# Message from the Club

By Ed Cheeney  
Marathon Club President

Dear Marathon Coach Club Members,  
I'm excited to announce that our beloved Maratime now has a digital edition—available online with four issues each year! This new format is a fantastic way to showcase stunning photography, share valuable insights, and celebrate everything that makes our club and coaches so special. Whether you're at home or on the road, you'll have easy access to stories, tips, and updates that keep us all connected.

We extend our heartfelt gratitude to Prevost for their exceptional coach chassis and to Marathon for transforming that foundation into a true work of art—designed for travel, living, and enjoyment to the fullest. Their unwavering support makes our rallies such an incredible experience. Of major note, the entire Marathon organization is truly without equal. From Steve Schoellhorn and Steve Irvin leading the executive team to every individual across the company, everyone you meet or work with throughout North America exemplifies first-class excellence. It's this dedication that elevates our lifestyle and ensures every journey is extraordinary.

Looking ahead, 2026 promises to be an incredible year filled with travel, camaraderie, and unforgettable adventures—both to new destinations and cherished favorites. One highlight I'm especially excited about is our upcoming rally in Paso Robles, April 12–18, at

the beautiful Cava Robles by Sun Outdoors. It's going to be spectacular—with wine tasting, castle tours, and unforgettable dining experiences! The Paso Robles region is renowned for its rolling vineyards, world-class wineries, and breathtaking scenery. And just a short drive away, you'll find the charming coastal town of Cambria, CA—a must-visit spot where the ocean meets quaint shops and cafes.

For me, Marathon rallies are all about reconnecting with friends, making new ones and creating lasting memories. From shared laughter over a great meal to exploring hidden gems together, every moment is a treasure. These gatherings remind us why we love this lifestyle—the freedom to roam, the beauty of the open road, and the friendships that make it all worthwhile.

Thank you for your continued support and dedication. Together, we make Marathon Coach Club International the premier motorhome club in the world. Here's to an extraordinary year ahead filled with adventure, friendship, and unforgettable experiences!

With Warmest Regards,  
Good Night and Good Luck,

*Ed Cheeney*

# News from Marathon Coach

Steve Schoellhorn  
Marathon Coach President and Owner

**D**ear Friends,  
Happy New Year and welcome to the inaugural online issue of the Maratime.

We're excited to enter the new year with our new electronic alternative to the print magazine you're used to seeing from Marathon. Now you'll be able to easily access the latest news from Marathon wherever your travels take you.

This format also means our team will be able to produce multiple issues of the Maratime each year, so you can stay informed about our activities and events on a timely basis.

In 2026, those events will include two Marathon Coach Club rallies scheduled for April 12-18 in Paso Robles, Calif., and Oct. 2-9 in Sevierville, Tenn. You can read more about those in this issue. Team members also will be attending more than 40 other events and rallies in 2026, and we will keep you informed in future issues about many of those.

The new online Maratime is one of the many reasons I am excited about the coming year. It's going to be a great one at Marathon, and I hope it's equally great for you and your family.

Happy and safe travels,  
Steve Schoellhorn

## REVIEW

Marathon Coach Club members didn't let a few weather challenges rain on their parade during their most recent rally, Oct. 9-15 in Albuquerque, which coincided with the city's famous International Balloon Festival.

While wind and rain grounded the more than 600 colorful balloons that take part in the world's largest balloon rally, club members, as always, stayed happy and busy with the wide selection of other planned activities they were able to enjoy.

"We always plan for the unexpected, so we had a lot of other things to do," said Lydia Admire, Marathon Club administrator and event coordinator.

The club's "Balloon Fiesta Rally" kicked off Thursday, Oct. 9, with a welcome dinner in the banquet hall of rally headquarters, the Route 66

RV Resort. It was a chance for club members to reunite with their old friends and welcome the 11 couples attending their first rally.

"It was a fun event, beautifully decorated with a balloon theme, including a lot of centerpieces that our members helped make," Lydia said.

Attendees enjoyed a great meal, music from a DJ and even had a chance to show off their karaoke skills. "It was a fun party, and I think the rally newcomers really felt welcome," Lydia added.

Friday's highlight was a trip to the Fiesta's Evening Balloon Glow session, during which all the balloons fired their burners and lit up simultaneously. The event is considered by many to be the most spectacular moment of the Fiesta. As part of the Marathon Club's activities during the event, club members and balloon owners, Katie

and Forrest Griggs, provided fellow members with an engaging and insightful talk about their years of experience with, and passion for, ballooning. After spending Saturday exploring on their own, clubbers reconvened that evening at the Albuquerque home of fellow member, Lowell Fincham, where they enjoyed dinner, music and dancing.

"Lowell's backyard borders on a reservation where wild bison roam with a mountain range as a backdrop; it was an absolutely gorgeous setting," Lydia said. "Lowell has been in our club for years, and it was so generous of him to let 85 people take over his home."

Sunday provided members with another opportunity to visit the Fiesta site, this time to experience a beautiful sunrise version of the Glow

event, followed by the opportunity to take a yoga class, enjoy chair massages and play black jack at a local casino, with the day culminating in an impromptu club potluck.

"It was just kind of a spur of the moment thing. Everybody brought a favorite dish, and it was super fun. People loved it," Lydia said.

On Monday, the group headed to Santa Fe where they spent the day, starting with attending a special Pow Wow honoring Native Nations in commemoration of Indigenous People Day, proceeding to lunch at a local restaurant and concluding with several activities members could choose from, including a walking art tour, jewelry class and art-and-cocktail experience.

On Tuesday, the final rally day, a planned hike at the Petroglyph National Monument had to be

canceled due to the government shutdown. So members had the opportunity to enjoy a day to themselves before coming back together for a special farewell dinner at the Brazilian steakhouse, Fogo de Chao.

"No matter where we gather and what attractions and activities are available, our Marathon Club members always have a great time," Lydia said. "They love the opportunity to get back together with their friends, and they ensure every rally is going to be a successful one."

Lydia is already busy planning 2026 Marathon

Coach Club rallies scheduled April 12-18 in Paso Robles, Calif., and Oct. 2-9 in Sevierville, Tenn.
