMES

BANNER GRIP FRAMES

Aluminum graphics can be changed as necessary via a clamp system and covered sides. Commonly used for branding, promotional, or sponsor signage.

SIGN FRAMES

SNAP FRAMES

Aluminum “picture frame” style frame for rigid graphics (typically polystyrene). Snap Frames are permanently installed into place, and the graphics can be easily changed out via flip up sides that snap back into place holding the graphic. Snap Frames are commonly used for promotional or sponsor signage.

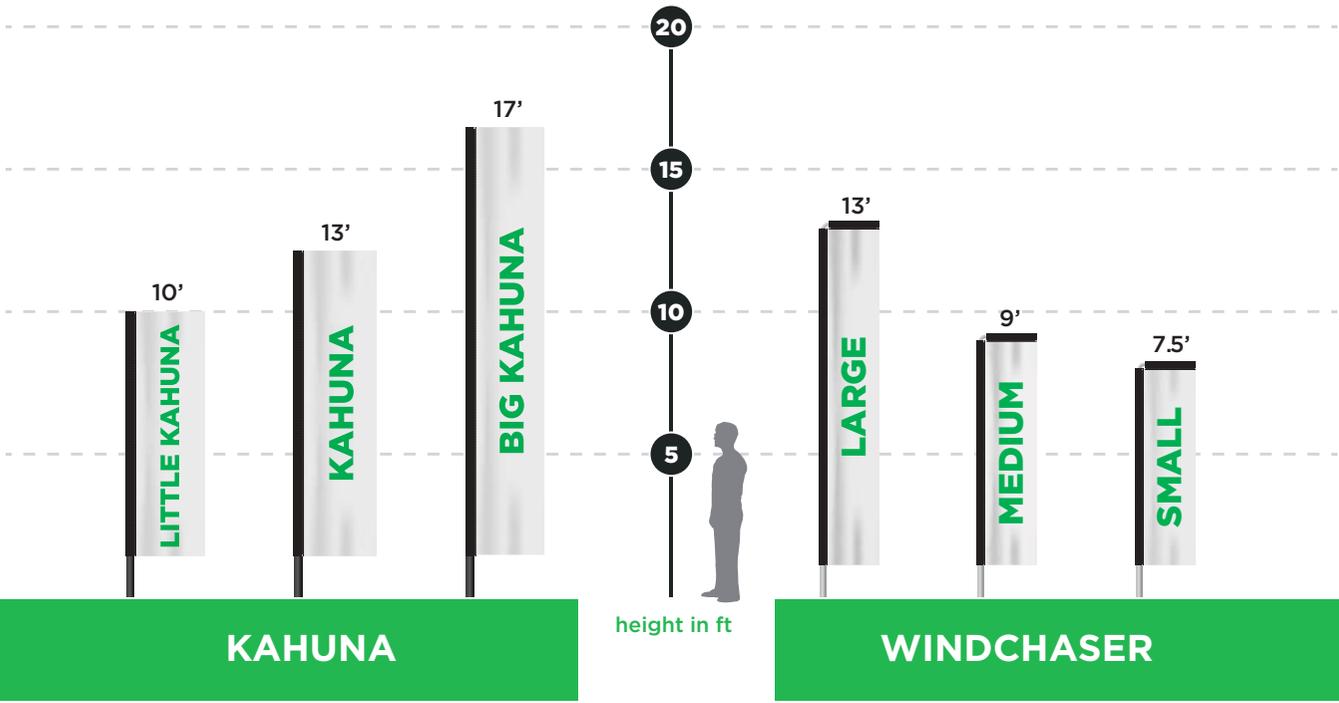

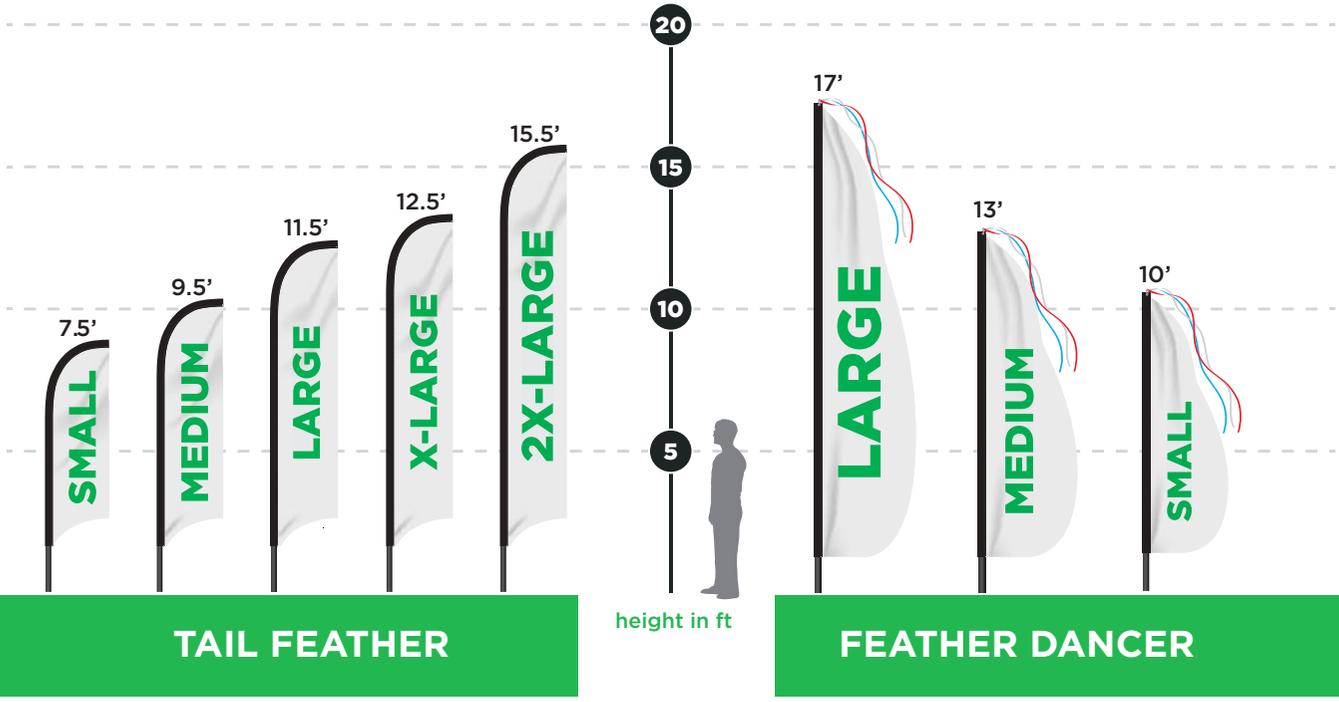

RETAIL GRAPHICS

Catch your customer's eye with custom retail signage solutions. Banners and window graphics are simple size standee, end cap displays, rack toppers, ceiling dangles, and more.

CUSTOM FLAG SIZE & STYLE GUIDE

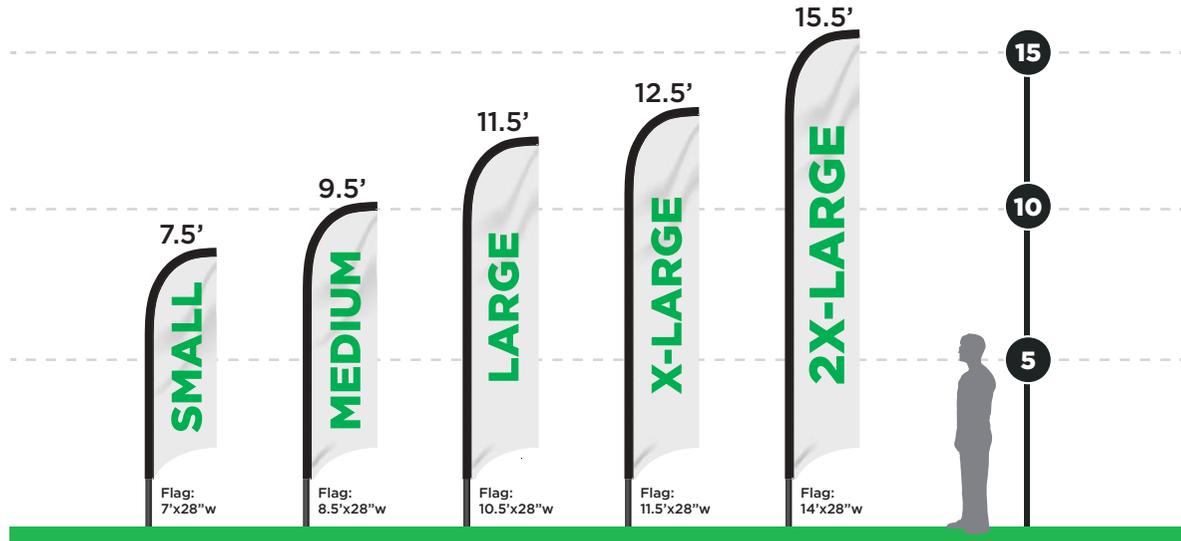

Eco-friendly production process - printed with water-based dye set.

CUSTOM TAIL FEATHER

Tail Feather Flags are wind directional & stay open for 24/7 readability, regardless of wind speed. Flags are digitally printed right-reading front, reverse-reading back (1S) and most sizes are available right-reading on both sides (2S).

Kit includes flag, flagpole hardware, and a fiberglass ground stake. Carrying case is available for \$20.00 ea (c).

Flags are designed for use with OEM hardware only.
