Your perfect
outdoor escape

SUNLIMITED

Collection 2026

Our new garden furniture collection embraces playful shapes and warm, earthy tones to transform your outdoor space. Terracotta, soft green, and calming beige create a timeless atmosphere, while two fresh designs set the tone for the season. With Tolo Teak, we celebrate the global revival of teak through a brand-new collection that radiates natural elegance, extremely high comfort, and long-lasting quality. Complementing this is the Wave rope series, a series defined by its graceful, wave-inspired frame in earthy hues, harmoniously combined with teak for a refined yet playful look. These two collections, together with our timeless classics, bring style, authenticity, and comfort to every garden.

Warmth | Serenity | Sand

Forest

Nature | Lush | Tranquil

The Sunlimited moodboard for 2026 captures the essence of our outdoor living vision. Presented in four distinct themes, it reflects the key themes that define our collection: natural warmth, modern elegance, playful contrasts, and timeless comfort. Together, they set the tone for a fresh and inspiring season.

Product

Materials

Sunlimited's furniture is designed by only using high quality materials. With great care and attention for durability and comfort, we've created all our furniture for long-lasting outdoor use.

Aluminium

Black mat

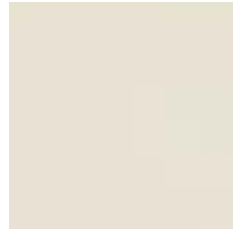

Charcoal mat

Antracite mat

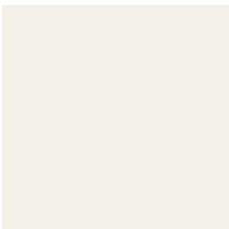

Linen mat

Mocha mat

Teak mat

White mat

Green mat

Dark Green mat

Sunlimited only uses high quality aluminium with a powdercoated finish that gives the furniture an appealing colour. It is extremely corrosion-resistant and tough with great strength. Above all this it is super lightweight, durable, stylish and easy to clean.

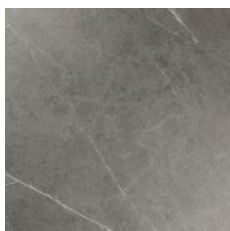

Teak Wood

Natural FSC Teak

FSC Teak is an extremely durable and environmentally friendly wood for outdoor use. Sunlimited only uses high quality premium FSC Teak in its natural colour. By choosing this material you create a natural look in every space.

Ceramic 6mm

Dark Marble

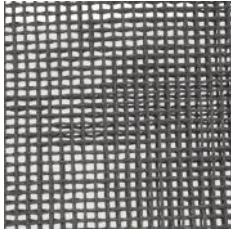

White Marble

Sand Marble

Ceramic tops have the great look of natural stone but without the hassle. The durability of these strong tops is an ideal solution for outdoor tables. Besides its beautiful look, ceramic is 100% scratch and stain resistant and easy to clean.

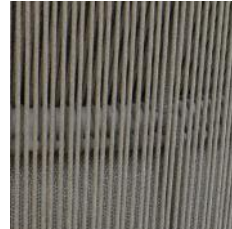

Rope

Black Rope

Light Grey Rope

Beige Rope

Sunlimited's rope is made of 100% polyolefin fiber. The rope is easy to maintain and a smart and beautiful choice for outdoor use. It is resistant to fungus, bacteria, humidity, chlorine, food stains and sweat. This material has an excellent UV resistance which makes it long-lasting. It is extremely lightweight, washable, environmentally friendly and fully recyclable.

Texteline

Charcoal

Light Grey

Sand

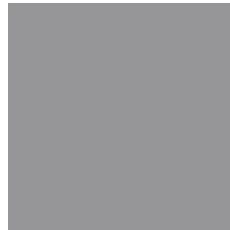

Texteline is a high quality woven material made of strong polyester threads coated with PVC. This material is known for its durability and flexibility. With its beautiful texture and sleek finish it enhances both comfort and style.

Fabrics

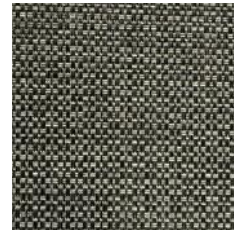

Olefin | Sunproof

Dark Grey

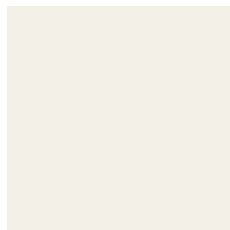

Light Grey

Fontelina Grey

Sand

White

Fontelina Beige

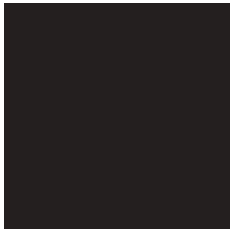

Volga

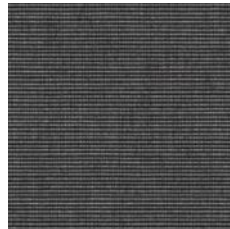

Jealousie

Olefin | Sunproof is a synthetic material that is often used as a high quality outdoor fabric. During the production process, the yarns are colored, so that the fabric retains its color longer than a polyester fabric. Olefin | Sunproof also offers excellent protection against UV radiation, up to 97%. It is very strong and weather-resistant. The Sunlimited Olefin | Sunproof fabrics have a UPF value of 50+. This makes the material extremely suitable for outdoor use.

Acrylic | Sunbrella

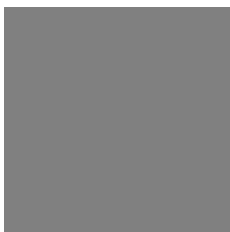

Black

Charcoal

Light Grey

Grey

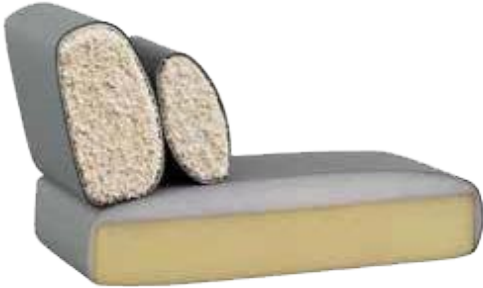

Sand

Latté

Acrylic is a high quality material for umbrella canopies. It is made from plastic fibers of which the threads are colored during the production process. This makes the canopy colored throughout. Sunbrella is the best-known brand of acrylic fabrics. Sunbrella canopies have a very high UPF value, which means the canopy blocks 99% of UV radiation. These canopies are water-repellent and bacteria and fungi resistant. In many cases, an acrylic canopy, such as Sunbrella, retains its color for up to 10 years. The UPF value of Acrylic | Sunbrella canopies is almost always UPF 50+.

Quick Dry Foam

Sunlimited cushions are 100% weather-resistant. The foam used is called quick-dry foam. This foam doesn't absorb water, is mold resistant and easy to dry. This high quality material is especially designed for long-lasting use in open-air. The multiple added density layers give you extra comfort.

;

Protection Covers

Sunlimited has a wide range of protection covers.

Protect your furniture from off-season and rainy weather conditions. The breathable fabric is waterproof to reduce condensation and mold, while keeping the dirt and water out. For almost every Sunlimited model there are tailor-fitted covers.

Sunlimited Premium Quality

We stand behind all our materials with a comprehensive warranty so you can enjoy your Sunlimited outdoor furniture with peace of mind.

Sunlimited provides 2 2-year warranty on all collections and fabrics.

The warranty covers material and manufacturing defects and is only valid for private use in non-public areas and under normal usage conditions recommended by the brand. The warranty does not cover defects caused by use in a commercial and collective environment, wear and tear from normal household use, incorrect installation, lack of maintenance, and negligence.

To make a claim under this warranty, contact your dealer or retailer from whom you purchased the finished product. You must retain your proof of purchase to validate your warranty.

We strongly recommend regular maintenance with the appropriate cleaning and protection products to extend the life of the furniture. For more details about these products please contact your dealer.
