The Palos Verdes Symphonic Band, founded in 1962 and currently under the direction of Mark Hamamura and Eric Hankey, consists of local amateur and former professional musicians dedicated to bringing the best in concert band music to the South Bay community. Members include private and public-school music teachers, engineers, physicians, homemakers, students, and more!

We cordially invite interested woodwind, brass, percussion, and lower string players to join our ensemble! We generally rehearse on Wednesdays at 7:30 pm at Riviera United Methodist Church. For more information, please visit our website at pvsband.org.

The Palos Verdes Symphonic Band is an all-volunteer community ensemble and has achieved these remarkable milestones during the past season:

- Eight performances with over 70 musical selections
- World premiere performances of two original compositions and seven new arrangements
- One third of musical selections from underrepresented composers

More than 60% of our operational funds come directly from generous contributions from music lovers like you. Your contribution, no matter the size, can help us continue to provide free concerts to our South Bay community. Your dollars go toward purchasing new music, renting performance halls, purchase and repair of instruments, and our daily operations.

We have several easy ways to make a tax-deductible donation:

- Check or Cash: Visit our donation table or mail to: P.O. Box 2041, Palos Verdes Peninsula, CA 90274.
- Credit Card: Visit our website at pvsband.org and click on "Support".
- Venmo: Send to @pvsband. Please note your name and email address.

PVSB is a 501(c)(3) non-profit organization, Tax I.D. No. 95-3776058.
